

Plan Library And Physical Ed. Program In Grade Unit

The Upper Adams School Board Monday evening voted to establish a physical education program and a school library in the elementary schools next year and was told that refinancing of the 1960 school bond issue could "save \$50,000 or more" in lower interest rates.

Representatives of Butcher and Sherrard, Philadelphia investment bankers, told members of the school board and the Upper Adams School Authority meeting jointly that the \$1,071,000 service bond issue of 1960 may be financed for 3.1 per cent interest through a refinancing plan. The present rate of interest is 4.1 per cent, but "because of the large money market" which exists today the firm believes that substantial interest savings may result from financing. The joint boards authorized the firm to prepare and present a refinancing program within the next week with the right to reject the proposal, which is to be prepared at no cost to the district.

CENTRAL LIBRARY

The joint meeting was adjourned following the action on refinancing the bond issue, and members of the school board voted to establish an elementary school library in accordance with recommendations of the department of public instruction at the Bigler-ville Elementary School. All books will be rotated among the other elementary schools. Each school will have its own permanent reference library, but other reading materials will be distributed through the central library.

The cost of the program including books will be \$3,600, and will be established by Mrs. Columbia Laughman, librarian, with the help of one elementary teacher.

LEGIONNAIRES TO HOLD DANCE, PLAN PARADE

The Albert J. Lentz Post of the American Legion will be host to the 22nd District of the American Legion April 20 at a dance to be held in the Legion home on Baltimore St., it was announced at Monday evening's meeting by Richard Fox, Commander Dale Bowling and Adjutant William T. Timmins who represented the post at a district meeting on York March 24.

PLAN PARADE

Fox also reported for the Memorial Day Committee and said the parade May 30 will form at 1:30 p.m. and move at 2 p.m. Legion units from throughout the district will be invited to participate.

Timmins reported membership as 721, 38 less than last year. Members were urged to secure as many members as possible, "so we can exceed last year's membership by convention time."

He announced that the Department Convention will be held July 17 to 20 at Pittsburgh. Delegates from the local post at the convention will be selected in connection with the nomination of officers at the May meeting of the post. Officers will be elected at the June meeting.

Commander Dale Bowling expressed his appreciation to members of the post and auxiliary who served in various capacities to "make our birthday dinners last month a great success."

Plans were read for the annual American Legion bowling tournament.

Charge Drivers Before Whitman

Two drivers were taken before justice of the Peace John Whitman, Cumberland Twp., by state police Monday. One was jailed and the other fined \$25 and costs.

Edward J. Martin, 19, Littlestown R. 1, pleaded guilty to a charge of operating a car after his license had been suspended by the state. Bail was set at \$500 and he was jailed for sentence court April 8.

Dale Miller, Wellsville, Pa., was charged with violating a restriction on his driver's license. The state had required that he drive no car but his own. He paid a \$25 fine and the costs of the case to the justice.

Hanover Rd. Detour Goes On Wednesday

A detour will be placed on Rt. 116, the Gettysburg-Bonneauville Rd., starting Wednesday morning and continuing for approximately 14 days, it was announced today by Graham Robinson, acting superintendent of the county highway department.

Detoured traffic will use Lincolnway East, Rt. 30 to Legislative Route 01058 (Granite Station Rd.) where traffic will be permitted to turn south to Bonneauville. Barricades and signs will be erected to direct the traffic.

The detour was decided upon in order to facilitate work on the Rt. 15 bypass at the point it crosses the Gettysburg-Bonneauville Rd.

TELLS ROTARY OF NORTHERN CANADA LURES

Dr. Edmund Hill, of the economics department at Gettysburg College, spoke on "Northern Canada" Monday evening at a meeting of the Rotary Club in the YWCA.

The educator, who was stationed at a U. S. Army Air Force field in northern Manitoba, west of the Hudson Bay during World War II, said, "It is not generally known that the Air Force established three airfields in northern Canada during the war in event it would be necessary to fly to Europe via the North Pole. It never proved necessary and so there were only about 40 or 50 of us at each airbase. We got to see a lot of the country."

Northern Canada is "really water with land between it," he said. "The reason is that the glaciers ground down to the pre-Cambrian rock and thus it is a flat country with numerous lakes, and an involved complex drainage pattern. All the lakes seem connected and it is difficult to determine how one lake drains into another and eventually into the Hudson Bay or the rivers."

GOOD FISHING

"It is marvelous fishing grounds. When it is spawning season you find little streams actually filled bank to bank with fish."

"The muskie which covers part of the area is actually decayed vegetable matter, 20 feet or more deep. It is a spongy material which burns when it dries out. Enroute to the airbase we passed one area where the muskie has been burning for more than 80 years. The fire goes down into the muskie and keeps smoldering and it never goes out despite snow and rain."

"If you watch Gunsmoke on television."

DOERSOM IS HONORED BY GUARD UNIT

Capt. Donald E. Doersom was honored by Howitzer Battery, 104th Armored Cavalry, the local National Guard unit, at its meeting Monday evening in the armory.

Monday night marked the local officer's final meeting with the group with which he has been associated for 15 years, about half of the time as commander. As of Monday he transferred to the Army Reserve because of added duties as manager of the local Doersom's Airport.

First Sgt. James Noel presented Captain Doersom with a covey brief case, bearing Doersom's initials in gold, as a gift.

Report Argentina Revolt Is Crushed In Four Hours

BUENOS AIRES (AP)—Two retired army generals proclaimed a revolt in Argentina today. Four hours later President Jose Maria Guido announced that his government had crushed the effort to oust him.

Navy troops that surrounded Guido's executive palace in downtown Buenos Aires began to withdraw just after the government communique announcing the crushing of the revolt.

The troops, answering a call from the rebel generals, had set up machinegun emplacements throughout the city and road-blocks.

"MARCH AWAY"

But shortly before noon they dismantled their fortifications and marched away.

The rebels had announced their revolt was aimed at blocking elections in which they believed followers of ex-dictator Juan D. Peron would win control.

Guido, struggling to achieve a return to constitutional govern-

COUNCIL WILL PURCHASE NEW POLICE AUTO

Gettysburg's borough council Monday evening authorized the safety committee to secure bids for a new car. George Naugle chairman, said the present vehicle was operated at a cost of five cents a mile for 40,000 miles and a trade-in now would be advantageous.

Purchase of a dozen coats, helmets and boots for the fire department was authorized. Bids from Irvin J. Houck, Hanover, and Manufacturing Co., Pittsfield, were the same price but Houck gave a five per cent discount which reduced the price to \$761.62. The basic price was \$33.60 for each coat, \$16.25 for a helmet and \$16.95 for each pair of boots. The Houck bid was accepted by council.

TO MOVE POLE

Approval was given to move a Metropolitan Edison Co. pole at the former Compil building on Baltimore St. Councilman Philip Jones, in reporting the plan, said the change will save the town \$3 per month in the amount it pays for street lighting. The borough will round the corner of the sidewalk at the alley there.

A cannon buried in the sidewalk after it exploded about 150 years ago during a political rally will be "replanted."

PLANS POOL REPORT

Mrs. Schwenk said she will give a summation pool report to the recreation board April 15. A further report will be given.

PASTORS TOLD ABOUT JAPAN'S CHURCH LIFE

Adams County pastors were given a picture of the life of the Christian Church in Japan at their monthly meeting held Monday morning in the social rooms of the Gettysburg Lutheran Seminary.

The guest speaker was the Rev. Tsuyoshi Sonoda, Japanese Lutheran pastor, who is studying at the local seminary under a two-year exchange study program.

Tracing the history of Christianity in Japan from its beginning there about 400 years ago, Pastor Sonoda said the early history was filled with examples of persecution and martyrdom. Much like the earliest Christians, the had to worship secretly in their homes in order to preserve the church.

COMMITTEE NAMED

Christian Church membership today in Japan involves less than one per cent of the population in Protestant and Roman Catholic Churches combined. Although Christians are no longer persecuted, in many ways they are little more than tolerated by non-Christians. Congregations are usually small and pastor underpaid, but the church that does exist is very active.

Monday's meeting was conducted by the vice president of the pastoral fellowship, Rev. Alfred Gotwalt. A nominating committee consisting of Dr. Paul L. Reaser and Rev. John Z. Martin was appointed.

A discussion was held concerning the hospital chaplaincy program now being conducted in conjunction with students at the Gettysburg seminary. A meeting was planned to discuss the summer program and ways to improve the

Scranton Asks Increase Of Pennsy's Sales Tax

By RICHARD L. GRAVES HARRISBURG (AP) — Gov. Scranton asked the legislature today to expand the state's sales and cigarette taxes to balance a proposed record budget of \$1,121,483,552.

In an address prepared for a joint House-Senate session the governor requested that the 4 per cent sales tax be raised to 4 1/2 per cent and be extended to clothing, which is now exempt.

He requested an additional penny a pack levy on cigarettes, presently taxed at six cents, for the 1963-64 fiscal year beginning July 1, and another penny increase effective in the 1964-65 fiscal year.

The increased and broadened sales tax would produce \$124 million additional revenue. The cigarette tax boost would produce \$13 million in 1963-64 and that much more in 1964-65.

SPECIAL FUND

The budget and revenue program was to finance the state's general fund — the fund that pays for the day-to-day operations of government, subsidies, public assistance and other items.

Special fund budgets — for highways, fish and game commissions, and other specially financed agencies — will be presented later.

The governor said his new revenue needs total \$138,253,552. They include \$21.8 million to cover a deficit from the current 1962-63 budget; \$33.2 million to cover revenue collections below expectations; \$36.2 million to cover mandated increases in the budget and \$47 million to pay for new programs he is seeking.

The Scranton budget compares to a \$1 billion budget proposed by Gov. David L. Lawrence, Scranton's predecessor, in January 1962.

OTHER ITEMS

Scranton said his proposed budget for "the first time since the end of World War II" will seek less appropriations for the actual cost of running the state government.

SCHOOL BOARD WOULD RETAIN REC. BD. POST

Gettysburg Area School Board members went on record Monday evening as favoring continued representation for the board on the Gettysburg Recreation Board of Directors and in a separate action voted to ask the joint school board to share the cost of an additional secretary in the superintendent's office.

No school director has yet been designated for the recreation board position currently held by Robert W. Weaver, the school board president. Mr. Weaver told the directors he understands his term on the "Rec" board is about to expire. Appointments to that board are made by borough council.

The area school board will ask the Gettysburg Joint School Board to approve a second secretary for the superintendent's office with the area board and joint board to share the costs equally.

LOAD GETS HEAVIER

Superintendent H. Edgar Riegle told the board the present secretary, Mrs. Richard Folkenroth, has a "very heavy work load" and it will become heavier with the entry July 1 of Highland Twp. into the area school district. Part of the secretarial work there involves recreation salary work and the recreation board makes an annual contribution toward the secretary's pay.

Financial reports from February and March were read shown.

BURY MRS. OTT

Funeral services for Mrs. Ida A. Ott, who died Saturday in Emmitsburg, were held at 9:30 o'clock this morning from the Wilson Funeral Home, Emmitsburg, followed by a requiem Mass at 10 o'clock in St. Anthony's shrine, the Rev. Fr. Vincent Tomalski, celebrant. Interment was made in the church cemetery.

Pallbearers were Francis, John and Richard Ott, Paul Sutton and John and William Matthews, all grandsons of the deceased.

Fairfield Council Talks Street Work

Members of the Fairfield borough council Monday evening discussed paving N. Spring St. and repaving Franklin St. as part of the street building program for 1963. President Thomas Newman presided at the meeting attended by all council members.

Members were told that the house census, conducted jointly by the borough and the municipal authority, has been completed and will be studied by William Sees, borough engineer, for consideration of a sewer system.

Edward Kane, newly appointed borough secretary, assumed his duties Monday evening. Frank M. Moore, who served as secretary for many years, attended his last meeting. John Andrews, a new resident of the community, also attended.

SHERMAN WILL HEAD RETAIL GROUP AGAIN

Mares Sherman, York St. clothing merchant, was re-elected president of the Retail Merchants' Association at a meeting of the association's board Monday afternoon in the Chamber of Commerce office.

Frank Sapp was elected vice president and Frank Hower was named secretary-treasurer.

The Merchants' Association voted to mark Good Friday again by asking the stores to close Friday afternoon, April 12, from 12 to 3. The stores will then reopen until 9 o'clock that evening. Because of the plans to be closed Friday afternoon, April 12, the stores will be open Thursday afternoon, April 11. Normally most of the local stores are closed on Thursday afternoons.

TO MEET APRIL 22

Plans were made for a general membership meeting Monday, April 22, at 8 p.m. in the Columbia Gas Co. office on York St. At that session activities for the coming year will be discussed and reports presented on the events held by the association during the year.

A lengthy discussion was held by the board Monday afternoon on the problem of raising sufficient funds to meet the cost of the Christmas lights. With the Christmas light fund "again in the red" by several hundred dollars the board agreed that unless some way can be found to encourage larger donations by merchants and public in order to meet the cost of the coming year's lights and pay the deficit from the last several years' operation, "Gettysburg may be without Christmas lights next Christmas season."

The members of the board said they could not understand the lack of support of the lights program because "we have Christmas lights the equal of any town or city in this area."

F. F. FLORENCE DIES MONDAY

Felix F. Florence, 79, well known retired businessman, died at 11:55 o'clock Monday night in the Hanover Hospital where he had been a patient for the last five weeks. His home was at 302 E. King St., Littlestown.

Mr. Florence was a son of the late Sebastian B. and Anna Catherine (Eckendorff) Florence. Surviving are his widow, Myrtle Hyser Florence; a sister, Mrs. Edward Dillon, Baltimore, and two

PAIR ARRESTED

Donald M. Gordon, 29, 154 N. Stratton St., and Nelson E. Myers, 23, 46 E. Middle St., were arrested by borough police this morning at 1:15 o'clock on disorderly conduct charges placed before Justice of the Peace Robert P. Snyder. Police alleged that the two were fighting on Carlisle St. They paid fines and costs before Justice Snyder at 9:30 this morning and were released from jail.

Kennedy Asks Congress For \$4.5 Billion In New Foreign Aid After \$420 Million Cut

WASHINGTON (AP) — President Kennedy asked Congress today for \$4.5 billion in new foreign aid money, slashing \$420 million from the total he proposed before Gen. Lucius D. Clay's aid advisory committee reported the current program is much too big.

Last year Congress cut the aid request to \$3.9 billion, and opponents want to pare even deeper this year.

In a special message to Capitol Hill, Kennedy outlined a six-point program aimed at improving the big overseas assistance program. He drew heavily on findings of the Clay committee with which he agrees.

HAVE ADVANCED FREEDOM

"Our world is near the climax of an historic convulsion," Kennedy said. He declared that U.S. aid will help determine whether large segments of the world chose "consent or coercion" as a way of life.

"Despite noisy opposition from the very first days," Kennedy added, U.S. military and economic help has advanced freedom and the U.S. national interest around the world. Past Democratic and Republican presidents, a bipartisan majority in Congress and among the people and the Clay committee all agree on this, he said.

The presidential message launched the annual legislative battle over the politically unpopular aid bill.

EARLY SKIRMISH

A preliminary skirmish has already been set off by the recent report of the Clay committee, a group of 10 prominent citizens appointed by Kennedy to take a look at the aid program.

The Clay report said a "properly conceived and implemented" effort is essential to U.S. security-words which Kennedy quoted. But the group concluded the current program is a half-billion dollars too big. It passed no judgment.

Council Votes To Ask For Bids To Enlarge Engine House; To Rebuild Street

The town council decided Monday night to ask for bids to enlarge the engine house and to rebuild two blocks of S. Washington St., with amesite from W. Middle St. to Breckenridge St. Councilmen raised the question of whether the construction could continue "as far as the hospital," but decided that because of the cost, about \$9,000, it will be impossible to do more than the two blocks this year and remainder will be done later.

The highway committee will determine which curbs may need to be replaced. Notices will be sent home owners where new curbs are needed. Councilman said H. and H. Machine Shop has offered to change its curbs in connection with the work, which will permit widening of the street slightly along the first half block south of W. Middle St. The work will include placing of a storm drain.

TO RUSH WORK

It is hoped that the work can be completed before the centennial observance in July, when heavy traffic is expected on that street.

The property committee was directed to secure plans and bids for the enlargement of the engine house. This action came after a discussion on a proposed municipal building, the purchase of the Epley building or construct a new building on borough property on E. Middle St.

Councilman Hartzell reported that his property committee had held a public meeting on the proposed plans and "it was reported in The Gettysburg Times better than I could do. I trust you read it. Now I am at the end of my instructions and I need authority from council to proceed."

President Guise commended Hartzell and his community for "the fine work."

TO SEEK AID

There was a lengthy discussion on what to do. It included enlargement of the engine house, build a new one, build a new one on a new site, buy the Epley building, etc.

Guise outlined the cost involved in the various suggestions and that if enlargement of the present building was considered plans would be required.

Council then voted to have the architect complete his work and for the committee to seek bids. It was also decided to apply for federal aid.

The motion also provided for the property committee to enter into a contract with the architect, providing for payment of six per cent of the lowest bid to the architect if the enlargement is completed or for payment of three per cent of the lowest bid or a flat rate of \$7.50 per hour for the work of preparing the plans and construction, whichever is cheaper, if the proposed enlargement is not accepted.

WILL INSPECT NEW SCHOOL ABOUT MAY 15

A final inspection of the interior of the new section of the Franklin Twp. Elementary School will be made about May 15, it was announced following the April meeting of the township's board of school directors Monday evening. The meeting was held at the Casttown school with all members of the board in attendance and with President Thomas O. Oyler presiding.

Arthur Stabler, representing the architects for the new structure, Kookan, Stabler and Associates, New Oxford, met with the board. The directors approved plans for replacing blacktop from the school entrance to the rear of the building, including the parking area. The board also okayed a new concrete walk in front of the building and a blacktop apron at the front to provide parking space for several cars.

The school directors received notice that the township supervisors will assume a third of the cost of the recent township enumeration conducted by the school district. The total cost was about \$372.

The board approved Wednesday, May 8, as the date for preschool and kindergarten registration. Next fall the township school district will begin operation of morning and afternoon kindergarten sessions.

Principal Robert Benchoff told

Scranton Asks Increase Of Pennsy's Sales Tax

By RICHARD L. GRAVES

HARRISBURG (AP)—Gov. Scranton asked the legislature today to expand the state's sales and cigarette taxes to balance a proposed record budget of \$1,121,453,552.

In an address prepared for a joint House-Senate session the governor requested that the 4 per cent sales tax be raised to 4½ per cent and be extended to clothing, which is now exempt.

He requested an additional penny a pack levy on cigarettes, presently taxed at six cents, for the 1963-64 fiscal year beginning July 1, and another penny increase effective in the 1964-65 fiscal year.

The increased and broadened sales tax would produce \$124 million additional revenue. The cigarette tax boost would produce \$13 million in 1963-64 and that much more in 1964-65.

SPECIAL FUND

The budget and revenue program was to finance the state's general fund — the fund that pays

for the day-to-day operations of government, subsidies, public assistance and other items.

Special fund budgets — for highways, fish and game commissions, and other specially financed agencies — will be presented later.

The governor said his new revenue needs total \$138,253,552. They include \$21.8 million to cover a deficit from the current 1962-63 budget; \$33.2 million to cover revenue collections below expectations; \$36.2 million to cover mandated increases in the budget and \$47 million to pay for new programs he is seeking.

The Scranton budget compares to a \$1 billion budget proposed by Gov. David L. Lawrence, Scranton's predecessor, in January 1962.

OTHER ITEMS

Scranton said his proposed budget for "the first time since the end of World War II" will seek less appropriations for the actual cost of running the state government.

SCHOOL BOARD WOULD RETAIN REC BD. POST

Gettysburg Area School Board members went on record Monday evening as favoring continued representation for the board on the Gettysburg Recreation Board of Directors and in a separate action voted to ask the joint school board to share the cost of an additional secretary in the superintendent's office.

No school director has yet been designated for the recreation board position currently held by Robert W. Weaver, the school board president. Mr. Weaver told the directors he understands his term on the "Rec" board is about to expire. Appointments to that board are made by borough council.

The area school board will ask the Gettysburg Joint School Board to approve a second secretary for the superintendent's office with the area board and joint board to share the costs equally.

LOAD GETS HEAVIER

Superintendent H. Edgar Riegler told the board the present secretary, Mrs. Richard Folkenroth, has a "very heavy work load" and it will become heavier with the entry July 1 of Highland Twp. into the area school district. Part of the secretarial work there involves recreation salary work and the recreation board makes an annual contribution toward the secretary's pay.

Financial reports from February and March were read showing

BURY MRS. OTT

Funeral services for Mrs. Ida A. Ott, who died Saturday in Emmitsburg, were held at 9:30 o'clock this morning from the Wilson Funeral Home, Emmitsburg, followed by a requiem Mass at 10 o'clock in St. Anthony's shrine, the Rev. Fr. Vincent Tomalski, celebrant. Interment was made in the church cemetery. Pallbearers were Francis, John and Richard Ott, Paul Sutton and John and William Matthews, all grandsons of the deceased.

198 Beginners Registered Here

One hundred ninety-eight children were registered and tested Thursday at Keefeauver Elementary School, Elementary Coordinator Richard A. Folkenroth said. This number is about the same as last year.

There are additional children who should be registered as soon as possible and this may be done at the Keefeauver School office any day between 9 a.m. and 3 p.m., Mr. Folkenroth said.

No child will be admitted to school until properly registered.

RURAL CHILD WELFARE UNIT PLANS DINNER

Dr. Charles Glatfelter, dean of Gettysburg College, will speak on "Adams County's Part in the Civil War" Thursday evening at 7 o'clock at the annual Adams County Child Welfare Services dinner at Arendtsville National Bank.

Dr. Lloyd C. Keefeauver, president of the Advisory Board of the Child Welfare Services, will be master of ceremonies at the dinner session for which 75 have made reservations.

Rev. John S. Bishop, associate pastor of St. James Lutheran Church here, will give the invocation. Mrs. C. William Settle will lead group singing accompanied at the piano by Miss Carol Houck.

OTHER SPEAKERS

Miss Dorothy Curtis, Child Welfare secretary, will present the annual report of that organization. Others scheduled to speak

(Continued On Page 3)

SUNRISE SERVICES

Easter Sunrise services will be held at 6 o'clock Easter morning at Grace Baptist Church near Fairfield. Members of the Ladies' Missionary Society will be the leaders. Mrs. Terry Shuyler will conduct the meditation, Mrs. E. W. Coddington will be the song leader, Mrs. Addie Short will be in charge of the music and Mrs. Glenn Hess, pianist.

Fairfield Council Talks Street Work

Members of the Fairfield borough council Monday evening discussed paving N. Spring St. and repaving Franklin St. as part of the street building program for 1963. President Thomas Newman presided at the meeting attended by all council members.

Members were told that the house census, conducted jointly by the borough and the municipal authority, has been completed and will be studied by William Sees, borough engineer, for consideration of a sewer system.

Edward Kane, newly appointed borough secretary, assumed his duties Monday evening. Frank M. Moore, who served as secretary for many years, attended his last meeting. John Andrews, a new resident of the community, also attended.

SHERMAN WILL HEAD RETAIL GROUP AGAIN

Mares Sherman, York St. clothing merchant, was re-elected president of the Retail Merchants' Association at a meeting of the association's board Monday afternoon in the Chamber of Commerce office.

Frank Sapp was elected vice president and Frank Howe was named secretary-treasurer.

The Merchants' Association voted to mark Good Friday again by asking the stores to close Friday afternoon, April 12, from 12 to 3. The stores will then reopen until 9 o'clock that evening. Because of the plans to be closed Friday afternoon, April 12, the stores will be open Thursday afternoon, April 11. Normally most of the local stores are closed on Thursday afternoons.

TO MEET APRIL 22

Plans were made for a general membership meeting Monday, April 22, at 8 p.m. in the Columbia Gas Co. office on York St. At that session activities for the coming year will be discussed and reports presented on the events held by the association during the year.

A lengthy discussion was held by the board Monday afternoon on the problem of raising sufficient funds to meet the cost of the Christmas lights. With the Christmas light fund "again in the red" by several hundred dollars the board agreed that unless some way can be found to encourage larger donations by merchants and public in order to meet the cost of the coming year's lights and pay the deficit from the last several years' operation, "Gettysburg may be without Christmas lights next Christmas season."

The members of the board said they could not understand the lack of support of the lights program because "we have Christmas lights the equal of any town or city in this area."

F. F. FLORENCE DIES MONDAY

Felix F. Florence, 79, well known retired businessman, died at 11:55 o'clock Monday night in the Hanover Hospital where he had been a patient for the last five weeks. His home was at 302 E. King St., Littlestown.

Mr. Florence was a son of the late Sebastian B. and Anna Catherine (Eckernode) Florence. Surviving are his widow, Myrtle Hyser Florence; a sister, Mrs. Edward Dillon, Baltimore, and two

Kennedy Asks Congress For \$4.5 Billion In New Foreign Aid After \$420 Million Cut

By LEWIS GULICK

WASHINGTON (AP)—President Kennedy asked Congress today for \$4.5 billion in new foreign aid money, slashing \$420 million from the total he proposed before Gen. Lucius D. Clay's aid advisory committee reported the current program is much too big.

Last year Congress cut the aid request to \$3.9 billion, and opponents want to pare even deeper this year.

In a special message to Capitol Hill, Kennedy outlined a six-point program aimed at improving the big overseas assistance program. He drew heavily on findings of the Clay committee with which he agrees.

HAVE ADVANCED FREEDOM

"Our world is near the climax of an historic convulsion," Kennedy said. He declared that U.S. aid will help determine whether large segments of the world chose "consent or coercion" as a way of life.

"Despite noisy opposition from

Council Votes To Ask For Bids To Enlarge Engine House; To Rebuild Street

ROTC OFFICER SPEAKER FOR LOCAL LIONS

Changing concepts in the U. S. Army were the subject of an illustrated talk given to the Gettysburg Lions Club Monday evening by Capt. Millard Valeris of the Army ROTC staff at Gettysburg College.

The Lions distributed tickets for a charity fund benefit dinner to be held at the VFW home May 20 when a 1963 Chevrolet hardtop will be given as a prize. Two hundred tickets are on sale by Lions at \$25 each for the dinner. Ten other prizes worth \$25 each also will be given at the dinner.

Kenneth G. Reinhardt Jr. and his fund raising committee are in charge of the project.

FAIRFIELD CLUB LEADS

Deputy District Governor William Lau of Spring Grove attended the meeting and reported that the Fairfield Lions Club was leading in the zone point contest at the end of February with Spring Grove and Hanover tied for second and third places and the Gettysburg club fourth.

Capt. Valeris, a veteran of Korean duty and service in Germany, said technological changes in the Army are no greater than the changes in the types of service which the Army has been called upon to render since World War II. Army personnel has been required to learn and teach guerrilla warfare, serve as "ambassadors" abroad and teach other peoples to fight their own battles. Recruiting is an important part of ROTC duty now, he said.

The key to the new look in Army organization now is mobility, the speaker said as he showed color photos of the Honest John and Little John missiles, new infantry weapons, artillery that has been basically unchanged for a number of years and the use of "copters for moving troops rapidly. He said the "copters are

(Continued On Page 2)

Fiscel Funeral To Be Held Thursday

Funeral services for Guy A. Fiscel, 66, of 216 E. Lincoln Ave., who died Monday at the Warner Hospital, will be held Thursday afternoon at 2 o'clock from the Bender Funeral Home, Carlisle St., with the Rev. Dr. Paul Reaser officiating. Interment in Evergreen Cemetery. Friends may visit the funeral home Wednesday evening from 7 to 9 o'clock. The deceased was a member of Anacostia Lodge 21, F. and A. M. of Washington, D. C., and Columbia Chapter No. 1 and of the Washington Commandery.

PAIR ARRESTED

Donald M. Gordon, 29, 154 N. Stratton St., and Nelson E. Myers, 23, 46 E. Middle St., were arrested by borough police this morning at 1:15 o'clock on disorderly conduct charges placed before Justice of the Peace Robert P. Snyder. Police alleged that the two were fighting on Carlisle St. They paid fines and costs before Justice Snyder at 9:30 this morning and were released from jail.

The town council decided Monday night to ask for bids to enlarge the engine house and to rebuild two blocks of S. Washington St., with amesite from W. Middle St. to Breckenridge St. Councilmen raised the question of whether the construction could continue "as far as the hospital," but decided that because of the cost, about \$9,000, it will be impossible to do more than the two blocks this year and remainder will be done later.

The highway committee will determine which curbs may need to be replaced. Notices will be sent home owners where new curbs are needed. Councilmen said H. and H. Machine Shop has offered to change its curbs in connection with the work, which will permit widening of the street slightly along the first half block south of W. Middle St. The work will include placing of a storm drain.

TO RUSH WORK

It is hoped that the work can be completed before the centennial observance in July, when heavy traffic is expected on that street.

The property committee was directed to secure plans and bids for the enlargement of the engine house. This action came after a discussion on a proposed municipal building, the purchase of the Epley building or construct a new building on borough property on E. Middle St.

Councilman Hartzell reported that his property committee had held a public meeting on the proposed plans and "it was reported in The Gettysburg Times better than I could do. I trust you read it. Now I am at the end of my instructions and I need authority from council to proceed."

President Guise commended Hartzell and his community for "the fine work."

TO SEEK AID

There was a lengthy discussion on what to do. It included enlargement of the engine house, build a new one, build a new one on a new site, buy the Epley building, etc.

Guise outlined the cost involved in the various suggestions and that if enlargement of the present building was considered plans would be required.

Council then voted to have the architect complete his work and for the committee to seek bids. It was also decided to apply for federal aid.

The motion also provided for the property committee to enter into a contract with the architect, providing for payment of six per cent of the lowest bid to the architect if the enlargement is completed or for payment of three per cent of the lowest bid or a flat rate of \$7.50 per hour for the work of preparing the plans and construction, whichever is cheaper, if the proposed enlargement is not accepted.

WILL INSPECT NEW SCHOOL ABOUT MAY 15

A final inspection of the interior of the new section of the Franklin Twp. Elementary School will be made about May 15, it was announced following the April meeting of the township's board of school directors Monday evening.

The meeting was held at the Cashtown school with all members of the board in attendance and with President Thomas O. Oyster presiding.

Arthur Stabler, representing the architects for the new structure, Kookan, Stabler and Associates, New Oxford, met with the board. The directors approved plans for replacing blacktop from the school entrance to the rear of the building, including the parking area. The board also okayed a new concrete walk in front of the building and a blacktop apron at the front to provide parking space for several cars.

The school directors received notice that the township supervisors will assume a third of the cost of the recent township enumeration conducted by the school district. The total cost was about \$372.

The

38 Persons Lose Lives In State Over Weekend; 20 Killed On Highways

By THE ASSOCIATED PRESS

Two shattering highway crashes within 20 miles of each other Sunday claimed eight lives as Pennsylvania roads were turned into a bloodbath by a rash of weekend traffic accidents.

Twenty persons died in traffic mishaps—the highest weekend toll this year. Additionally six members of one family died in a fire and another person suffocated during the grim weekend.

SETS NEW RECORD

The total of traffic fatalities surpassed the previous high of 16 recorded during the four-day holiday weekend of Dec. 28-Jan. 1. That weekend, however, a rash of fires and other mishaps made the total number of persons killed accidentally to 38.

Near Jonestown in Lebanon County five persons were killed when a car crossed a media strip and collided with another.

Berlin and Hua She of Binghamton, N.Y., and Victor S. Fu of Washington, D.C., Mrs. She's brother, were killed outright.

Mrs. Liselotte Wadsworth, 34, and her 15-year-old daughter Judy, both of Harrisburg, died later in hospitals. Four other persons were hospitalized in fair condition.

SPEEDER BLAMED

Near Towanda, Pa., about 20 miles to the north in Schuylkill County, a three-car crash claimed three lives. State police blamed the crash on a car traveling at "a terrific rate of speed."

Police said the victims included the driver of the speeding car, Terry Lee Lucas, 16, of Towanda, City R. 1, and a passenger, William Witmer, 14, of Towanda, City, and Lloyd F. Artz, 67, of Valley View, a passenger in another car. Four others were injured.

At Towanda in northeastern Pennsylvania, an early morning fire Sunday virtually wiped out the family of Gerald Prymer.

Prymer's wife, Barbara, 35, and their five children, Bonnie Sue, 4, Charles Edmund, 3, Genevieve, 2, Dorothy 1 and John, nine days, perished in the fire which swept their home.

Prymer was critically burned and was hospitalized in Sayre.

Suffer from ARTHRITIS

Rheumatism?

Your doctor can tell you there is no known cure for these conditions. However, good, fast relief from nagging pain attacks of minor arthritis, rheumatism, backaches and muscular aches can be yours when you take PRUVO. There is nothing faster, safer or more effective. TERROR GRIPS TOWN, POLICE SEEK FIREBUG

TOWANDA, Pa. (AP) — State police investigators checked the possibility today a fire bug is prowling the neighborhood where flames killed a mother and her five children Sunday and left the father critically burned.

Terrified residents of this northwestern Pennsylvania town's first ward spent the night taking turns standing guard after two fires broke out within hours of the fatal blaze that all but wiped out the Gerald Prymer family.

"Both fires were deliberately set," said Police Chief Dean Meredith. "There may be a fire bug loose in the first ward."

Killed in the pre-dawn blaze Sunday that destroyed the Prymers' two-story frame home, were Mrs. Barbara Prymer, 35, and her children: Bonnie Sue, 4, Charles Edmund, 3, Genevieve, 2, Dorothy, 1 and John, nine days.

They were to be buried today in a single grave. The Prymer fire was apparently an accident.

FATHER CRITICAL

The father, Gerald, 35, remained in critical condition at Robert Packer Hospital in nearby Sayre.

Firemen said all in the family were sleeping in second floor bedrooms when apparently awakened by the fire. Prymer got his wife and children to a window, then stepped out onto a porch.

Before his wife could hand through any of the children, the porch collapsed dropping Prymer to the ground amid burning debris. Burned and cut severely, Prymer crawled to the home of his stepfather, William Rowe, 200 yards away.

Firemen said the blaze appeared to have started in the cellar and at first said it might have been caused by defective electrical wires.

Bradford County Coroner Gerald Vickey said the side of the stairway the parents went to was badly burned while the other side, where there was no window, was hardly touched at all.

"The house was engulfed in flames when we got there," said Towanda Fire Chief Ivan Jones. "We didn't know there was anybody inside and weren't able to find out until we knocked the fire down."

The house was still burning when firemen entered it and began wrapping those inside in blankets and hauling them down a ladder.

A Lovelier You

By MARY SUE MILLER

BEAUTY EMBARRASSMENT.

Asks a reader: What's the safe way to remove fuzz on the upper lip? Plagued as I am, I

hesitate to attempt removal for fear of encouraging growth or harming my skin.

For all "fearfuls," this answer. Approved methods for treating unwanted hair on the face neither accelerate growth nor affect normal adult skin. But please note, a physician must be consulted before any method is applied to a teen face, to a complexion blemished by rash or eruption, and to allergy-susceptible skin.

Otherwise you are free to use whatever method best suits your needs. A summary of various processes follows:

When the growth is scanty, bleaching conceals it. Beauty salons are equipped for the job, or you can do it yourself with a recognized brand of bleach.

For heavy growths removal is recommended, and it takes several forms. Cream and wax depilatories make a clean sweep, although the effect is temporary. Regrowth, however, is slow and unstubbed. As creams are simpler to apply at home, waxes are dispensed mostly by trained salon operators.

Before the first self-application of bleach or depilatory, it is wise to make a small patch (reaction) test on the arm. Instructions on the package regarding use must be followed to the letter.

Another form of depilation, electrolysis, offers permanent effects. A woman with a serious problem would do well to ask her doctor's advice on a good electrologist. And then to investigate the cost and time required.

Scott Wants More "Aid To Friends"

PHILADELPHIA (AP) — Sen. Hugh Scott, R-Pa., says the United States should end its aid to Indonesia and Yugoslavia and give "a little more thought to the continuing needs of our real friends."

Scott told a Greek Independence Day dinner Sunday night "it is certainly ironic that as we cut back aid to Greece, we continue to bolster the predatory ambitions of Indonesia's President Sukarno with our taxpayers' dollars."

The senator commended Greece and Israel for efforts to shoulder their own burdens. But he attacked aid to Yugoslavia as contributions to "a Communist country that never seems sure how far it will stray from Moscow."

ALTOONA (AP)—Doses of Type I of the Sabin oral polio vaccine were given Sunday to 85,000 of Blair County's 139,000 residents.

Dr. Marvel Keagey, chairman of the project, said, "The response was marvelous."

The doses were administered at 19 clinics set up throughout the county.

how to manicure and pedicure, use deodorants and depilatories, bathe for beauty, tend feet, hands, teeth and eyes, polish skin and hair, care for clothes, apply perfume, overcome personal posers. To obtain your copy, write Mary Sue Miller, Box 163, The Gettysburg Times, Dundee, Ill., enclosing a large, self-addressed, stamped envelope and 20 cents in coin.

FARMERS HEAR DAIRY LEADERS ON MILK FIGHT

The status of hearings on federal orders regulating milk in the area was outlined Monday evening at a meeting of the Biglerville and York Springs locals of Interstate Milk Producers Cooperative in the West St. Branch building.

J. Lin Huber, St. Thomas, president of Interstate; David Litton, Boonsboro, Md., director of District 25, and Roy Weaver Jr., Gettysburg R. D., delegate from the Biglerville local to the Interstate sessions, were the speakers.

They reported that so far dairy farmers from central Pennsylvania, the eastern shore of Maryland and southern New Jersey have asked retention of the present handler pool type of pricing in the Philadelphia-Wilmington-South Jersey area at the hearings being held at Philadelphia before a U. S. Department of Agriculture examiner.

Huber reported he told the examiner that "the handler pool is the only legitimate economic protection that we as producers have to keep unnecessary milk from landing in the Philadelphia market." The handler pool provides for payment of prices to farmers dependent upon the individual dealers' utilization rather than payment based on a market-wide pool.

The handler type pool, he said "tends to maintain production in line with market needs and retains quality as well as quantity." A market pool, he said, "tends to encourage overproduction for manufacturing purposes." He reported on statements made at the hearing by New Jersey dairymen that under the market pool in the New York-New Jersey Order area small dealers "are finding it more and more difficult to stay in business."

The New Jersey dairymen not now under it are seeking inclusion in the present Philadelphia area order with its handler pool method of payment, Huber said. Huber also held that the Pennsylvania Milk Control Commission law of 1936 "is good as long as it is devoid of politics."

SEEK TO SOLVE PARKING ISSUE

In an effort to solve the massive parking problem that will arise in Gettysburg during the battle centennial exercises in July, local police are working under Mayor William G. Weaver in conjunction with state police. A recent survey of spaces available in Gettysburg revealed that there are at least 38 lots in town that will hold from 15 to 530 cars. This survey did not cover the present commercial lots, Weaver said, nor the area at the Gettysburg College which the centennial commission is considering.

It was pointed out by local authorities that these lots are on private land and that the owners can prohibit parking on them. However, it is hoped, Weaver said, that visitors will be allowed to use them. "If the owners desire to make a charge, that is their privilege, but for the good name of our town as hosts to thousands the charge should not be exorbitant," Weaver said.

The biggest problem within the borough will be the day of the parade. Parking for services at the Eternal Light Peace Memorial June 29 at the Angle is being worked out by state police, under Major Kime and his staff, Weaver added.

March Was Warm, Wet At Arendtsville

Rainfall and temperatures were above normal last month at the Arendtsville weather station, according to reports compiled by the observer there, Dr. Frank N. Hewetson.

March temperatures averaged 41.05 which is 1.75 degrees above normal and 3.3 degrees above the same month last year. The range was from 78 on March 26 to 22 on March 14. The average daily high was 50.7 degrees and lows averaged 31.4 degrees.

Precipitation totaled 4.58 inches and included four inches of snow. The total figure is eight-tenths of an inch above normal and 0.98 inches above March of last year.

Precipitation for the first quarter of this year totals 8.1 inches at Arendtsville. That is 1.32 inches below normal and 2.61 inches below the first quarter of 1962.

DINNER SESSION

County and community Agricultural Stabilization and Conservation committees from throughout this area, including the Adams County members, will meet Wednesday at the Chalet at Dillsburg for an all-day session in the 1964 ASCS program, particularly wheat legislation, in order to have all information on hand before the wheat referendum May 21.

DRIVER JAILED

George Oyler, York, was arrested Monday by borough police on a charge of driving while his license was suspended brought before Justice of the Peace Anna Thompson. He posted \$500 bail for appearance before the court.

Social Happenings

For Social News Phone 334-4613 or 334-1131
Call 334-4613 for Social News ONLY

Mrs. Loretta Johnson and Mrs. Dorothy Goldsmith, Long Island, N.Y., spent the weekend with Mr. and Mrs. William Cunningham R. 2.

The VFW Auxiliary will meet Wednesday evening at 8 o'clock at the VFW home, East Middle St. A homemade quilt will be presented at the meeting, Ruth M. Miller, secretary, announced.

Fred Gay, Mexico City, has returned to his home after spending some time with Mr. and Mrs. Earl Myers, York St.

Miss Evelyn "Bonnie" Gaston, daughter of Mrs. Katherine D. Gaston, R. 4, represented Pennsylvania State University Concert Band's percussion section in the sixteenth annual Pennsylvania Interscholastic band concert, which was held at Bloomsburg State College. The guest conductor was Dr. William Revell, director of the University of Michigan band. This is Miss Gaston's fourth year as a member of the band.

Mrs. Roy H. Hammond, retiring president of the YWCA board, will install officers at the Annie Danner Club this evening at 7:15 o'clock. New members will be initiated. At 8 o'clock the Rev. Edwin Wentz, Lutheran missionary from Japan, will give an illustrated talk as the fifth and last of the Lenten services which the club has been presenting each Tuesday evening. The public is invited to the latter service.

Members of the Wesley College Fellowship of the Methodist Church participated in a weekend retreat Sunday at Mt. Asbury, the new Methodist camp site near Carlisle. Mr. and Mrs. Kenneth Reinhardt are the counselors of the group.

Mr. and Mrs. Robert Oyler, Northumberland, were weekend guests of Mr. Oyler's brother-in-law and sister, Mr. and Mrs. C. R. Wolff, York St.

The Women of St. James Lutheran Church will hold their monthly business meeting Thursday evening in the Maude Miller room, the administrative committee at 7 o'clock and the executive board at 8, it has been announced by the president, Mrs. Horace H. Waybright.

The regular meeting of the Auxiliary of the Sons of Union Veterans met Monday evening at the post room on E. Middle St. The president, Mrs. Amanda Walker, presided with 10 members and one guest in attendance. A household products demonstration was given by Mrs. Anna Hess. A door prize was awarded to Mrs. Goldie Hess. The next meeting will be held Monday, April 15, at 7:30 p.m. at the post room.

The Gettysburg Council of United Church Women includes a representative from each Protestant church in Gettysburg. The list of representatives for the current year as recently announced by Mrs. Paul L. Reaser are: St. Paul's A.M.E. Zion, Mrs. Sterling Adams; Baptist, Mrs. Paul Metz; Christ Lutheran, Mrs. John E. Keller; Church of the Brethren, Mrs. Ralph Simpson; Church of the Nazarene, Mrs. Kent Withrow; Prince of Peace Episcopal, Mrs. John Kershaw; Memorial EUB, Miss Florence Slonaker; Foursquare Gospel, Mrs. William Waddell; Methodist, Mrs. Barbara Spicer; Presbyterian, Mrs. Richard Newsham; St. James Lutheran, Mrs. Katherine Rightmyer; Trinity Reformed, Mrs. Virginia Lohuis. The officers of the council, in addition to Mrs. Reaser, are vice president, Mrs. Cyrus Bucher, Biglerville; recording secretary, Mrs. Robert Koons; treasurer, Mrs. Louise Hoffman.

The board of the Business and Professional Woman's Club will meet Thursday evening at 7 o'clock followed by a business meeting at 8 o'clock when officers will be elected. Mrs. Lee M. Hartman is chairman of the nominating committee. The regular dinner meeting of the club will not be held next Thursday due to Holy Week. The date has been changed to April 25.

Mr. and Mrs. M. O. Rice, 785 Baltimore St., observed their 55th wedding anniversary Monday. Mrs. Rice is the former Miss Helen Scott.

Both sections of the confirmation class of St. James Lutheran Church will rehearse Saturday at 9:30 a.m. All members are expected to be present. Forty-six young people will be confirmed on Palm Sunday.

Mrs. C. Ross Shuman has returned to her home at 50 E. Broadway after spending a month at Fort Lauderdale, Fla., with her son-in-law and daughter, Mr. and Mrs. Harold Fowler.

YOUNG MAN JAILED

Elmer Myers, 23, 74 W. King St., Littlestown, was placed in the county jail Monday evening charged by Littlestown police before Justice of the Peace Eugene Long with disorderly conduct.

'DUDEY' MOORE QUILTS; PHELAN MAY GET POST

PHILADELPHIA (AP) — Donald (Dudey) Moore quit unexpectedly Monday as LaSalle College basketball coach.

He gave no reason for resigning but friends said he was disturbed by student and alumni reaction after he was hanged in effigy February 14 when his team lost to hometown rival Penn after 10 straight victories.

Moore had been at LaSalle five years, coming here from Duquesne University, where he coached the court team for 10 years.

His resignation was accepted promptly by college officials who said applications to fill the job are being accepted.

Athletic Director James J. Henry said a few applications had been received in the past few weeks, apparently from coaches who figured Moore planned to quit.

BRILLIANT RECORD

Moore's teams, since 1958, won 79 games, lost 37. His last squad, with a 16-7 record, played in the National Invitation Tournament in New York but was eliminated in the first round by St. Louis University.

Moore succeeded Jim Pollard at LaSalle, which considers basketball its major sport since it doesn't field a football team.

Speculation centered around an alumnus succeeding Moore. Mentioned prominently were Jimmy Phelan, coach at Mt. St. Mary's College; Charles Adonnelly, LaSalle's freshman court coach, and Tom Gola, former All-American now playing with the New York Knickerbockers of the National Basketball Association.

2 INJURED IN 3-CAR CRASH

Two persons were injured when three cars collided on the Carlisle-Hanover Rd. north of Cross Keys Monday night at 9:40 o'clock.

State police said Arthur Peterman, 60, Hanover St., New Oxford, drove out from the parking lot at the Pixie Tavern onto Rt. 94. His car was struck in the rear by a southbound auto operated by George Slothour, 21, New Oxford R. 1, and Slothour's car was in turn struck in the rear by a southbound vehicle driven by Earl J. Kaiser Jr., 18, New Oxford.

Slothour suffered internal injuries and a laceration of the chin. He was removed by the New Oxford ambulance to the Hanover Hospital. Peterman suffered a back injury but did not immediately seek medical treatment, police said.

Damage was estimated at \$75 to the Peterman car, \$350 to Slothour's vehicle and \$600 to Kaiser's auto. New Oxford firemen were summoned to wash gasoline and debris off the road.

ROTC OFFICER

(Continued From Page 1) getting a real test currently in Vietnam. After his talk he answered questions.

Capt. Valeris was introduced by Program Chairman Wilbur Varian. The meeting was held at the VFW home with about 50 members and guests in attendance. A meeting of the board of directors followed the club session.

HOSPITAL REPORT

Admissions: Mrs. Larry Huff, Littlestown R. 1; Mrs. Nevin E. Warner, R. 1; Mrs. Kenneth R. Calliflower, Westminster R. 7; Mrs. Allen Holt, Thurmont R. 7; Mrs. James E. Strausbaugh, R. 5; Paul E. Morris, Taneytown; Miss Thea E. Crandell, 430 College Ave.; Mrs. Cletus Culp, Biglerville R. 1; John C. Bowers, R. 1; John W. Deatrick, R. 1; Mark M. Spangler, Littlestown R. 2; Mrs. Dewey Baumgardner, Littlestown; Mrs. Richard M. Shaffer, Gardners R. 2.

Discharges: Milton E. Crouse, Taneytown; Samuel B. Noel, Biglerville R. 2; Guy R. Krom, Emmitsburg R. 2; Mrs. Philip Zentz, Thurmont; Clyde E. Harner, Littlestown R. 1; Mrs. Charles L. Vial and infant daughter, 64 W. Middle St.

STUDENTS NOISY

Borough police were summoned at 3:30 this morning, when according to the officers, seven Mount Saint Mary's College students were making noise at Sixth and York Sts. The officers learned that the young men's car had run out of gas at that point. After interrogation, the seven were released.

LICENSED HERE

A marriage license was issued today at the courthouse to Howard Wilson Lewis Jr. and Mary Frances Jackson, both of Carlisle.

CRUSADE ENDS SUNDAY NIGHT

The 13th annual evangelistic crusade held in Centenary EUB Church, Biglerville, closed Sunday night with 400 persons in attendance. Evangelist Arnold O. Willis, Huntington, W. Va., spoke on "Pan-o-Rama of Prophecy" from a chart, copies of which were shared with those in attendance. Music was provided by Mr. and Mrs. Herman Smith, York; the Jacobs Brothers' quartet, East Berlin; Rev. Willis, and the Crusade Choir of 50 voices.

Twenty-six services were held during the crusade which opened March 10. The total attendance was 5,505 with an average attendance of 212 for the three weeks. There were 45 decisions for Christ of which 45 were classified as conversions and 9 as rededications.

During the first week of the crusade the emphasis was on missions with a missionary support goal of \$4,000 in commitments for the next year. A total of 95 commitments were made in the amount of \$4,110. This amount is beyond the regular missionary and benevolence budget of the church and is shared with 12 missionaries who are partially supported by Centenary Church.

Rev. Laverne E. Rohrbaugh is the pastor.

2 Rangers Take Special Courses

John B. Rogers and Albert C. Schneider, rangers for the Gettysburg National Military Park, last week completed one special course of instruction at Vanderbilt Mansion National Historic Site, Hyde Park, N. Y., and Monday began another week-long course there.

Schneider and Rogers were two among 33 men from 23 areas of the National Park Service in the 16-state Northeast Region selected for the training courses.

Last week they underwent an accelerated course in structural fire control, developed and presented by the Office of Local Government, Division of Fire Safety, state of New York. The course included 20 hours of classroom lectures on the latest in the fire control techniques and 20 hours of field demonstrations and exercises.

At the conclusion of last week's course the rangers were presented with certificates by Wilbur L. Savage, chief of the Regional Division of Ranger Services. Monday the group began a 20-hour course on forest fire control and a 20-hour course in law enforcement.

MAKE CHANGES IN PHONE RATES

Local telephone users will share in the reduction of charges for certain station-to-station long distance telephone calls effective Thursday, April 4. The lower rates will apply daily between 9 p.m. and 4:30 a.m. on calls covering a distance of more than 220 miles. A spokesman for United Telephone Company reported that under the new schedules the maximum after 9 p.m. charge for a three-minute station to station call from Gettysburg to any point on the West Coast would be \$1.00.

Coincidental with the new station-to-station rates, person-to-person charges will be advanced five or ten cents on calls up to 800 miles.

Tariff revisions designed to make its charges for long distance service uniform with intra and interstate rates of other telephone companies have been filed by the United Telephone Company with the Pennsylvania Public Utility Commission.

COLLEGE BOYS INJURED IN MD.

Maryland state police investigated an accident at 12:35 a.m. Sunday which sent two Gettysburg College students to Frederick Memorial Hospital with minor injuries.

Police said George C. Newman Jr., of Ithaca, N. Y., was traveling north on Route 15 in a 1961 Corvair, when the right wheels of his auto apparently slipped off the right side of the road, causing Newman to lose control of his vehicle. Police said the car then crossed to the left side of the road where it came to rest.

Newman and a passenger in the car, William F. Baker, of Massapequa, N. Y., were taken to Frederick Memorial Hospital where Newman was treated for a scalp laceration and Baker, for abrasions of the back. Officials at the hospital said both were released.

LOST AND FOUND

Frances McDowell, Greensburg, rapidly located her missing wallet Monday afternoon at 2 o'clock. She called borough police here, stating she thought she left her black and white wallet in a candy store near the center of town. Police checked the Gift and Goody Shop and learned that it was seeking the owner of a black and white wallet, and then notified Mrs. McDowell they would mail the wallet to her.

Upper Communities

Telephone Mrs. John Leeti, Biglerville 677-7612

A meeting of the Student Council of Biglerville High School was held at the school on Monday.

National FHA Week is being held March 31 to April 6 to honor FHA members and homemakers over the world. The Biglerville Junior High School FHA Chapter has planned a program for every day in the week as follows: Sunday, attend church and do something special in the home; Monday, announcement of activities for the week; Tuesday, all FHA members wear red and white in honor of the FHA colors; Wednesday, wear red ribbon roses, the FHA flower, which each member has made; a tea for the teachers and members and visit to County Home to distribute cookies on Thursday and Friday; and each Saturday each girl will do something to help a family member.

Mrs. Grim Bowers and son, Herbert, Aspers R. 1, are spending a few days in Cumberland, Md.

David Cahoon and daughter, Mary, and son, Woody, and Mr. and Mrs. Herman G. Hartman and children, Claire, Rusty, and Paul, Rockville, Md., spent the weekend at Log Lodge in the Narrows.

Aspers Cub Pack 161 met at the

Aspers fire hall Friday evening for its monthly meeting. A special flag ceremony using the new American flag Cub Scout flag, and the four den flags was held. The following awards were presented by the Scoutmaster, George Weaver Jr.: Richard Mansberger, wolf and gold arrow patch; Gregory Day, gold arrow patch under wolf; Steve Heller, silver arrow under bear; Keith Beam, gold arrow under wolf; Richard Dennis, wolf patch; Wayne Gantz, gold arrow patch under wolf; Douglas Koonz, silver arrow patch under bear; Joe Mansberger, lion patch; Mark Tuckey, wolf patch; Robert Brough, wolf patch; Douglas Weaver, gold arrow under bear; John Baugher, gold and silver arrow patch under wolf; Randy Barbour, James Mickley, and Kevin Taylor, bobcat pins. Tomatoes, hat bands, and other Indian items were made and Scouts did an Indian dance. Refreshments were served by the den mothers, Mrs. Robert Mansberger, Mrs. John Nimmon, Mrs. Paul Taylor, and Mrs. George Weaver Jr.

The Society of Farm Women of Adams County, Group One, will meet Friday evening at 7:30 o'clock at the home of Mrs. Mary Long, Gardners R. 1. Easter hats at 25 cents or more, made by members, are to be worn to the meeting.

An operetta entitled, "Spring Glow," will be presented by the third and fourth grades of the Biglerville Elementary School Thursday evening at 8 o'clock in the Biglerville High School auditorium.

Trinity Lutheran Church, Arendtsville, Dorcas Circle meeting, Thursday afternoon, 2 o'clock, church parlor. Church Council, Thursday evening, 7:30 o'clock.

Biglerville Lutheran Parish, Lenten service, Wednesday evening, 7:30 o'clock, at Bender's Church, Butler Township. Sermon theme, "The Christian's Bible."

MOSCOW (AP)—The Soviet Union announced they fired an unmanned 3,130-pound research vehicle toward the moon today from the orbit of an earth satellite. A Soviet astronomer hinted it may land a robot observatory on the moon's surface.

This is part of the Soviet preliminary work in a race with the United States to be the first to land men on the moon. Tass, the Soviet news agency, said the automatic instrument station will reach the area of the moon in 3½ days, apparently meaning sometime Saturday.

DEATHS

Oscar G. Mummert
Oscar G. Mummert, 72, formerly of the East Berlin area, died at 6:15 o'clock Monday night at his home in Elizabethtown. He was the husband of Mrs. Irene Harlachner Mummert.

A retired farmer, Mr. Mummert resided in the East Berlin area until five years ago. He was a member of Elizabethtown Church of the Brethren. In addition to his wife he is survived by a daughter, Mrs. Helen Jane Sheely, Elizabethtown; twin grandchildren, Jay and Kay Sheely; and six brothers and sisters, George and Nevin Mummert and Mrs. Sarah Burgard, all of near East Berlin; Mrs. Grace May and William Mummert, both of Dover, and Mrs. Charles Burgard, York.

Funeral services will be held Thursday at 2 p.m. at the Emig Funeral Home, East Berlin. Dr. Ralph Schlosser, Elizabethtown, will officiate. Interment will be in Mummert's Meeting House Cemetery.

F. F. FLORENCE

(Continued From Page 1) brothers, Joseph, York, and Cavanaugh, Emmitsburg.

He was a member of St. Aloysius Catholic Church at Littlestown and of the Holy Name Society. He also belonged to the Moose lodge in Hanover and to the Fraternal Order of Eagles in Gettysburg. He was a member of the Mt. Joy Community Fire Company.

Funeral services Thursday morning from the Little Funeral Home in Littlestown at 9 o'clock with a solemn High Requiem Mass in St. Aloysius Church at 9:30 a.m. with the rector, the Rev. Dr. John Metz, officiating. Interment in the church cemetery. Friends may call at the funeral home Wednesday evening where Dr. Metz will recite prayers at 8:30 p.m.

"Seven Last Words" At St. James Sunday

A performance of DuBois' "Seven Last Words of Christ" has been scheduled by the St. James Lutheran Church Senior Choir for Palm Sunday evening. The program will be directed by Donald E. Bollinger, choirmaster, with organ accompaniment by Robert E. Baker.

In addition to the choral portion, the Lenten work will include solo passages sung by James Myers, baritone; David Greenlund, tenor, and Helen Bollinger, soprano.

This program will climax the current series of Lenten observances at St. James Church.

WILLS CHURCH \$200

The will of Bessie Y. Holtzworth, late of Gettysburg, has been entered for probate at the office of the county register and recorder.

The will provides \$200 for Christ Lutheran Church. The remainder of the \$25,000 estate is to be divided "share and share alike" for those who "survive me" among the children of Charles Morris Young, Radnor, Pa.; N. Louise Ramer, Gettysburg; Nellie R. Spangler, Gettysburg R. 5; Mary Louise Schwartz, Lemoyne, and Wilda Holtzworth, West Chester. The Adams County National Bank is the executor.

NEW YORK EGGS

NEW YORK (AP) — USDA—Wholesale egg offerings more than ample. Demand quiet today. Wholesale selling prices based on exchange and other volume sales.

New York spot quotations: Whites: Extras (47 lbs min) 37-38½; extras medium (40 lbs average) 29½-30; top quality (47 lbs min) 37½-39½; mediums (41 lbs average) 29½-31; smalls (36 lbs average) 26-26½; peewees 20-21. Browns: Extras (47 lbs min) 37-38; top quality (47 lbs min) 38-40; mediums (41 lbs average) 33½-35; smalls (36 lbs average) 24½-25½; peewees 20-21.

TRADING ACTIVE

NEW YORK (AP) — A rising stock market mounted an assault on its mid-February recovery highs early this afternoon. Trading was active.

If stock prices can push past the resistance at the recovery peak—highest level since the 1962 lows of last June—it would be a clear vote of confidence in a spring advance, brokers said. Motors, steels, oils, chemicals, tobaccos, and airlines were in the forefront as industrials renewed their advance of Monday.

HARRISBURG (AP)—The state Highways Department said today it will prosecute state highway workers who picket in protest against a 10 per cent cutback in the road maintenance work force. Wilbur C. Webb, acting secretary of highways, said picketing against the commonwealth is illegal under state law and that "perpetration of any illegal acts will demand that proper legal and police action be taken by the Department of Highways to protect the interests of the Commonwealth."

BLAME GUARD FOR SLAYING OF MINISTER

By ANTOINE YARED

VIENTIANE, Laos (AP)—The assassination of leftist Laotian Foreign Minister Phommavithana was blamed today on one of the guards at his home.

Government sources said the soldier—an adherent of Phommavithana's own neutralist faction—riddled the foreign minister with 18 machine-gun bullets Monday night, then fired another shot into his head.

The guard was undergoing interrogation, Government sources said they did not know his motive nor could they identify him.

Phommavithana had entered the coalition government as a member of Premier Prince Souvanna Phouma's neutralist party. But in the past 10 months he had drawn closer and closer to the pro-Communist Pathet Lao and had become highly controversial.

COUPLE ATTACKED

The foreign minister and his wife were attacked as they returned from a royal reception at which King Savang Vatthana appealed for peace among the turbulent nation's contending factions.

Phommavithana's wife, wounded in both legs, was in a coma from loss of blood.

U.S. officials in Washington took the view that the assassination could intensify seriously the feud in Prince Souvanna Phouma's government, a shaky coalition of rightwingers, neutralists and pro-Communists whose factions never have been able to agree on any action of importance.

COUNCIL WILL

(Continued From Page 1)

her report, with recommendations, will be made to council.

Mrs. Schwenk suggested that council join other communities in the purchase of materials. President Glenn Guise directed highway chairman Robert McCoy to secure further information on the suggestion.

Borough Engineer Leroy Weinbrenner said borough employees will clean out parts of the "Tiber" relative to concreting the bottom of the stream.

The highways committee was authorized to purchase two front tires for the front end loader.

The property committee was authorized to accept an offer from a local citizen to tear down the "tin shed" at the rear of the borough's property at the engine house "at no cost to the borough."

Councilmen Schwenk, McCoy and Attorney John Thrush will represent the borough at the state boroughs association convention in June.

Plan Library

to be named later. It will become effective September 1.

The physical education program, which also will become effective in September will be set up and directed by John Toggas, physical education and high school science teacher, for 908 pupils in the district's three elementary schools.

In other business, the finance committee presented a tentative budget of \$840,695.24 for 1963-64. The budget is open for inspection from now until May 6 when it will be presented to the board for adoption.

TEACHER RESIGNS

The board also accepted the resignation of Mrs. Thelma Marker, elementary music teacher, effective July 1, when she plans to move from the area.

Bills for April totaling \$83,000 were approved for payment and include \$34,000 for salaries, \$25,250 in rentals and \$10,517 for the district's share of state teachers' retirement. The board renewed the depository agreement among the Biglerville National Bank, the Federal Reserve Bank, Philadelphia, and the Upper Adams School District.

The property committee recommended the acceptance of a bid of \$1,632.42 from J. L. Hammett Co. for art supplies, rejecting a bid from Kurtz Brothers of \$1,633.58.

The school cafeteria served 25,307 student meals in 21 school days in March for an average of 1,205 meals a day. Income was \$9,122.32 and expenses were \$9,109.33.

Oscar Rice Jr., president, presided at the meeting which was attended by all but three of the 18 members.

PICK TORONTO IN PLAYOFFS

By THE ASSOCIATED PRESS

The National Hockey League Stanley Cup semifinal playoffs resume tonight with the Toronto Maple Leafs favored to eliminate the Montreal Canadiens and the Detroit Red Wings favored to even their series with the Chicago Black Hawks.

Toronto carries a commanding 3-0 lead into Montreal ice and aims to sweep the best-of-7 series. Playing on home ice the Red Wings are expected to duplicate their Sunday victory over the Hawks and square the best-of-7 series at 2-2.

Toronto's hopes for a sweep are enhanced by the improvement in the condition of big Frank Mahovlich who came down with the flu several weeks ago and so far hasn't scored a point in the playoffs.

"I feel my strength coming back now that I have been eating solid food for a couple of days," said the 200-pound left winger.

"One win, that's all we need," said Toe Blake, the Montreal coach, indicating that a victory would get the Canadiens going.

effectiveness of this ministry. Hospital chaplains are to wear some identifying mark for their work there which will be selected by the chaplaincy committee of the Adams County Council of Churches.

It was announced that the Adams County Pastoral Fellowship will be responsible for the "Doorway to Life" program on WGAL-TV, Lancaster, on Sunday, April 21. The program will deal with the hospital chaplaincy program. Rev. Otto Kroeger announced that pastors wishing to participate in the daily devotions on WGET radio should contact him if they are not now among the participants.

A discussion was held concerning possible participation of the Protestant churches in some phase of the Gettysburg centennial observance. Further plans on these activities are expected to be made through the Gettysburg Ministerium.

Hanover Hospital Suit Is Dropped

The York County Court announced Monday that a civil suit filed against the Hanover General Hospital and several of its staff has been "discontinued."

The trespass action was filed last Jan. 9 by Marie J. Geiman, 319 Spring Ave., Hanover, against the hospital, Dr. S. A. Kirkpatrick, Dr. N. H. Seitz, Gloria Stine, a nurse from York R. 2; and Robert Paterna, hospital administrator and manager.

Mrs. Geiman asked damages in excess of \$5,000, blaming the defendants for negligence in the death of her infant by suffocation Dec. 12, 1959, at the hospital.

(Continued From Page 1)

proclamation over Radio Argentina. Their forces apparently had seized the central telephone exchange, a block from the presidential palace in downtown Buenos Aires. The exchange has a master switchboard controlling the government radio network.

The rebels called on the civilian population to support their effort to overthrow Guido, installed a year ago after anti-Peronist military leaders removed Arturo Frondizi from the presidency.

BIRTH ANNOUNCEMENTS

At Warner Hospital
Mr. and Mrs. Kenneth R. Calhoun, Westminster R. 7, son, today.

Mr. and Mrs. Nevin E. Warner, R. 1, son, Monday.

Mr. and Mrs. Larry Huff, Littleton R. 1, son, Monday.

At Hanover Hospital
Mr. and Mrs. Fred A. Straley, R. 5, daughter, Monday.

At Carlisle Hospital
Mr. and Mrs. John Tate, Gardners R. 1, daughter, Saturday.

RAILROADS LAY PLANS TO END 65,000 JOBS

CHICAGO (AP)—The nation's railroads geared today to put into effect sweeping plans—upheld by the U.S. Supreme Court—which eventually will eliminate 65,000 jobs.

A Supreme Court clerk mailed in Washington Monday a mandate upholding the right of the railroads to make the changes and eliminate what they call featherbedding.

Delivery of the mandate to the U.S. District Court in Chicago will wipe out that court's injunction which has prevented the carriers from moving ahead with the job changes.

U.S. Dist. Judge Joseph Sam Perry called a meeting of lawyers representing management and the five operating unions today.

James E. Wolfe, chairman of the National Railway Labor Conference and chief rail negotiator, has said the schedule of changes will be published as soon as the injunction is dissolved.

UNIONS OBJECT

Five unions, representing some 200,000 men who man the nation's trains, are ready to call a strike whenever the railroads begin cutting jobs.

President Kennedy also is ready to act. He is prepared to invoke emergency procedures of the Railway Labor Act, providing 30 days for a presidential board to recommend a settlement formula and 30 more days for additional negotiations.

The carriers have asserted that featherbedding—their term for jobs they contend are no longer needed—has cost railroads 600 million a year.

PLAN CHANGES

Changes will include immediate dismissal of 13,000 locomotive firemen with low seniority and rules changes on freight and yard service which will eventually eliminate at least 25,000 jobs.

Some 27,000 locomotive firemen's jobs will be dropped when present employees leave the companies—that is, when the firemen die, retire or quit.

The unions involved—firemen, engineers, conductors, trainmen and switchmen—have denied the charges of featherbedding and point to a cut of 50 per cent in the rail work force in the last 15 years.

SCHOOL BOARD

(Continued From Page 1)

ing a March 15 balance in the general fund of \$39,517 after \$35,000 payments to the joint district in each of the last two months. The real estate transfer tax brought in \$1,721 in February and \$1,450 last month.

President Weaner said it will be necessary to have a special meeting later this month to give tentative approval to the budget for 1963-64. The joint school district budget is to be presented Monday.

Announcement was made of plans for a convention of Region 6 directors at Susquehanna High School on Saturday and for the annual South Penn Study Council dinner meeting at Hershey April 14.

Monday's meeting adjourned at 8:45 p.m. The session was held in the superintendent's office.

WILL INSPECT

(Continued From Page 1)

the directors that prospective First Graders must be six years old by January 31, 1964, and children who wish to enroll for kindergarten must be five by the same date. For registration, each youngster must be accompanied by a parent and a birth certificate. If available, the vaccination certificate also should be presented at registration but must be procured by next September 3.

The registration hours will be from 9 a.m. to 4 p.m. at the Cashtown school.

The school board approved bills totaling \$45,426 for payment, including \$9,000 payment to the Gettysburg Joint School District. Receipts for the month totaled \$57,201 and included \$46,461 in state appropriations, \$3,965 in rental subsidy from the state and \$9,254 from Mrs. Helen Kuhn, the tax collector.

The meeting adjourned at 10:25 p.m.

HOLD TOUCHES' RITES

Funeral services for Felix J. Touches Jr., 45, who died Thursday evening at his home in Taneytown, were held Monday with a Requiem Mass at St. Joseph's Church at 1:30, the Rev. Fr. Francis P. Wagner celebrant. Interment was made in Ely Redeemer Cemetery, Baltimore. Pallbearers were Elunus Royer, Edward Schaffer, F. A. Gartrell, John W. Campbell, Carl Bush and James Collins.

MEETING TONIGHT

Problems of drainage and storm sewers in connection with the road construction project underway in the borough will be discussed at a meeting of East Berlin town council tonight at 8 o'clock at the borough hall.

Couple Wed 62 Years

Mr. and Mrs. Albert M. Frederick, Arendtsville, will observe their 62nd wedding anniversary Wednesday.

Mr. Frederick, a retired flour miller, and his wife were married in 1901 at Fairchance, Fayette County, and moved to Arendtsville in March of 1934.

A miller from his teens, Mr. Frederick is the third generation of flour millers in his family. He operated the Arendtsville Roller Mill until his retirement about five years ago.

There will not be any formal celebration of the anniversary but they will be greeted during the day by Mrs. Frederick's only living sister, Mrs. Nannie Humphreys, New Oxford, and by Mr. Frederick's only surviving sister, Mrs. Pearl Wilson, Buford Ave.

There will be visits or messages, too, from the couple's children: Pauline, who resides with her parents; John W., Arendtsville, and Mrs. Herbert Bryan, New Oxford. Another son, Walter M. Frederick, is deceased.

They have five grandchildren, Mrs. William Guise and Mrs. Donald Wagner, both of Arendtsville; Mrs. Dale Hoffman, Winchester, Va.; Albert Frederick, Arendtsville, and John K. Frederick, Biglerville R. 2. They have four great-grandchildren.

The couple are active and in comparatively good health. They are members of Trinity Lutheran Church, Arendtsville. When they lived at Fairchance, they were members of the Presbyterian Church where Mr. Frederick was an elder for 25 years and Sunday School superintendent. His wife, the former Harriet Williams, was a school teacher in their early married life.

RURAL CHILD

(Continued From Page 1)

briefly include E. Donald Scott as president of the Adams County Commissioners and Miss Beatrice Robinson, field representative from the state's Office of Children and Youth.

James Rohrbaugh, Littlestown student, will provide the entertainment. The baked ham dinner will be served by the Auxiliary of the Arendtsville Fire Department.

Held annually for the staff, hostess parents, advisory board, county officials and the general public, the dinner was planned by a committee including: Frank Basehoar, Littlestown, chairman; Mrs. Paul G. Pitzer, Biglerville, and Mrs. J. Faber Wildasin, Abbottstown.

Will Resurface New Oxford Street

The New Oxford borough council Monday evening voted to resurface and lay a curb on S. Peters St. from E. High St. to the dead end and S. Water St. between Lincolnway West and W. High St. S. Peter St. will be constructed with curb and sidewalk.

H. S. Griffin, president, presided over the meeting which was attended by four councilmen. Bills totaling \$1,331 were approved for payment from the water and sewer fund and \$651.66 from the borough fund. Salaries are included in the total.

Also attending the meeting were Scoutmaster Robert Donohue and three Boy Scouts who are working on the merit badge and are studying citizenship in the community.

INDIANA U. CHEMIST TO SPEAK HERE

Dr. John A. Ricketts, associate professor of chemistry at De Pauw University, Greencastle, Ind., will address a group of Adams County chemistry students, teachers and administrators on "Future Trends in Science Education" April 9 at 7:30 p.m. in the Gettysburg Senior High School cafeteria.

This presentation is part of a three-day program that will take Prof. Ricketts to public schools in Cumberland, Adams and Franklin Counties. He will spend Tuesday morning addressing chemistry classes at Gettysburg High School and another class at the Biglerville High School in the afternoon.

EVENING ADDRESS

Prof. Ricketts' visitation is sponsored by the division of chemical education of the American Chemical Society through grants from the National Science Foundation. The visitation is part of a nationwide program which brings prominent scientists to high schools for lectures and discussions in an attempt to interest students in chemistry, to encourage qualified students to follow chemistry as a career and to improve the teaching of science in the high schools.

Anyone interested in the evening session at Gettysburg High School is invited to attend. Further information may be obtained from Prof. Alex T. Rowland, chemistry department, Gettysburg College.

LEGIONNAIRES

(Continued From Page 1)

ment to be held May 25 to June 16 at Dunmore. Discussion indicated that one of the local Legion teams might participate in the event.

CAMP PLANS

Plans for the annual Keystone Boys Camp to be held under sponsorship of the Pennsylvania Department of the American Legion at Pennsylvania State University this summer were outlined. The post plans to send two local youths, still to be selected, to the camp.

Adjutant William T. Timmins Jr. was named to represent the post at a testimonial dinner to be held May 4 at Lancaster in honor of Past Department Adjutant and Commander Daniel Shaub and preliminary plans were read for the national American Legion convention to be held September 7 to 13 in New Orleans.

A letter from the state department urging greater use of the American Legion emblems and uniforms in connection with Legion activities was read. It was announced that the post adjutant can secure emblems, uniforms, etc., for members desiring them.

A moment of silence was observed for member Edward J. Myers who died recently.

It was announced that National Commander James Powers will be at Wilkes-Barre April 3, Philadelphia April 4 and Pittsburgh April 5.

BURY MRS. BADDERS

Funeral services for Mrs. Emily K. (Yohe) Badders, 85, widow of Harry M. Badders, 41 Lumber St., Littlestown, who died on Sunday in a Harrisburg Hospital, were conducted this afternoon at 2 o'clock from Little's Funeral Home, Littlestown. The Rev. Glenn Flinchbaugh, pastor of Redeemer's United Church of Christ, Littlestown, officiated. Interment was in Mt. Carmel Cemetery, Littlestown. Pallbearers were six grandsons: Harry M. Badders, Charles L. Badders, Hamilton C. Walker III, Ralph A. Greenwald, Willard S. Spears and Paul F. Boller Jr.

Littlestown Car In Hanover Crash

Damage totaling \$1,050 resulted from a three-car collision Sunday at 9:35 p.m. in Hanover according to Hanover police.

Police said an automobile operated by Fern A. King, 29, of 106 South Queen St., Littlestown, struck a parked car owned by Harold E. Myers, Hanover, and pushed the Myers vehicle 30 feet into the rear of a parked car owned by Mildred J. Sanders, Westminster. The impact pushed the Sanders car four feet.

Damage to the King auto was appraised at \$500, to the Myers auto at \$400 and at \$150 to the Sanders vehicle, police said. A borough speed limit sign was damaged.

BLAME GUARD FOR SLAYING OF MINISTER

By ANTOINE YARED

VIENTIANE, Laos (AP)—The assassination of leftist Laotian Foreign Minister Phommavong Pholsena was blamed today on one of the guards at his home.

Government sources said the soldier—an adherent of Pholsena's own neutralist faction—riddled the foreign minister with 18 machine-gun bullets Monday night, then fired another shot into his head.

The guard was undergoing interrogation, Government sources said they did not know his motive nor could they identify him. Quinim had entered the coalition government as a member of Premier Prince Souvanna Phouma's neutralist party. But in the past 10 months he has drawn closer and closer to the pro-Communist Pathet Lao and had become highly controversial.

COUPLE ATTACKED

The foreign minister and his wife were attacked as they returned from a royal reception at which King Savang Vathana appealed for peace among the turbulent nation's contending factions.

Quinim's wife, wounded in both legs, was in a coma from loss of blood.

U.S. officials in Washington took the view that the assassination could intensify seriously the feud in Prince Souvanna Phouma's government, a shaky coalition of rightwingers, neutralists and pro-Communists whose factions never have been able to agree on any action of importance.

proclamation over Radio Argentina. Their forces apparently had seized the central telephone exchange, a block from the presidential palace in downtown Buenos Aires. The exchange has a master switchboard controlling the government radio network.

The rebels called on the civilian population to support their effort to overthrow Guido, installed a year ago after anti-Peronist military leaders removed Arturo Frondizi from the presidency.

BIRTH ANNOUNCEMENTS

At Warner Hospital
Mr. and Mrs. Kenneth R. Calliflow, Westminster R. 7, son, today.

Mr. and Mrs. Nevin E. Warner, R. 1, son, Monday.

Mr. and Mrs. Larry Huff, Littleton R. 1, son, Monday.

At Hanover Hospital
Mr. and Mrs. Fred A. Straley, R. 5, daughter, Monday.

At Carlisle Hospital
Mr. and Mrs. John Tate, Gardeners R. 1, daughter, Saturday.

RAILROADS LAY PLANS TO END 65,000 JOBS

CHICAGO (AP)—The nation's railroads geared today to put into effect sweeping rules changes—upheld by the U.S. Supreme Court—which eventually will eliminate 65,000 jobs.

A Supreme Court clerk mailed in Washington Monday a mandate upholding the right of the railroads to make the changes and eliminate what they call featherbedding.

Delivery of the mandate to the U.S. District Court in Chicago will wipe out that court's injunction which has prevented the carriers from moving ahead with the job changes.

U.S. Dist. Judge Joseph Sam Perry called a meeting of lawyers representing management and the five operating unions today.

James E. Wolfe, chairman of the National Railway Labor Conference and chief rail negotiator, has said the schedule of changes will be published as soon as the injunction is dissolved.

UNIONS OBJECT

Five unions, representing some 200,000 men who man the nation's trains, are ready to call a strike whenever the railroads begin cutting jobs.

President Kennedy also is ready to act. He is prepared to invoke emergency procedures of the Railway Labor Act, providing 30 days for a presidential board to recommend a settlement formula and 30 more days for additional negotiations.

The carriers have asserted that featherbedding—their term for jobs they contend are no longer needed—has cost railroads 400 million a year.

PLAN CHANGES

Changes will include immediate dismissal of 13,000 locomotive firemen with low seniority and rules changes on freight and yard service which will eventually eliminate at least 25,000 jobs.

Some 27,000 locomotive firemen's jobs will be dropped when present employees leave the companies—that is, when the firemen die, retire or quit.

The unions involved—firemen, engineers, conductors, trainmen and switchmen—have denied the charges of featherbedding and point to a cut of 50 per cent in the rail work force in the last 15 years.

SCHOOL BOARD

(Continued From Page 1)

ing a March 15 balance in the general fund of \$39,517 after \$35,000 payments to the joint district in each of the last two months. The real estate transfer tax brought in \$1,721 in February and \$1,450 last month.

President Weaner said it will be necessary to have a special meeting later this month to give tentative approval to the budget for 1963-64. The joint school district budget is to be presented Monday.

Announcement was made of plans for a convention of Region 6 directors at Susquehanna High School on Saturday and for the annual South Penn State Council dinner meeting at Hershey April 14.

Monday's meeting adjourned at 8:45 p.m. The session was held in the superintendent's office.

WILL INSPECT

(Continued From Page 1)

the directors that prospective First Graders must be six years old by January 31, 1964, and children who wish to enroll for kindergarten must be five by the same date. For registration, each youngster must be accompanied by a parent and a birth certificate. If available, the vaccination certificate also should be presented at registration but must be procured by next September 3.

The registration hours will be from 9 a.m. to 4 p.m. at the Cashtown school.

The school board approved bills totaling \$45,426 for payment, including \$9,000 payment to the Gettysburg Joint School District. Receipts for the month totaled \$57,201 and included \$46,461 in state appropriations, \$3,965 in rental subsidy from the state and \$6,254 from Mrs. Helen Kuhn, the tax collector.

The meeting adjourned at 10:25 p.m.

HOLD TOUCHES' RITES

Funeral services for Felix J. Touches Jr., 45, who died Thursday evening at his home in Tazewell, were held Monday with a Requiem Mass at St. Joseph's Church at 1:30. The Rev. Fr. Francis P. Wagner celebrant. Interment was made in Holy Redeemer Cemetery, Baltimore. Pallbearers were Elmer Royer, Edward Schaffer, F. A. Gartrell, John W. Campbell, Carl Bush and James Collins.

MEETING TONIGHT

Problems of drainage and storm sewers in connection with the road construction project underway in the borough will be discussed at a meeting of East Berlin town council tonight at 8 o'clock at the borough hall.

Couple Wed 62 Years

Mr. and Mrs. Albert M. Frederick, Arendtsville, will observe their 62nd wedding anniversary Wednesday.

Mr. Frederick, a retired flour miller, and his wife were married in 1901 at Fairchance, Fayette County, and moved to Arendtsville in March of 1934.

A miller from his teens, Mr. Frederick is the third generation of flour millers in his family. He operated the Arendtsville Roller Mill until his retirement about five years ago.

There will not be any formal celebration of the anniversary but they will be greeted during the day by Mrs. Frederick's only living sister, Mrs. Nannie Humphreys, New Oxford, and by Mr. Frederick's only surviving sister, Mrs. Pearl Wilson, Buford Ave.

There will be visits or messages, too, from the couple's children:

Pauline, who resides with her parents; John W. Arendtsville, and Mrs. Herbert Bryan, New Oxford. Another son, Walter M. Frederick, is deceased.

They have five grandchildren. Mrs. William Guise and Mrs. Donald Wagner, both of Arendtsville; Mrs. Dale Hoffman, Winchester, Va.; Albert Frederick, Arendtsville, and John K. Frederick, Biglerville R. 2. They have four great-grandchildren.

The couple are active and in comparatively good health. They are members of Trinity Lutheran Church, Arendtsville. When they lived at Fairchance, they were members of the Presbyterian Church where Mr. Frederick is an elder for 25 years and Sunday School superintendent. His wife, the former Harriet Williams, was a school teacher in their early married life.

RURAL CHILD

(Continued From Page 1)

briefly include E. Donald Scott as president of the Adams County Commissioners and Miss Beatrice Robinson, field representative from the state's Office of Children and Youth.

James Rohrbach, Littlestown student, will provide the entertainment. The baked ham dinner will be served by the Auxiliary of the Arendtsville Fire Department.

Held annually for the staff, hostess parents, advisory board, county officials and the general public, the dinner was planned by a committee including: Frank Basehoar, Littlestown, chairman; Mrs. Paul G. Pitzer, Biglerville, and Mrs. J. Faber Wildasin, Abbotstown.

Will Resurface New Oxford Street

The New Oxford borough council Monday evening voted to resurface and lay a curb on S. Peters St. from E. High St. to the dead end and S. Water St. between Lincolnway West and W. High St. S. Peter St. will be constructed with curb and sidewalk.

H. S. Griffin, president, presided over the meeting which was attended by four councilmen. Bills totaling \$1,331 were approved for payment from the water and sewer fund and \$651.66 from the borough fund. Salaries are included in the total.

Also attending the meeting were Scoutmaster Robert Donohue and three Boy Scouts who are working on the merit badge and are studying citizenship in the community.

Farmers Are Told Of Social Security

Ray Hoffman, field representative of the social security office, told 61 members of the Gettysburg, Biglerville and Bermudian Springs Young Farmers Association who met recently in Bermudian Springs High School that "many people do not know about social security and do not receive benefits even though they are eligible." Hoffman presented an illustrated lecture on how social security applies to farmers. He urged members to seek reliable information from local social security officers.

The meeting also was attended by county vocational agriculture teachers Carroll Slothour, Stephen Heyser, Cecil Snyder, John White, Elmer Schriver and George Glenn.

To Enroll Children In School Monday

Harold R. Bair, supervising principal of the Fairfield Schools, today urged all parents of the jointure, including Fairfield borough, Hamiltonban and Liberty Townships, to bring their preschool children to the high school Monday between 11 a.m. and 7:30 p.m. for registration and entrance tests.

Children five years of age before February 1, 1964, may apply for

INDIANA U. CHEMIST TO SPEAK HERE

Dr. John A. Ricketts, associate professor of chemistry at De Pauw University, Greencastle, Ind., will address a group of Adams County chemistry students, teachers and administrators on "Future Trends in Science Education" April 9 at 7:30 p.m. in the Gettysburg Senior High School cafeteria.

This presentation is part of a three-day program that will take Prof. Ricketts to public schools in Cumberland, Adams and Franklin Counties. He will spend Tuesday morning addressing chemistry classes at Gettysburg High School and another class at the Biglerville High School in the afternoon.

EVENING ADDRESS

Prof. Ricketts' visitation is sponsored by the division of chemical education of the American Chemical Society through grants from the National Science Foundation. The visitation is part of a nationwide program which brings prominent scientists to high schools for lectures and discussions in an attempt to interest students in chemistry, to encourage qualified students to follow chemistry as a career and to improve the teaching of science in the high schools.

Anyone interested in the evening session at Gettysburg High School is invited to attend. Further information may be obtained from Prof. Alex T. Rowland, chemistry department, Gettysburg College.

LEGIONNAIRES

(Continued From Page 1)

supplement to be held May 25 to June 16 at Dunmore. Discussion indicated that one of the local Legion teams might participate in the event.

CAMP PLANS

Plans for the annual Keystone Boys Camp to be held under sponsorship of the Pennsylvania Department of the American Legion at Pennsylvania State University this summer were outlined. The post plans to send two local youths, still to be selected, to the camp.

Adjutant William T. Timmins Jr. was named to represent the post at a testimonial dinner to be held May 4 at Lancaster in honor of Past Department Adjutant and Commander Daniel Shaub and preliminary plans were read for the national American Legion convention to be held September 7 to 13 at New Orleans.

A letter from the state department urging greater use of the American Legion emblems and uniforms in connection with Legion activities was read. It was announced that the post adjutant can secure emblems, uniforms, etc., for members desiring them.

A moment of silence was observed for member Edward J. Myers who died recently.

It was announced that National Commander James Powers will be at Wilkes-Barre April 3, Philadelphia April 4 and Pittsburgh April 5.

BURY MRS. BADDERS

Funeral services for Mrs. Emily K. (Yohe) Badders, 85, widow of Harry M. Badders, 41 Lumber St., Littlestown, who died on Sunday in a Harrisburg Hospital, were conducted this afternoon at 2 o'clock from Little's Funeral Home, Littlestown. The Rev. Glenn Finchbaugh, pastor of Redeemer's United Church of Christ, Littlestown, officiated. Interment was in Mt. Carmel Cemetery, Littlestown. Pallbearers were six grandsons: Harry M. Badders, Charles L. Badders, Hamilton C. Walker III, Ralph A. Greenwald, Willard S. Spears and Paul F. Boller Jr.

admission to Kindergarten; children six years of age before February 1 may apply for admission to First Grade. Present Kindergarten children will automatically be registered for next year. Parents are to bring birth certificates to the clinic along with vaccination certificates. However, children may be registered without the completion of the vaccination but may not enter school in September until it is done.

Pete Runnels, the 1962 American League batting champ with the Boston Red Sox, batted .378 in night games and only .287 in day contests.

Children five years of age before February 1, 1964, may apply for

Worry of FALSE TEETH Slipping or Irritating?

Don't be embarrassed by loose false teeth slipping, dropping or wobbling when you eat, talk or laugh. Just sprinkle a little FASTEETH on your plates. This pleasant powder gives a remarkable sense of added comfort and security by holding plates more firmly. No gummy, goopy, pasty taste or feeling. It's alkaline (non-acid). Get FASTEETH at any drug counter.

PLAN TO WED

John Franklin Coffelt, R. 2, and Henrietta Jean Gardner, Hanover, have filed an application for a marriage license in York.

Littlestown Car In Hanover Crash

Damage totaling \$1,050 resulted from a three-car collision Sunday at 9:35 p.m. in Hanover according to Hanover police.

Police said an automobile operated by Fern A. King, 29, of 106 South Queen St., Littlestown, struck a parked car owned by Harold E. Myers, Hanover, and pushed the Myers vehicle 30 feet into the rear of a parked car owned by Mildred J. Sanders, Westminster. The impact pushed the Sanders car four feet.

Damage to the King auto was appraised at \$300, to the Myers auto at \$400 and at \$150 to the Sanders vehicle, police said. A borough speed limit sign was damaged.

FARMERS HEAR DAIRY LEADERS ON MILK FIGHT

The status of hearings on federal orders regulating milk in the area was outlined Monday evening at a meeting of the Biglerville and York Springs locals of Interstate Milk Producers Cooperative in the West St. Branch building.

J. Lin Huber, St. Thomas, president of Interstate; David Litton, Boonsboro, Md., director of District 25, and Roy Weaver Jr., Gettysburg R. D., delegate from the Biglerville local to the Interstate sessions, were the speakers.

They reported that so far dairy farmers from central Pennsylvania, the eastern shore of Maryland and southern New Jersey have asked retention of the present handler pool type of pricing in the Philadelphia-Wilmington-South Jersey area at the hearings being held at Philadelphia before a U.S. Department of Agriculture examiner.

Huber reported he told the examiner that "the handler pool is the only legitimate economic protection that we as producers have to keep unnecessary milk from landing in the Philadelphia market." The handler pool provides for payment of prices to farmers dependent upon the individual dealers' utilization rather than payment based on a market-wide pool.

The handler type pool, he said, "tends to maintain production in line with market needs and retains quality as well as quantity." A market pool, he said, "tends to encourage overproduction for manufacturing purposes." He reported on statements made at the hearing by New Jersey dairymen that under the market pool in the New York-New Jersey Order, area small dealers "are finding it more and more difficult to stay in business."

The New Jersey dairymen now under it are seeking inclusion in the present Philadelphia area order with its handler pool method of payment, Huber said.

Huber also held that the Pennsylvania Milk Control Commission law of 1930 "is good as long as it is devoid of politics."

SEEK TO SOLVE PARKING ISSUE

In an effort to solve the massive parking problem that will arise in Gettysburg during the battle centennial exercises in July, local officials are working under Mayor William G. Weaver in conjunction with state police. A recent survey of spaces available in Gettysburg revealed that there are at least 38 lots in town that will hold from 15 to 350 cars. This survey did not cover the present commercial lots, Weaver said, nor the area at the Gettysburg College which the centennial commission is considering.

It was pointed out by local authorities that these lots are on private land and that the owners can prohibit parking on them. However, it is hoped, Weaver said, that visitors will be allowed to use them. "If the owners desire to make a charge, that is their privilege, but for the good name of our town as hosts to thousands the charge should not be exorbitant," Weaver said.

The biggest problem within the borough will be the day of the parade. Parking for services at the Eternal Light Peace Memorial June 29 at the Angle is being worked out by state police, under Major Kime and his staff, Weaver added.

March Was Warm, Wet At Arendtsville

Rainfall and temperatures were above normal last month at the Arendtsville weather station, according to reports compiled by the observer there, Dr. Frank N. Hewetson.

March temperatures averaged 41.05 which is 1.75 degrees above normal and 3.3 degrees above the same month last year. The range was from 78 on March 26 to 22 on March 14. The average daily high was 50.7 degrees and lows averaged 31.4 degrees.

Precipitation totaled 4.53 inches and included four inches of snow. The total figure is eight-tenths of an inch above normal and 0.98 inches above March of last year.

Precipitation for the first quarter of this year totals 8.1 inches at Arendtsville. That is 1.32 inches below normal and 2.61 inches below the first quarter of 1962.

DINNER SESSION

County and community Agricultural Stabilization and Conservation committee members from throughout this area, including the Adams County members, will meet Wednesday at the Chateau at Dillsburg for an all-day session in the 1964 ASCS program, particularly wheat legislation, in order to have all information on hand before the wheat referendum May 21.

DRIVER JAILED

George Oyer, York, was arrested Monday by borough police on a charge of driving while his license was suspended brought before Justice of the Peace Anna Thompson. He posted \$500 bail for appearance before the court.

Social Happenings

For Social News Phone 334-4613 or 334-1131
Call 334-4613 for Social News ONLY

Mrs. Loretta Johnson and Mrs. Dorothy Goldsmith, Long Island, N.Y., spent the weekend with Mr. and Mrs. William Cunningham R. 2.

The VFW Auxiliary will meet Wednesday evening at 8 o'clock at the VFW home, East Middle St. A homemade quilt will be presented at the meeting. Ruth M. Miller, secretary, announced.

Fred Gay, Mexico City, has returned to his home after spending some time with Mr. and Mrs. Earl Myers, York St.

Miss Evelyn "Bonnie" Gaston, daughter of Mrs. Katherine D. Gaston, R. 4, represented Pennsylvania State University Concert Band's percussion section in the sixteenth annual Pennsylvania Intercollegiate band concert, which was held at Bloomsburg State College. The guest conductor was Dr. William Revell, director of the University of Michigan band. This is Miss Gaston's fourth year as a member of the band.

Mrs. Roy H. Hammond, retiring president of the YWCA board, will install officers at the Annie Danner Club this evening at 7:15 o'clock. New members will be initiated. At 8 o'clock the Rev. Edwin Wentz, Lutheran missionary from Japan, will give an illustrated talk as the fifth and last of the Lenten services which the club has been presenting each Tuesday evening. The public is invited to the latter service.

Members of the Wesley College Fellowship of the Methodist Church participated in a weekend retreat Sunday at Mt. Asbury, the new Methodist camp site near Carlisle. Mr. and Mrs. Kenneth Reinhart are the counselors of the group.

Mr. and Mrs. Robert Oyer, Northumberland, were weekend guests of Mr. Oyer's brother-in-law and sister, Mr. and Mrs. C. R. Wolff, York St.

The Women of St. James Lutheran Church will hold their monthly business meeting Thursday evening in the Maude Miller room, the administrative committee at 7 o'clock and the executive board at 8, it has been announced by the president, Mrs. Horace H. Waybright.

The regular meeting of the Auxiliary of the Sons of Union Veterans met Monday evening at the post room on E. Middle St. The president, Mrs. Amanda Walker, presided with 10 members and one guest in attendance. A house-hold products demonstration was given by Mrs. Anna Hess. A door prize was awarded to Mrs. Goldie Hess. The next meeting will be held Monday, April 15, at 7:30 p.m. at the post room.

The Gettysburg Council of United Church Women includes a representative from each Protestant church in Gettysburg. The list of representatives for the current year as recently announced by Mrs. Paul L. Reaser are: St. Paul's AME Zion, Mrs. Sterling Adams; Baptist, Mrs. Paul Metz; Christ Lutheran, Mrs. John E. Keller; Church of the Brethren, Mrs. Ralph Simpson; Church of the Nazarene, Mrs. Kent Withers; Prince of Peace Episcopal, Mrs. John Kershaw; Memorial EUB, Miss Florence Slonaker; Foursquare Gospel, Mrs. Barbara Spicer; Presbyterian, Mrs. Richard Newsham; St. James Lutheran, Mrs. Katherine Rightmyer; Trinity Reformed, Mrs. Virginia Lohuis. The officers of the council, in addition to Mrs. Reaser, are vice president, Mrs. Cyrus Bucher, Biglerville; recording secretary, Mrs. Robert Koons; treasurer, Mrs. Louise Hoffman.

The board of the Business and Professional Woman's Club will meet Thursday evening at 7 o'clock followed by a business meeting at 8 o'clock when officers will be elected. Mrs. Lee M. Hartman is chairman of the nominating committee. The regular dinner meeting of the club will not be held next Thursday due to Holy Week. The date has been changed to April 25.

Mr. and Mrs. M. O. Rice, 785 Baltimore St., observed their 55th wedding anniversary Monday. Mrs. Rice is the former Miss Helen Scott.

Both sections of the confirmation class of St. James Lutheran Church will rehearse Saturday at 9:30 a.m. All members are expected to be present. Forty-six young people will be confirmed on Palm Sunday.

Mrs. C. Ross Shuman has returned to her home at 50 E. Broadway after spending a month at Fort Lauderdale, Fla., with her son-in-law and daughter, Mr. and Mrs. Harold Fowler.

YOUNG MAN JAILED

Elmer Myers, 23, 74 W. King St., Littlestown, was placed in the county jail Monday evening charged by Littlestown police before Justice of the Peace Eugene Long with disorderly conduct.

'DUDEY' MOORE QUILTS; PHELAN MAY GET POST

PHILADELPHIA (AP) — Donald (Dudey) Moore quit unexpectedly Monday as LaSalle College basketball coach.

He gave no reason for resigning but friends said he was disturbed by student and alumni reaction after he was hanged in effigy February 14 when his team lost to hometown rival Penn after 10 straight victories.

Moore had been at LaSalle five years, coming here from Duquesne University, where he coached the court team for 10 years.

His resignation was accepted promptly by college officials who said applications to fill the job are being accepted.

Athletic Director James J. Henry said a few applications had been received in the past few weeks, apparently from coaches who figured Moore planned to quit.

Moore's teams, since 1958, won 79 games, lost 37. His last squad, with a 16-7 record, played in the National Invitation Tournament in New York but was eliminated in the first round by St. Louis University.

Moore succeeded Jim Pollard at LaSalle, which considers basketball its major sport since it doesn't field a football team.

Speculation centered around an alumnus succeeding Moore. Mentioned prominently were Jimmy Phelan, coach at Mt. St. Mary's College; Charles Adonnelly, LaSalle's freshman court coach, and Tom Gola, former All-American now playing with the New York Knicks of the National Basketball Association.

2 INJURED IN 3-CAR CRASH

Two persons were injured when three cars collided on the Carlisle, Hanover Rd. north of Cross Keys Monday night at 9:40 o'clock.

State police said Arthur Peterman, 60, Hanover St., New Oxford, drove out from the parking lot at the Pixie Tavern onto Rt. 94. His car was struck in the rear by a southbound auto operated by George Slothour, 21, New Oxford R. 1, and Slothour's car was in turn struck in the rear by a southbound vehicle driven by Earl J. Kaiser Jr., 18, New Oxford.

Slothour suffered internal injuries and a laceration of the chin. He was removed by the New Oxford ambulance to the Hanover Hospital. Peterman suffered a back injury but did not immediately seek medical treatment, police said.

Damage was estimated at \$75 to the Peterman car, \$350 to Slothour's vehicle and \$600 to Kaiser's auto. New Oxford firemen were summoned to wash gasoline and debris off the road.

ROTC OFFICER

(Continued From Page 1) getting a real test currently in Vietnam. After his talk he answered questions.

Capt. Valeris was introduced by Program Chairman Wilbur Varian. The meeting was held at the VFW home with about 50 members and guests in attendance. A meeting of the board of directors followed the club session.

HOSPITAL REPORT

Admissions: Mrs. Larry Huff, Littlestown R. 1; Mrs. Nevin E. Warner, R. 1; Mrs. Kenneth R. Calliflower, Westminster R. 7; Mrs. Allen Holt, Thurmont R. 2; Mrs. James E. Strausbaugh, R. 5; Paul E. Morris, Taneytown; Miss Thea E. Crandell, 430 College Ave.; Mrs. Cletus Culp, Biglerville R. 1; Mrs. John C. Bowers, R. 1; John W. Deatrick, R. 1; Mark M. Spangler, Littlestown R. 2; Mrs. Dewey Baumgardner, Littlestown; Mrs. Richard M. Shaffer, Gardners R. 2.

Discharges: Milton E. Crouse, Taneytown; Samuel B. Noel, Biglerville R. 2; Guy R. Krom, Emmitsburg R. 2; Mrs. Philip Zentz, Thurmont; Clyde E. Harner, Littlestown R. 1; Mrs. Charles L. Vial and infant daughter, 64 W. Middle St.

STUDENTS NOISY

Borough police were summoned at 3:30 this morning, when according to the officers, seven Mount Saint Mary's College students were making noise at Sixth and York Sts. The officers learned that the young men's car had run out of gas at that point. After interrogation, the seven were released.

LICENSED HERE

A marriage license was issued today at the courthouse to Howard Wilson Lewis Jr. and Mary Frances Jackson, both of Carlisle.

CRUSADE ENDS SUNDAY NIGHT

The 13th annual evangelistic crusade held in Centenary EUB Church, Biglerville, closed Sunday night with 400 persons in attendance. Evangelist Arnold O. Willis, Huntington, W. Va., spoke on "Pan-o-Rama of Prophecy" from a chart, copies of which were shared with those in attendance. Music was provided by Mr. and Mrs. Herman Smith, York; the Jacobs Brothers' quartet, East Berlin; Rev. Willis, and the Crusade Choir of 50 voices.

Twenty-six services were held during the crusade which opened March 10. The total attendance was 5,505 with an average attendance of 212 for the three weeks. There were 54 decisions for Christ of which 45 were classified as conversions and 9 as rededications.

During the first week of the crusade the emphasis was on missions with a missionary support goal of \$4,000 in commitments for the next year. A total of 95 commitments were made in the amount of \$4,110. This amount is beyond the regular missionary and benevolence budget of the church and is shared with 12 missionaries who are partially supported by Centenary Church.

2 Rangers Take Special Courses

John B. Rogers and Albert C. Schneider, rangers for the Gettysburg National Military Park, last week completed one special course of instruction at Vanderbilt Mansion National Historic Site, Hyde Park, N. Y., and Monday began another week-long course there.

Schneider and Rogers were two among 33 men from 23 areas of the National Park Service in the 16-state Northeast Region selected for the training courses.

Last week they underwent an accelerated course in structural fire control, developed and presented by the Office of Local Government, Division of Fire Safety, state of New York. The course included 20 hours of classroom lectures on the latest in the fire control techniques and 20 hours of field demonstrations and exercises.

At the conclusion of last week's course the rangers were presented with certificates by Wilbur L. Savage, chief of the Regional Division of Ranger Services. Monday the group began a 20-hour course on forest fire control and a 20-hour course in law enforcement.

MAKE CHANGES IN PHONE RATES

Local telephone users will share in the reduction of charges for certain station-to-station long distance telephone calls effective Thursday, April 4. The lower rates will apply daily between 9 p.m. and 4:30 a.m. on calls covering a distance of more than 220 miles. A spokesman for United Telephone Company reported that under the new schedules the maximum after 9 p.m. charge for a three-minute station to station call from Gettysburg to any point on the West Coast would be \$1.00.

Coincidental with the new station-to-station rates, person-to-person charges will be advanced five or ten cents on calls up to 800 miles.

Tariff revisions designed to make its charges for long distance service uniform with intra and interstate rates of other telephone companies have been filed by the United Telephone Company with the Pennsylvania Public Utility Commission.

COLLEGE BOYS INJURED IN MD.

Maryland state police investigated an accident at 12:35 a.m. Sunday which sent two Gettysburg College students to Frederick Memorial Hospital with minor injuries.

Police said George C. Newman Jr., of Ithaca, N. Y., was traveling north on Route 15 in a 1961 Corvair, when the right wheels of his auto apparently slipped off the right side of the road, causing Newman to lose control of his vehicle. Police said the car then crossed to the left side of the road where it came to rest.

Newman and a passenger in the car, William F. Baker, of Massapequa, N. Y., were taken to Frederick Memorial Hospital where Newman was treated for a scalp laceration and Baker, for abrasions of the back. Officials at the hospital said both were released.

Tr. Neil W. Alexander investigated and charged Newman with failing to keep to the right of center.

LOST AND FOUND

Frances McDowell, Greensburg, rapidly located her missing wallet Monday afternoon at 2 o'clock. She called borough police here, stating she thought she left her black and white wallet in a candy store near the center of town. Police checked the Gift and Goody Shop and learned that it was seeking the owner of a black and white wallet, and then notified Mrs. McDowell they would mail the wallet to her.

A meeting of the Student Council of Biglerville High School was held at the school on Monday.

National FHA Week is being held March 31 to April 6 to honor FHA members and homemakers over the world. The Biglerville Junior High School FHA Chapter has planned a program for every day in the week as follows: Sunday, attend church and do something special in the home; Monday, announcement of activities for the week; Tuesday, all FHA members wear red and white in honor of the FHA colors; Wednesday, wear red ribbon roses, the FHA flower, which each member has made; a tea for the teachers and members and visit to County Home to distribute cookies on Thursday and Friday; and each Saturday each girl will do something to help a family member.

Mrs. Grim Bowers and son, Herbert, Aspers R. 1, are spending a few days in Cumberland, Md.

David Cahoon and daughter, Mary, and son, Woody, and Mr. and Mrs. Herman G. Hartman and children, Claire, Rusty, and Paul, Rockville, Md., spent the weekend at Log Lodge in the Narrows.

Aspers Cub Pack 161 met at the

Aspers fire hall Friday evening for its monthly meeting. A special flag ceremony using the new American flag Cub Scout flag, and the four den flags was held. The following awards were presented by the Scoutmaster, George Weaver Jr.: Richard Mansberger, wolf and gold arrow patch; Gregory Day, gold arrow patch under wolf; Steve Heller, silver arrow under bear; Keith Beam, gold arrow under wolf; Richard Dennis, wolf patch; Wayne Gantz, gold arrow patch under wolf; Douglas Koonitz, silver arrow patch under bear; Joe Mansberger, lion patch; Mark Tuckey, wolf patch; Robert Brough, wolf patch; Douglas Weaver, gold arrow under bear; John Baugher, gold and silver arrow patch under wolf; Randy Barbour, James Micklely, and Kevin Taylor, bobcat pins. Tom-toms, hat bands, and other Indian items were made and Scouts did an Indian dance. Refreshments were served by the den mothers, Mrs. Robert Mansberger, Mrs. John Nimmon, Mrs. Paul Taylor, and Mrs. George Weaver Jr.

The Society of Farm Women of Adams County, Group One, will meet Friday evening at 7:30 o'clock at the home of Mrs. Mary Long, Gardners R. 1. Easter hats at 25 cents or more, made by members, are to be worn to the meeting.

An operetta entitled, "Spring Glow," will be presented by the third and fourth grades of the Biglerville Elementary School Thursday evening at 8 o'clock in the Biglerville High School auditorium.

Trinity Lutheran Church, Arendtsville, Dorcas Circle meeting, Thursday afternoon, 2 o'clock, church parlor. Church Council, Thursday evening, 7:30 o'clock.

Arendtsville Charge, United Church of Christ, Parish Lenten service, Wednesday evening, 7:30 o'clock, Trinity Church, Biglerville, with Lenten quiet hour service and sacrificial meal following.

Upper Meridian Lutheran Church, Gardners R. D. Lenten Vespers, Wednesday evening, 7:30 o'clock.

Mt. Zion Lutheran Church, Goodyear, Lenten Vespers, Thursday evening, 7:30 o'clock.

Flohr's Lutheran Church, McKnightstown, Lenten service, Wednesday evening, 7:30 o'clock. First year Catechetical Class, 6 o'clock, second year class, 7:45 o'clock, Thursday evening. Lutheran Church Women meeting Thursday evening, 7:30 o'clock, at the home of Mrs. Lloyd Bie-secker, Caststown.

Bethlehem Lutheran Church, Bendersville, Willing Workers Sunday School Class meeting Thursday evening, 8 o'clock, at the church. The hostesses will be Mrs. Leonard Lobaugh, Mrs. Kenneth Tyson, and Mrs. Arthur Kuntz.

Biglerville Lutheran Parish, Lenten service, Wednesday evening, 7:30 o'clock, at Bender's Church, Butler Township. Sermon theme, "The Christian's Bible."

MOSCOW (AP)—The Soviet Union announced they fired an unmanned 3,130-pound research vehicle toward the moon today from the orbit of an earth satellite. A Soviet astronomer hinted it may land a robot observatory on the moon's surface.

This is part of the Soviet preliminary work in a race with the United States to be the first to land men on the moon.

Tass, the Soviet news agency, said the automatic instrument station will reach the area of the moon in 3 1/2 days, apparently meaning sometime Saturday.

DEATHS

Oscar G. Mummert, 72, formerly of the East Berlin area, died at 6:15 o'clock Monday night at his home in Elizabethtown. He was the husband of Mrs. Irene Harlacher Mummert.

A retired farmer, Mr. Mummert resided in the East Berlin area until five years ago. He was a member of Elizabethtown Church of the Brethren. In addition to his wife he is survived by a daughter, Mrs. Helen Jane Sheely, Elizabethtown; twin grandchildren, Jay and Kay Sheely; and six brothers and sisters, George and Nevin Mummert and Mrs. Sarah Burgard, all of near East Berlin; Mrs. Grace May and William Mummert, both of Dover, and Mrs. Charles Burgard, York.

Funeral services will be held Thursday at 2 p.m. at the Emig Funeral Home, East Berlin. Dr. Ralph Schlosser, Elizabethtown, will officiate. Interment will be in Mummert's Meeting House Cemetery.

F. F. FLORENCE

(Continued From Page 1) brothers, Joseph, York, and Cavanaugh, Emmitsburg.

He was a member of St. Aloysius Catholic Church at Littlestown and of the Holy Name Society. He also belonged to the Moose lodge in Hanover and to the Fraternal Order of Eagles in Gettysburg. He was a member of the Mt. Joy Community Fire Company.

Funeral services Thursday morning from the Little Funeral Home in Littlestown at 9 o'clock with a solemn High Requiem Mass in St. Aloysius Church at 9:30 a.m. with the rector, the Rev. Dr. John Metz, officiating. Interment in the church cemetery. Friends may call at the funeral home Wednesday evening where Dr. Metz will recite prayers at 8:30 p.m.

"Seven Last Words" At St. James Sunday

A performance of DuBois' "Seven Last Words of Christ" has been scheduled by the St. James Lutheran Church Senior Choir for Palm Sunday evening. The program will be directed by Donald E. Bollinger, choirmaster, with organ accompaniment by Robert E. Baker.

In addition to the choral portion, the Lenten work will include solo passages sung by James Myers, baritone; David Greenlund, tenor, and Helen Bollinger, soprano.

This program will climax the current series of Lenten observances at St. James Church.

WILLS CHURCH \$200 The will of Bessie Y. Holtzworth, late of Gettysburg, has been entered for probate at the office of the county register and recorder.

The will provides \$200 for Christ Lutheran Church. The remainder of the \$25,000 estate is to be divided "share and share alike" for those who "survive me" among the children of Charles Morris Young, Radnor, Pa.; N. Louise Ramer, Gettysburg; Nellie R. Spangler, Gettysburg R. 5; Mary Louise Schwartz, Lemoyne, and Wilda Holtzworth, West Chester. The Adams County National Bank is the executor.

NEW YORK EGGS

NEW YORK (AP) — USDA—Wholesale egg offerings more than ample. Demand quiet today. Wholesale selling prices based on exchange and other volume sales.

New York spot quotations: Whites: Extras (47 lbs min) 37-38 1/2; extras medium (40 lbs average) 29 1/2-30; top quality (47 lbs min) 37 1/2-39 1/2; mediums (41 lbs average) 26-26 1/2; smalls (36 lbs average) 26-26 1/2; peewees 20-21. Browns: Extras (47 lbs min) 37-38; top quality (47 lbs min) 38-40; mediums (41 lbs average) 33 1/2-35; smalls (36 lbs average) 24 1/2-25 1/2; peewees 20-21.

TRADING ACTIVE

NEW YORK (AP) — A rising stock market mounted an assault on its mid-February recovery highs early this afternoon. Trading was active.

If stock prices can push past the resistance at the recovery peak—highest level since the 1962 lows of last June—it would be a clear vote of confidence in a spring advance, brokers said.

Motor, steels, oils, chemicals, tobaccos, and airlines were in the forefront as industrials renewed their advance of Monday.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

FIFTY YEARS AGO

Gettysburg flower lovers report many blooming plants in their yards. Bulbs are up unusually early this spring. Garden making has been in progress in some sections of the town for several weeks but little onions have not yet appeared. The Civic Club sprinkler would have been a welcome visitor on the streets of town at any time during the last few days.

The walls of the cyclorama building will near completion by the end of the week. Only about six weeks remain before the structure will be needed for the Odd Fellows' Convention.

Horses Go To Church: A double team belonging to Edward Weikert of near Greenmount ran away from the Gettysburg Department Store warehouse this morning and created a lot of excitement on the principal streets of town but did little damage. The horses came up York street at full tilt and galloped through the Square to Baltimore street. They continued on up Baltimore street to High and then on High street to the Reformed church where they slowed down and walked up to the hitching post where Mr. Weikert is accustomed to tie while attending services. The team was found there soon afterward, intact and with no damage to either horses or wagon. A number of people tried to stop the horses as they traveled through town but none succeeded and several persons had narrow escapes in getting out of their way.

New Blower: A new kinetic organ blower is now being installed in connection with the Presbyterian pipe organ at a cost of \$192 and will be completed in a few days. The apparatus will replace the water motor which has not given satisfaction for some time.

High Water Mark: Exceeding even the highwater mark records made at the time of the Johnstown Flood, Adams County streams were swollen this morning to the greatest height in their history. Steady rains during the night which amounted almost to cloud-bursts at four, six and seven o'clock caused the sudden rise which in many sections made travel dangerous and at any possibility of crossing bridges over the main streams. Rock Creek was swollen far beyond its banks and the bridge east of town could not be reached from either side. The Bonneville bridge was threatened and the new Western Maryland bridge allowed traffic which would have been almost criminal over the old wooden trestle. At eight o'clock Marsh Creek was two inches higher than its best mark at the time of the Johnstown disaster. Small foot bridges on Wiloughby Run and other country streams were washed away early in the day though the big structures withstood the strain. In Gettysburg conditions were the worst they have ever been known. Cellars in all parts of town contained from six inches to several feet of water. The college meadow was completely submerged and the land between Washington and Carlisle streets was under several feet of water. Culp Run was at its highest and "Sleepy Hollow" was badly flooded.

Killed Pretty Bird: Luther Poteroff of New Chester recently shot a beautiful white swan on Creager's Dam near that place. It weighed fourteen pounds and measured over six feet from tip to tip of wings. The bird was a beauty, the feathers being snow white and the bill and feet black.

Green House Fire: Fire shortly before three o'clock this afternoon destroyed the north end of the Coulson green house on Buford avenue. The fire is supposed

Today's Talk

DON'TERS
The worst possible diet with which to feed a child's mind is one of "don't." In the first place a child's instinct resents it. It's just born that way. Being a child, in fear it obeys these "don'ts" for a time; but if it lives into maturity, something very useful and fine has been taken from that mind, though the scar alone may remain.

The free development of a mind, wisely and kindly directed, means a healthy mind in after years.

Traveling on a steamship once I saw an example of a don'ter in the form of a mother and young son. All day and evening it was a series of "don't do this," "don't do that." A child is born into the world to develop a personality of its own. This it cannot do if someone else constantly attempts to force another personality upon it.

When a boy I was impressed with a series of small books entitled: "The Why Books." I read them for they fascinated. There were no "don'ts" in them.

One of the famous don'ters is the "back seat driver." The fact remains that only one person can drive a car at one time. If you are an occupant of that car let the driver alone. He will drive less safely with a series of "don't" ringing in his ears.

Unless you are sure you can do the job you criticize better than the one who is doing it, say nothing and trust that one. The don't-do-it won't help.

It's a wise and controlled human being who has learned when not to say "don't!"

The intelligent human being knows when to ask of seek advice or counsel. It only irritates, and lessens the efficiency and initiative of such a one to offer him what he doesn't ask for.

The man or woman who knows how to do needs no don'ters for aides.

Negative commands and advice are like a cart before the horse anyway.

Just Folks

CARELESS

I like to toss my coat upon the chair

Though twice ten thousand times have I been told

There is a place to hang it 'neath the stair,

Likewise a hook designed my hat to hold.

Something within me I can't quite explain

Makes too much order difficult to bear.

Always, it seems, when I get home again

I like to toss my coat upon a chair.

To me the home spells ease and true delight

And closets with their hooks are dark with gloom.

Always I'm over-eager with the night

To settle in my comfortable room.

Scarce past the door I fling my hat aside,

As if it were a needless weight of care,

And swiftly to be rid of foolish pride

I like to toss my coat upon a chair.

to have originated from the heating plant. Damage to the extent of several hundred dollars was done. A bucket brigade held the fire in check until the fire company arrived.

First Services: The recently organized St. John's Baptist congregation, colored, who lately bought Marble Hall and converted it into a church, will hold their first religious service on Sunday, April 6. A platform service will be held at 3 p.m. and the public is cordially invited to attend. N. D. Shadney is the pastor.

Many Flittings In Gettysburg: Moving day in Gettysburg this year almost broke all previous records and every section of town saw the flittings. Among those who changed place of residence were the following: Mrs. Ella Weaver from 10 Chambersburg St. to 114 Chambersburg St.; Samuel Weiser from Caldwell house to the Cleveland house on York St.; Irvin Kelly from residence on Chambersburg St. to his new house on West street; Jacob Swisher from East Middle St. to house vacated by Mr. Kelly; William Adair into Mr. Kelly's other new house on West St.; C. A. Heiges from Cashtown to house he purchased on Buford Ave.; J. H. Kadel from Hanover to Cobean property on Chambersburg St.; Wilson Bream from 48 Stevens to his new home on Broadway; W. E. Olinger from 118 Steinwehr Ave. to 34 West Middle St.; and many others.

Littlestown

LIONS' PANEL WILL DISCUSS TOWN NEEDS

A panel discussion will be the program feature at the semi-monthly dinner meeting of the Littlestown Lions Club on Thursday at 7 p.m. in the Starlite Room, Dutterer's Restaurant. The Civic Improvement Committee, composed of Howard O. Myers, W. R. Jones and W. E. Mackley, will be in charge of the program.

The panel will comprise: Medical, represented by Dr. L. L. Potter, local physician; Chamber of Commerce, Marvin F. Breighner, president; Junior Chamber of Commerce, Paul F. Boller Jr., president; Littlestown Ministerium, the Rev. Lawrence H. Roller, president; Joint School System, Paul E. King, supervising principal; and the local Borough Council, Lewis H. Fox, president.

Two questions will be used for this program: "What in your mind would you think a most necessary improvement that would benefit our community and have you a suggestion as to how to make it possible? Employment usually makes up less than one third of the people in a community, yet we have a larger work force than our population. In the face of this should we do anything to attract these workers to live here and if so what would you suggest?" The topic "Civic Improvement" will be explored and a question period will follow.

Immediately following the program there will be an open discussion on two topics by the membership. The board of directors recommend that the dues of the local club be increased and that the delegates to various conventions be paid part expenses. President Harry D. Feeser urges the members to remain for this discussion.

The Lions will sponsor the Adams County Junior Miss Pageant Saturday, April 20, at 8 p.m. in the Littlestown High School auditorium. Tickets can be secured from any member of the club. The state convention will be held May 5, 6 and 7 in Allentown. The International convention will be held in Miami Beach, Fla., June 19-22.

AMENDMENTS TO STRIP MINE BILL IN OFFING

HARRISBURG (AP) — Amendments designed to meet conservationists' demands for revising the Scranton administration's soft coal strip mining bill will be presented to the House Mines Committee today, its chairman said.

The key features of the amendments, drawn up by the administration, would:

—Restrict exemptions from complete backfilling to alternatives "wherein the land can be used for suitable purposes."

—Provide for bonds ranging from \$5,000 to \$1,000 per acre to guarantee compliance with backfilling requirements.

—Require landowners as well as strip mine operators to be a party to the bonds, unless the stripper agrees to put up the entire amount.

—Spell out the operator's responsibility to prevent stream contamination.

—Place first claim on use of forfeited bonds for the benefit of the land on which the bond was posted and permit use of such funds elsewhere in the state only when it is possible to satisfy the first claim.

16 Students Are Ousted For Drinking

LANCASTER, Pa. (AP) — Sixteen students have been suspended from Elizabethtown College for drinking off campus, the school said Monday. A spokesman said the particular incident occurred last week and the students were suspended until after Easter vacation, a period of eight class days. No violation of the law was involved, the spokesman said, but the college has strict rules against drinking on and off campus.

News Digest

Washington

President Kennedy sends a special message to Congress spelling out his foreign aid requests.

British Labor party leader Harold Wilson calls on President Kennedy to tell him what the United States can expect from Britain if the Labor party wins the next election.

International

The Kennedy administration is being pressed to deny re-entry to the United States of refugees who participate in hit-and-run raid on Cuba.

A neutralist guard is charged with the assassination of Leftist Laotian Foreign Minister Quinim Pholsena in Vientiane.

National

The nation's railroads are ready to put into effect the work rules changes which eventually will eliminate 65,000 jobs.

Pennsylvania

The General Assembly put aside most of its other business today to receive Gov. Scranton's first general fund budget and tax proposals. Legislative action was subdued somewhat Monday as both chambers awaited the budget message. The Senate, however, did pass two administration measures.

Amendments designed to meet conservationists' demands for revising the Scranton administration's soft coal strip mining bill are expected to be presented to the House Mines Committee today. The proposed amendments already have met strong objections from the strip mining industry.

Defendant Robert L. Dougherty was summoned to the witness stand today as the government continued its prosecution in an income tax evasion trial against two mining companies at Lewisburg, Pa. Among those on trial is August J. Lippi, president of the United Mineworkers, District One.

Gov. Scranton asked the legislature today to expand the state's sales and cigarette taxes to balance a proposed record budget of \$1.1 billion. Scranton's proposal would raise the sales tax from 4 to 4½ per cent and broaden its coverage to include clothing. The cigarette tax would go up two cents a pack over a period of two years.

DEATHS

NEW YORK (AP) — Daniel J. Mahoney, 75, publisher of the Miami News since 1951 and long active in the city's civic affairs, died Monday while undergoing lung surgery. Mahoney, who was chairman of the University of Miami's Board of Trustees, had served as general manager of the Dayton (Ohio) News from 1923 to 1925 and became a director and vice president of the Miami News in 1935. He was born in Springfield, Ill.

WASHINGTON (AP) — Percival Huntington Whaley, 82, editor of the old Philadelphia Evening Ledger and creator of one of the earliest Washington newsletters, died Monday after a long illness. He joined the Philadelphia Public Ledger in 1913 after four years with the Charleston (S.C.) News and Courier. He was born in Sharon, Conn.

NEWPORT, R.I. (AP) — Henry Marion Hall, naturalist and author, died Monday, his 86th birthday. He was born in New York.

BOSTON (AP) — The Rev. Gerald Ellard, S. J., 68, professor of theology at St. Mary's (Kan.) College, died Monday of a heart attack.

GIVE SCHEDULE FOR HOLY WEEK

The Rev. Dr. John E. Metz, pastor of St. Aloysius Catholic Church, has announced the schedule of Holy Week services as follows: Palm Sunday, Low Mass at 7:30 a.m.; 10 a.m., blessing of the palms, followed by procession and High Mass. Wednesday, April 10, 7:30 p.m., Mass with Lenten sermon. Holy Thursday, 7:30 p.m., High Mass with procession of the Blessed Sacrament; Holy Communion will be administered at Mass only; adoration at the repository. Good Friday, 3 p.m., stations of the cross, blessing with the relic of the true cross; 7:30 p.m., liturgical action of the passion and death of our Lord; Holy Communion will be administered at the service only. Holy Saturday, 10:30 p.m., the Easter vigil, blessing of the new fire, paschal candle Easter and baptismal water, and renewal of baptismal vows followed by High Mass at midnight. Easter Sunday, Low Masses at 7:30, 10 and 11 a.m. Confessions will be heard Wednesday at 3:30 to 5 p.m. and before, during and after the Mass at 7:30 p.m. Friday, after stations of the cross and before and after the liturgical action at 7:30 p.m. Saturday, 3:30 to 5 and 7 to 8:30 p.m. Easter Sunday, before the Masses. The Masses next Monday and Tuesday will be at 8:15 a.m. and Holy Communion will be distributed outside of Mass at 7:15 a.m.

The Rev. Glenn Flinchbaugh, pastor of Redeemer's United Church of Christ, will deliver a sermon on the subject "The Way Back" at the preparatory service on Wednesday, 7:30 p.m.

Plans for the spring Appalachian Trail Hike were discussed at the meeting of Boy Scout Troop No. 84, held at the Community Center last evening. The hike will take place Saturday and Sunday, April 27 and 28. Assistant Scoutmaster Victor L. Reynolds conducted first and second classes in first aid. There were group games and a song fest. Scoutmaster Edgar A. Wolfe, and Assistant Scouts Reynolds and Robert Hahn and senior patrol leader Larry Altoff supervised. The troop will meet again next Monday at 7:30 p.m.

Rep. Edward J. McNally, D-Cambria, was the principal sponsor. McNally was joined in sponsoring the bills (H755-756) by Reps. A. V. Capano, D-Washington; Richard J. Green Jr., R-Cambria, and J. Russell Eshback, R-Pike.

HARRISBURG (AP) — The General State Authority will hold its regular monthly meeting Wednesday in the Capitol.

HARRISBURG (AP) — Sen. Fred B. Rooney, D-Northampton, found himself all alone Monday, when he introduced a bill which would require the general assembly to meet five days a week.

Rooney's proposed constitutional amendment would direct the legislature to meet daily except Saturday and Sunday.

Rooney said, "We are part-time legislators. I have been in the Senate five years and have seen salaries increased 100 per cent. I voted for those increases, but I don't think we are giving a day's work for a dollar received."

No one joined Rooney in sponsoring the amendment (\$369).

MOONSHINERS FINED

BALTIMORE (AP) — A dairy farmer from Stewartstown, Pa., and another man have been arrested and charged with transporting illegal liquor. The farmer, John Robert Joines, 47, and Louis Berry, 44, a Baltimore service station operator, were seized Monday by Internal Revenue Service agents. The IRS said they were found in Berry's garage with 43 gallons of moonshine whiskey.

Harrisburg

By THE ASSOCIATED PRESS

HARRISBURG (AP) — The House passed one bill Monday, moved 13 others into position for a final vote, referred two others back to committee and then adjourned to return today to hear Gov. Scranton's budget message.

The one bill passed would authorize the state Highways Department to make a study in Norristown to determine the feasibility of connecting Stanbridge Street's spurs from the Ridge Pike and Germantown Pike.

The 119-72 vote, which crossed party lines, sent the bill to the Senate.

HARRISBURG (AP) — The Senate passed Monday 50-0 and sent to the governor for his signature an administration measure to provide \$50 monthly supplemental pensions to veterans blinded by service-connected injuries.

The bill provides an appropriation of \$80,000 to cover pensions of the approximately 133 veterans expected to benefit by the legislation.

HARRISBURG (AP) — Legislation was introduced in the House Monday under bipartisan sponsorship to place municipally-owned utilities under the jurisdiction of the Public Utility Commission.

These utilities presently are exempt from the PUC's jurisdiction for service provided within the municipal boundaries.

Rep. Edward J. McNally, D-Cambria, was the principal sponsor. McNally was joined in sponsoring the bills (H755-756) by Reps. A. V. Capano, D-Washington; Richard J. Green Jr., R-Cambria, and J. Russell Eshback, R-Pike.

HARRISBURG (AP) — The General State Authority will hold its regular monthly meeting Wednesday in the Capitol.

HARRISBURG (AP) — Sen. Fred B. Rooney, D-Northampton, found himself all alone Monday, when he introduced a bill which would require the general assembly to meet five days a week.

Rooney's proposed constitutional amendment would direct the legislature to meet daily except Saturday and Sunday.

Rooney said, "We are part-time legislators. I have been in the Senate five years and have seen salaries increased 100 per cent. I voted for those increases, but I don't think we are giving a day's work for a dollar received."

No one joined Rooney in sponsoring the amendment (\$369).

MOONSHINERS FINED

BALTIMORE (AP) — A dairy farmer from Stewartstown, Pa., and another man have been arrested and charged with transporting illegal liquor. The farmer, John Robert Joines, 47, and Louis Berry, 44, a Baltimore service station operator, were seized Monday by Internal Revenue Service agents. The IRS said they were found in Berry's garage with 43 gallons of moonshine whiskey.

ED BAILEY IS GRATEFUL TO MANAGER DARK

By JOE REICHLER
Associated Press Sports Writer

BAKERSFIELD, Calif. (AP)—Ed Bailey should have been a happy man last winter.

The Giants had brought the first National League pennant to San Francisco and the veteran catcher had played a prominent role, hitting 17 home runs, including one on the final day of the regular season, in a limited number of games.

But shortly after the World Series, Bailey contacted manager Alvin Dark and requested he be traded. The request was not made in anger. It was not one of these "play me or trade me" ultimatums.

"I didn't want to leave the Giants," Bailey said today. "They are a fine organization and they have treated me well. But I did not play as much as I would have liked last year."

HAVE YOUNG CATCHER

"We have one of the finest catchers in baseball in Tom Haller and the club figured to play him more than me because of his youth, as well as ability."

"I told Dark I felt it would be better for both of us if I were traded. I knew there were several clubs interested in me and would play me regularly. At 31, I felt I could still catch 140 or so games a year. If not with the Giants, then with some other club."

"Dark understood how I felt but said he was counting on me for the '63 season. Instead of trading me, he went to bat for me and helped me get a raise. It's not every manager who goes to bat for a .332 hitter and I'll always be grateful to Dark for that."

DUKE SNIDER SOLD TO METS

ST. PETERSBURG, Fla. (AP)—

Duke Snider, the king of Flatbush, is headed back to the city that gave him the royal treatment—both cheers and boos—joining seven other former Dodger teammates on the New York Mets.

His waist a little wider and his hair a little whiter, the 36-year-old slugger who spent 11 years in a Brooklyn uniform and 16 years as a Dodger, officially was sold to the Mets Monday night for a price in the \$30,000-40,000 neighborhood.

The left-handed swinging outfielder has been the subject of a cloak-and-dagger transaction that has been rumored for weeks. The deal finally was confirmed by Mets President George Weiss while Snider was enroute to the West Coast.

In Albuquerque, Snider stepped off a plane, denied reports he had asked to be traded so he could play regularly, but noted that "it'll be interesting playing for Casey Stengel (Mets manager)." Snider said he was sad, but had expected "to feel a lot worse."

Snider, whose lifetime National League achievements include a .300 batting average, 1,995 hits, 1,271 runs batted in and 389 home runs, plans to spend a few days with his family in Fallbrook, Calif. before joining the Mets. He said his wife and four children would probably come to New York in May.

An outspoken critic of baseball's boo-birds, Snider was a hero to the Ebbets Field crowds that jammed into the now dismantled park to watch the Dodger stars of the 1950s—Jackie Robinson, Roy Campanella, Pee Wee Reese, Carl Furillo and Gil Hodges, the latter now also with the Mets.

To the cheers, Snider would doff his cap. To the boos, Snider would respond with a verbal attack. The fans always came back to applaud.

A small jar or two of a tarnish-retardant mixture will save you time and energy; keep the jars in your flat silver drawer.

GHS Cindermen Meet Cannors Here Wednesday

Gettysburg High School's track squad will make its debut under new coach, Patrick Kelly, and also make its initial start of the season when it meets Biglerville here Wednesday afternoon at 4 o'clock in a Blue Mountain Conference Western Division contest.

The meet will mark the second for Biglerville, rated as one of the top contenders for the Blue Mountain title. The Cannors easily won from Littlestown and Bermudian Springs in a triangular meet last Friday. The Warriors are exceeding thin on experienced performers and many underclassmen will undoubtedly perform.

Other Blue Mountain meets scheduled Wednesday include: Western Division — Shippensburg at Boiling Springs; Eastern Division — East Pennsboro at Camp Hill, Northern at Newport. In an interdivision game Big Spring will be at Susquehanna.

By CHARLES MOREY

NEW YORK (AP) — Watching the New York Giants on a hard-wood floor aiming a round ball at an elusive hoop is a puzzle.

The Giants give a clear-cut portrayal of a basketball team playing football and a fuzziy image of a football squad playing basketball.

To nobody's surprise the football personalities of the Giants come through their basketball disguises like Groucho Marx's mustache.

GRIER 300 POUNDS

Rosey Grier is still 300 pounds of immovable man, whether he has the ball or somebody else is grasping it. Dick Lynch is a hawk-eyed defender. Jim Katcavage is burly and quick but something less than finesseful when he has the ball in his large paws.

Tom Scott is a mixer. Joe Walton darts about like an end trying to shake himself loose. Charlie Janerette is a well-coordinated big man. The star of the team is the unobtrusive defensive halfback, Dick Pesonen, who flicks the ball through the hoop almost with an apologetic air of a defensive man who shouldn't be scoring.

TOO MANY MEN

The Giants played the Philadelphia Eagles' basketball team the other evening at Seton Hall University in New Jersey and lost by an estimated score of 69-54. It was a trifle difficult to be certain about the count. In the last minute of play each team had nine men on the floor and there were three basketballs flying around the premises. A charitable scorer posted the final count as 69-69.

The darling of the crowd was Grier, a native of New Jersey. Rosey is 6-feet-5 and weighs 300 evenly distributed pounds. He is 100 pounds from the waist up, 100 from the waist down and 100 around the waist.

Grier entertained at halftime with some songs, accompanying himself on the guitar. He sang his own composition entitled "Why." It was difficult to grasp the answer due to the blurred acoustics. Rosey actually has a strong and pleasing voice and a professional approach. He also has a sense of humor.

The Eagles have a well-drilled basketball team — for a football team. They have played 40 games since the football season ended, which should qualify them for honorary membership in the NBA.

Tim Brown is the star, a clever dribbler and a deadly shooter from the corner. Frank Budd, one of the world's fastest humans, is a fine player and a brilliant rebounder. Dick Lucas has a casual but effective hook shot.

At the end of 40 minutes of hard-running basketball all hands were puffing but there were no broken bones. That's the difference between basketball and football.

Tuesday's Games

St. Louis at Los Angeles (Los Angeles leads best-of-7 Western Division Series, 1-0)

Wednesday's Games

Boston at Cincinnati (Cincinnati leads best-of-7 Eastern Division Series, 2-1)

FRIEND WILL HURL OPENER FOR PIRATES

Bob Friend has the range from 60 feet, but the 250-foot experiment has failed Vern Law and today the pitching partners who brought Pittsburgh a world championship in 1960 were worlds apart.

Friend pitched a four-hitter over the nine-inning route Monday as the Pirates defeated Minnesota 3-0 in an exhibition at Orlando, clinching the opening day pitching assignment only hours after Law learned he was leaving the team for awhile.

Law's failure to overcome his shoulder ailment — and the announcement that he would be sent to the club's minor league camp to try and regain the form that made him a 26-game winner in 1960 — came on a day filled with events of more than passing interest.

MARIS IS INJURED

Roger Maris, the New York Yankees' 61-homer hitter of 1961, pulled a hamstring muscle in his left leg while making a diving catch during a 3-2 victory over Detroit at Lakeland, and likely will miss the world champions' season opener a week from today.

Duke Snider, veteran Dodger outfielder, was sold by Los Angeles to the New York Mets. The official confirmation of the much-discussed transaction was made by the Mets, who did not play Monday. The Dodgers were beaten 6-1 by Baltimore at Vero Beach.

Elsewhere, the Chicago Cubs belted Boston 13-3 at San Bernardino, San Francisco edged Cleveland 4-3 at Santa Barbara and the Los Angeles Angels whipped Houston 5-1 in California games. In other Florida action, Washington defeated Milwaukee 4-2 in 10 innings at West Palm Beach, Philadelphia edged St. Louis 5-4 at St. Petersburg and Cincinnati downed Kansas City 4-1 at Bradenton.

FRIEND IS SHARP

Law, a 33-year-old righthander who posted a 20-9 record in 1960, then followed with 3-4 and 10-7 marks, had been pitching at distances up to 250 feet in an effort to strengthen his arm muscles. The plan failed. Law has pitched in only one exhibition, giving up four runs in three innings.

Law will be sent to Daytona Beach, and may stay until the last minor league club leaves about April 20.

Friend, meanwhile, was mid-season sharp, allowing the Twins only four singles. The Pirates also got only four hits—but Don Clendenon's two-run homer in the sixth wrapped it up.

PEPITONE IS HOT

Maris homered for the Yankees in the top of the fourth, then in the bottom of the inning made a spectacular catch of a Dick McAuliffe liner and wound up on the injury list. Joe Pepitone continued to sizzle for the Yanks, hitting his third homer in two games and eighth of the spring.

Robin Roberts went nine for the Orioles, holding the Dodgers to six hits.

Lou Brock collected a single, two doubles and a triple while Ron Santr and Ernie Banks hit consecutive homers as the Cubs walloped the Red Sox. Tom Haller's two-run homer proved decisive for the Giants as Juan Mariachich pitched two-hit ball in his six-inning sting against the Indians.

Don Lee and Julio Navarro combined for a four-hitter as the Angels beat the Colts, Jim King's two-run 10th inning triple gave the Senators their victory over the Braves, the Phillies used a triple by Tony Taylor and a wild pitch in the eighth to beat the Cards and Don Blasingame and Gordie Coleman each stroked three hits in the Reds triumph over the A's.

DELONE OPENS CAMPAIGN AT SPRING GROVE

Frank Temme's Delone Catholic High School baseball team will open a 10-game schedule Wednesday when the Squires play at Spring Grove.

There are 33 candidates seeking berths on the Delone squad including the following eight lettermen: Dave Knox, Don McSherry, Steve Little and Joe Overbaugh, outfielders; Patrick Noel, Henry Reese and Francis Moore, the infielders, and Francis Weaver, pitcher.

Heaviest losses by graduation last year were Jim Weaver, star pitcher; Bill Timmins and Jim Liversberger, infielders.

The schedule: April 3—Spring Grove, away; 5, Kennard-Dale, away; 6, Gettysburg, home; 19, York Catholic, away; 23, Francis Scott Key, away; 29, Francis Scott Key, away; May 7, York Catholic, home; 9, Bermudian Springs, home; 16, Gettysburg, away; 20, Littlestown, home.

Bowling Trophy Presented

Trophies were both "coming and going" Saturday afternoon at a program held by the Recreation Association bowling group at Edgewood Lanes. While two young men received trophies for their skill in tournament work, a group of young ladies presented a trophy they had won in national competition to Gettysburg Junior High School for permanent display in their school. Left to right are Ornette Mehl, instructor for the Recreation bowlers; Francis "Butch" Albert, shown with the trophy he won in a Christmas tournament held by the Recreation Association; Sharon Heiser, Billie Ann Sentz, James Martin, also shown with a trophy he received for Christmas tournament competition; Joan Shriver, Sharyn Van Dyke and Recreation Director Ray Thompson. The young women comprised the local Recreation bowling league team which won the trophy held by Thompson in last year's National Mail-O-Graphic contest in competition against other junior high teams throughout the nation. They presented the trophy to Thompson who represented the Junior High School for the program. (Times photo)

REC BOWLING TEAMS JOIN IN TOURNEY

Members of the 18 Recreation Association sponsored bowling teams took part Saturday in a "mail-o-graphic tournament," and a presentation of trophies program at Edgewood Lanes.

During the program the "Space Patrol" team which last year won first place nationally in "mail-o-graphic" competition presented its trophy to the Gettysburg Junior High School.

Two youths, James Lartin and Francis "Butch" Alberts, who won second place in the Bantam Division of the Boys' Handicap Doubles in a national Christmas "mail-o-graphic" tournament held in December, were presented their trophies from the national organization by Mrs. Ornette Mehl, their instructor.

Edgewood Lanes presented trophies provided by G. and C. McDermitt, York Springs, to the first and second place team bowling the most pins over their averages, and chevrons were presented to the first three teams. First place went to the "Jets" who exceeded their average by 533 pins. The members were the youngest team in the competition, comprised of seven or eight-year-old youngsters. They were Tom Slusser, Tom Carr, Joseph Dengler, Jerre Dengler and Robert Gantz. In second place were the "Five Lassies," who had 357 over their average and included Helen Longenecker, Linda Hershey, Nancy Conner, Cathy Myers and Trudy Timmins. The "Strikeouts," who were third with 289 over their average, were Colleen Kennell, Janet Fair, Dondra Bollinger, Karen Orwig and Kim Hughes.

OTHER AWARDS

Trophies were also awarded to the boy and girl who had the most pins over their average in one game and in a three-game series. They will also receive trophies from the American Bowling Congress. They were: Single game, Karen Orwig and Joseph Althoff; series, Sandra Bollinger and John Birdenoph and Bruce Ferrara who were tied for the boys' series title.

Refreshments were served during the tournament by Clark Spence and Morrison Vending Co. Standings for the mailographic contest, handicap included, follow:

Senior Division — The Misfits, 2716; The 300's, 2694; K K. V's, 2528.

Junior Division — String Rays, 2478; The Rebels, 2441; The Five Aces, 2426; Strikeouts, 2386; Ten Pinners, 2356; Spare Queens, 2334; Jets, 2339; Warriors, 2317; The 200's, 2303; Strickettes, 2281; Bee's 2238; Braves, 2249; Five Lassies, 2238; Pin Splitters, 2206; Falcons, 2197.

Phillies Rally To Defeat Cards

ST. PETERSBURG, Fla. (AP)—Ray Culp pitched shutout ball for four innings Monday as the Philadelphia Phillies rallied to defeat the St. Louis Cardinals 5-4 in a Grapefruit League exhibition game.

Culp gave up one hit, walked none and struck out two in his four-inning stint. Paul Brown pitched the first five innings for the Phil and was touched for four runs on two singles, a double and a triple in the fifth.

The Phils scored three runs in the fifth and two more in the sixth. Tony Taylor drove in the tying and winning runs, with a single.

Bowler Changes Mind; Loses

BUFFALO, N.Y. (AP)—Frank Pollak of Pittsburgh rolled six consecutive strikes, changed his mind how to pick off a 5-9 spare and had to settle for third place in regular singles at the American Bowling Congress tournament.

"I changed my mind and whenever I do that I get into trouble," the 50-year-old assistant bank manager said of his third game Monday night.

Pollak said he believed that if he had stuck to his original plan—to shoot from the left side—he might have bettered his 724 series. Because he went with a strike ball instead, he trailed the current leader, John Snodell of St. Louis, by three pins.

Pollak rolled 243 in his first game and 246 in the second.

There were no other changes in minor events or team competition Monday.

3 JOCKEYS ARE INJURED; TWO HORSES KILLED

CAMDEN, S.C. (AP)—Three jockeys were injured and two horses were killed during the 31st running of the Carolina Cup races.

The casualties dampened the gaiety for some 25,000 persons who watched the six-race program at picturesque Springdale Race Track here Saturday.

The featured Carolina Cup — a 3-mile test over timber — was won by Flying Cottage, a 9-year-old gelding owned by J. Blain Van Uik of Unionville, Pa. He won the race in record time of 5 minutes, 36.2 seconds, 150 yards ahead of Mid Ace, owned by Mrs. John C. West.

The hurdles proved too much for Allan Adale, owned by Thomas B. Glynn of Greenwich, Conn., and Rhythme Master, owned and ridden by Irvin Naylor. The horses fell and were later destroyed.

Naylor received a dislocated left shoulder, R. G. Woolfe, Allan Adale's jockey, was thrown from the saddle and narrowly averted injury.

In the first race, Lester Graham, 28, suffered a broken hand and mild concussion when his horse, Winter Squash, was involved in a spill with Companion, ridden by Willard Thompson, 28, of Aiken. Thompson suffered a fractured collar bone and broken finger.

Rain Results In Two Postponements

Rain and wet grounds forced the Littlestown High School baseball team and New Oxford High golfers to postpone their scheduled games Monday until today.

The Thunderbolts will meet the Kennard-Dale baseball outfit at Kennard-Dale today and New Oxford clashes with Cumberland Valley on the Hanover Country Club course at Abbottstown. In Central Penn Golf League matches played Monday Central Dauphin defeated John Harris 18½-1½; York blanked Central Dauphin East 20-0, and Susquehanna Twp. defeated William Penn 18½-1½.

Jack Bream, Littlestown High School athletic director, announced today the Thunderbolt track team will meet Kennard-Dale at Littlestown Thursday instead of Friday as previously scheduled. He also announced the switch in the sites for the baseball games with Kennard-Dale this week.

COMEBACK BY BYRON NELSON MAY BE NEAR

AUGUSTA, Ga. (AP) — At the age of 50, after 20 years of semi-retirement and casual, token tournament appearances, Byron Nelson is flirting with ideas of a comeback.

The Masters Tournament, starting Thursday, may serve as a springboard back to bigtime golf for the lean Roanoke, Tex., cattle rancher, the mechanical marvel of the late 1930s and early 1940s.

"I don't say I'm going to push all these strong, young fellows aside," Nelson said today.

"But I've decided it would be interesting to get my game back in the best possible shape and see how I'd fare."

IN GOOD CONDITION

"I've always kept myself in good physical condition. I've changed my outlook so that I'm not so scared any more. I've worked harder on my game than I have in several years. I still am afflicted with putting nerves — that's age, I guess — but I've built up a lot of confidence."

Nelson came to the Augusta National Course after two weeks of intensive practice. On his first practice round, he had a 76. Then he had a 73. The third time it was 70, two under par.

Last weekend, television viewers were treated to the new, rejuvenated Nelson. Teaming with his protegee, Ken Venturi, he almost singlehandedly beat the team of Arnold Palmer and Gary Player in a best-ball match, scoring four birdies in a row.

Now the rangy, graying Texan is one of the hardest working of the 82 players practicing for the 27th Masters — first on and last off the practice tees.

THIS WEEK'S SPORTS

Mt. St. Mary's at Catholic U., invitation track meet.

YOUTH IS FREED

WILKES-BARRE, Pa. (AP) — Walter Lubinski Jr., 16, of Larksville, Pa., was found not guilty Monday night by a jury of six men and six women of a charge of first degree murder in the shotgun death of his father, Walter Lubinski Sr., last Dec. 22.

Young Lubinski shot his father after he heard his mother's life threatened in a family quarrel, police said.

ROYALS HAVE A NEW OWNER

CINCINNATI (AP)—The Cincinnati Royals have changed hands again—while the team still was in the middle of the Eastern Division National Basketball Association playoffs.

Warren Hensel, wealthy Cincinnati businessman and minority stockholder, said Monday night he had completed a deal to buy 56 per cent of the club's stock from Emprise Corp. of Buffalo, N.Y.

Emprise, operated by wealthy concessionaire Louis M. Jacobs, was to retain control of Cincinnati Gardens where the Royals play.

Emprise acquired the Royals and Gardens stock Friday in a purchase from the estate of the late Thomas E. Wood. Reliable sources indicated the sale involved about \$500,000.

Hensel declined to give any financial details, but said he was in the Royals' deal alone.

Hensel, 48-year-old manufacturer's representative and distributor, said he planned to retain the team in Cincinnati.

SHENANDOAH OPENS SOON

CHARLES TOWN, W. Va.—More than 1,300 horses will be on the grounds for the Shenandoah Downs spring meeting which opens April 13, General Manager Robert G. Leavitt announced over the weekend. The big pool of thoroughbreds was made possible by an agreement reached by Shenandoah and the Charles Town day track to exchange stabling facilities for the spring season.

The pact will assure that most of the more than 1,600 thoroughbreds for which stalls have been sought will be able to race during the 31-night kick-off session here, Leavitt said. Those not being bedded down on the grounds are expected to find accommodations in the hundreds of outside stables in the Charles Town area.

Shenandoah Downs is in its fifth year of operation and is beginning its fifth spring meeting. The \$4 million plant opened for business on May 1, 1959, and has raced each spring since. Post time will be at 7:15, customary start for the night oval.

Weatherizing that was completed for the recent winter meeting will be intact for the coming season, Leavitt said. This includes the glass-enclosed and heated grandstand and the indoor paddock. The latter was moved into the heated area between clubhouse and grandstand and will remain there for the spring, Leavitt said.

GHS Cindermen Meet Cannors Here Wednesday

Gettysburg High School's track squad will make its debut under new coach, Patrick Kelly, and also make its initial start of the season when it meets Biglerville here Wednesday afternoon at 4 o'clock in a Blue Mountain Conference Western Division contest.

The meet will mark the second for Biglerville, rated as one of the top contenders for the Blue Mountain title. The Cannors easily won from Littlestown and Bermudian Springs in a triangular meet last Friday. The Warriors are exceeding thin on experienced performers and many underclassmen will undoubtedly perform.

Other Blue Mountain meets scheduled Wednesday include: Western Division — Shippensburg at Boiling Springs; Eastern Division — East Pennsboro at Camp Hill, Northern at Newport. In an interdivision game Big Spring will be at Susquehanna.

MARIS IS INJURED

Roger Maris, the New York Yankees' 61-homer hitter of 1961, pulled a hamstring muscle in his left leg while making a diving catch during a 3-2 victory over Detroit at Lakeland, and likely will miss the world champions' season opener a week from today.

Duke Snider, veteran Dodger outfielder, was sold by Los Angeles to the New York Mets. The official confirmation of the much-discussed transaction was made by the Mets, who did not play Monday. The Dodgers were beaten 6-1 by Baltimore at Vero Beach.

Elsewhere, the Chicago Cubs belted Boston 13-3 at San Bernardino, San Francisco edged Cleveland 4-3 at Santa Barbara and the Los Angeles Angels whipped Houston 5-1 in California games. In other Florida action, Washington defeated Milwaukee 4-2 in 10 innings at West Palm Beach, Philadelphia edged St. Louis 5-4 at St. Petersburg and Cincinnati downed Kansas City 4-1 at Bradenton.

KANSAS IS SHARP
Law, a 33-year-old righthander who posted a 20-9 record in 1960, then followed with 3-4 and 10-7 marks, had been pitching at distances up to 250 feet in an effort to strengthen his arm muscles. The plan failed. Law has pitched in only one exhibition, giving up four runs in three innings.

Law will be sent to Daytona Beach, and may stay until the last minor league club leaves about April 20.

Friend, meanwhile, was mid-season sharp, allowing the Twins only four singles. The Pirates also got only four hits—but Don Clendenon's two-run homer in the sixth wrapped it up.

PEPITONE IS HOT
Maris homered for the Yankees in the top of the fourth, then in the bottom of the inning made a spectacular catch of a Dick McAuliffe liner and wound up on the injury list. Joe Pepitone continued to sizzle for the Yanks, hitting his third homer in two games and eighth of the spring.

Robbin Roberts went nine for the Orioles, holding the Dodgers to six hits.

Lou Brock collected a single, two doubles and a triple while Ron Santo and Ernie Banks hit consecutive homers as the Cubs walloped the Red Sox. Tom Haller's two-run homer proved decisive for the Giants as Juan Mari-chal pitched two-hit ball in his six-inning sting against the Indians.

Don Lee and Julio Navarro combined for a four-hitter as the Angels beat the Colts. Jim King's two-run 10th inning triple gave the Senators their victory over the Braves, the Phillies used a triple by Tony Taylor and a wild pitch in the eighth to beat the Cards and Don Blasingame and Gordie Coleman each stroked three hits in the Reds triumph over the A's.

DELONE OPENS CAMPAIGN AT SPRING GROVE
Frank Temme's Delone Catholic High School baseball team will open a 10-game schedule Wednesday when the Squires play at Spring Grove.

There are 33 candidates seeking berths on the Delone squad including the following eight lettermen: Dave Knox, Don McSherry, Steve Little and Joe Overbaugh, outfielders; Patrick Noel, Henry Reese and Francis Moore, infielders, and Francis Weaver, pitcher.

Heaviest losses by graduation last year were Jim Weaver, star hurler; Bill Timmins and Jim Livelsberger, infielders.

The schedule:
April 3—Spring Grove, away; 5, Kennard-Dale, away; 8, Gettysburg, home; 19, York Catholic, away; 23, Francis Scott Key, away; 29, Francis Scott Key, away; May 7, York Catholic, home; 9, Bermudian Springs, home; 16, Gettysburg, away; 20, Littlestown, home.

FRIEND WILL HURL OPENER FOR PIRATES

Bob Friend has the range from 60 feet, but the 250-foot experiment has failed Vern Law and today the pitching partners who brought Pittsburgh a world championship in 1960 were worlds apart.

Friend pitched a four-hitter over the nine-inning route Monday as the Pirates defeated Minnesota 3-0 in an exhibition at Orlando, clinching the opening day pitching assignment only hours after Law learned he was leaving the team for awhile.

Law's failure to overcome his shoulder ailment — and the announcement that he would be sent to the club's minor league camp to try and regain the form that made him a 20-game winner in 1960—came on a day filled with events of more than passing interest.

Bowling Trophy Presented

Trophies were both "coming and going" Saturday afternoon at a program held by the Recreation Association bowling group at Edgewood Lanes. While two young men received trophies for their skill in tournament work, a group of young ladies presented a trophy they had won in national competition to Gettysburg Junior High School for permanent display in their school. Left to right are Ornette Mehl, instructor for the Recreation bowlers; Francis "Butch" Albert, shown with the trophy he won in a Christmas tournament held by the Recreation Association; Sharon Heiser, Billie Ann Sentz, James Martin, also shown with a trophy he received for Christmas tournament competition; Joan Shriver, Sharyn Van Dyke and Recreation Director Ray Thompson. The young women comprised the local Recreation bowling league team which won the trophy held by Thompson in last year's National Mail-O-Graphic contest in competition against other junior high teams throughout the nation. They presented the trophy to Thompson who represented the Junior High School for the program. (Times photo)

REC BOWLING TEAMS JOIN IN TOURNEY

Members of the 18 Recreation Association sponsored bowling teams took part Saturday in a "mail-o-graphic tournament," and a presentation of trophies program at Edgewood Lanes.

During the program the "Space Patrol" team which last year won first place nationally in "mail-o-graphic" competition presented its trophy to the Gettysburg Junior High School.

Two youths, James Lartin and Francis "Butch" Albert, who won second place in the Bantam Division of the Boys' Handicap Doubles in a national Christmas "mail-o-graphic" tournament held in December, were presented their trophies from the national organization by Mrs. Ornette Mehl, their instructor.

Edgewood Lanes presented trophies provided by G. and C. McDermitt, York Springs, to the first and second place team bowling the most pins over their averages, and chevrons were presented to the first three teams. First place went to the "Jets" who exceeded their average by 553 pins. The members were the youngest team in the competition, comprised of seven or eight-year-old youngsters. They were Tom Slusser, Tom Carr, Joseph Dengler, Jerre Dengler and Robert Gantz. In second place were the "Five Lassies," who had 357 over their average and included Helen Longanecker, Lindy Hershey, Nancy Conner, Cathy Myers and Trudy Timmins. The "Strikeouts," who were third with 289 over their average, were Colleen Kennell, Janet Fair, Dondra Bollinger, Karen Orwig and Kim Hughes.

OTHER AWARDS
Trophies were also awarded to the boy and girl who had the most pins over their average in one game and in a three-game series. They will also receive trophies from the American Bowling Congress. They were: Single game, Karen Orwig and Joseph Althoff; series, Sandra Bollinger and John Bridenoph and Bruce Ferrara who were tied for the boys' series title.

Refreshments were served during the tournament by Clark Spence and Morrison Vending Co. Standings for the mailographic contest, handicap included, follow:

Senior Division — The Misfits, 2716; The 300's, 2694; K.K. V's, 2528.
Junior Division — String Rays, 2478; The Rebels, 2441; The Five Aces, 2426; Strikeouts, 2386; Ten Pinners, 2356; Spare Queens, 2334; Jets, 2329; Warriors, 2317; The 200's, 2303; Strikettes, 2281; Bee's, 2258; Braves, 2249; Five Lassies, 2238; Pin Splitters, 2206; Falcons, 2197.

Phillies Rally To Defeat Cards
ST. PETERSBURG, Fla. (AP)—Ray Culp pitched shutout ball for four innings Monday as the Philadelphia Phillies rallied to defeat the St. Louis Cardinals 5-4 in a Grapefruit League exhibition game.

Culp gave up one hit, walked none and struck out two in his four-inning stint. Paul Brown pitched the first five innings for the Phils and was touched for four runs on two singles, a double and a triple in the fifth.

The Phils scored three runs in the fifth and two more in the sixth. Tony Taylor drove in the tying and winning runs, with a single.

Bowler Changes Mind; Loses

BUFFALO, N.Y. (AP)—Frank Pollak of Pittsburgh rolled six consecutive strikes, changed his mind how to pick off a 5-9 spare and had to settle for third place in regular singles at the American Bowling Congress tournament.

"I changed my mind and whenever I do that I get into trouble," the 50-year-old assistant bank manager said of his third game Monday night.

Pollak said he believed that if he had stuck to his original plan—to shoot from the left side—he might have bettered his 724 series. Because he went with a strike ball instead, he trailed the current leader, John Snodell of St. Louis, by three pins.

Pollak rolled 243 in his first game and 246 in the second. There were no other changes in minor events or team competition Monday.

3 JOCKEYS ARE INJURED; TWO HORSES KILLED

CAMDEN, S.C. (AP)—Three jockeys were injured and two horses were killed during the 31st running of the Carolina Cup races.

The casualties dampened the gaiety for some 25,000 persons who watched the six-race program at picturesque Springdale Race Track here Saturday.

The featured Carolina Cup — a 3-mile test over timber—was won by Flying Cottage, a 9-year-old gelding owned by J. Blain Van Urk of Unionville, Pa. He won the race in record time of 5 minutes, 36.2 seconds, 150 yards ahead of Mid Ace, owned by Mrs. John C. West.

The hurdles proved too much for Allan Adale, owned by Thomas B. Glynn of Greenwich, Conn., and Rhyme Master, owned and ridden by Irvin Naylor. The horses fell and were later destroyed.

Naylor received a dislocated left shoulder, R. G. Wolfe, Allan Adale's jockey, was thrown from the saddle and narrowly averted injury.

In the first race, Lester Graham, 28, suffered a broken hand and mild concussion when his horse, Winter Squash, was involved in a spill with Companion, ridden by Willard Thompson, 28, of Aiken. Thompson suffered a fractured collar bone and broken finger.

Rain Results In Two Postponements
Rain and wet grounds forced the Littlestown High School baseball team and New Oxford High golfers to postpone their scheduled games Monday until today.

The Thunderbolts will meet the Kennard-Dale baseball outfit at Kennard-Dale today and New Oxford clashes with Cumberland Valley on the Hanover Country Club course at Abbottstown. In Central Penn Golf League matches played Monday Central Dauphin defeated John Harris 18½-12½; York blanked Central Dauphin East 20-0, and Susquehanna Twp. defeated William Penn 18½-12½.

Jack Bream, Littlestown High School athletic director, announced today the Thunderbolt track team will meet Kennard-Dale at Littlestown Thursday instead of Friday as previously scheduled. He also announced the switch in the sites for the baseball games with Kennard-Dale this week.

ROYALS HAVE A NEW OWNER

CINCINNATI (AP)—The Cincinnati Royals have changed hands again—while the team still was in the middle of the Eastern Division National Basketball Association playoffs.

Warren Hensel, wealthy Cincinnati businessman and minority stockholder, said Monday night he had completed a deal to buy 56 per cent of the club's stock from Emprise Corp. of Buffalo, N.Y.

Emprise, operated by wealthy concessionaire Louis M. Jacobs, was to retain control of Cincinnati Gardens where the Royals play.

Emprise acquired the Royals and Gardens stock Friday in a purchase from the estate of the late Thomas E. Wood. Reliable sources indicated the sale involved about \$500,000.

Hensel declined to give any financial details, but said he was in the Royals' deal alone.

Hensel, 48-year-old manufacturer's representative and distributor, said he planned to retain the team in Cincinnati.

SHENANDOAH OPENS SOON

CHARLES TOWN, W. Va.—More than 1,300 horses will be on the grounds for the Shenandoah Downs spring meeting which opens April 13, General Manager Robert G. Leavitt announced over the weekend. The big pool of thoroughbreds was made possible by an agreement reached by Shenandoah and the Charles Town day track to exchange stabling facilities for the spring season.

The pact will assure that most of the more than 1,600 thoroughbreds for which stalls have been sought will be able to race during the 31-night kick-off session here, Leavitt said. Those not being bedded down on the grounds are expected to find accommodations in the hundreds of outside stables in the Charles Town area.

Shenandoah Downs is in its fifth year of operation and is beginning its fifth spring meeting. The \$4 million plant opened for business on May 1, 1959, and has raced each spring since. Post time will be at 7:15, customary start for the night oval.

Weathering that was completed for the recent winter meeting will be intact for the coming session, Leavitt said. This includes the glass-enclosed and heated grandstand and the indoor paddock. The latter was moved into the heated area between clubhouse and grandstand and will remain there for the spring, Leavitt said.

YOUTH IS FREED
WILKES-BARRE, Pa. (AP)—Walter Lubinski Jr., 16, of Larksville, Pa., was found not guilty Monday night by a jury of six men and six women of a charge of first degree murder in the shotgun death of his father, Walter Lubinski Sr., last Dec. 22.

Young Lubinski shot his father after he heard his mother's life threatened in a family quarrel, police said.

STATE PLANS REDUCTION OF TROUT STOCK

HARRISBURG (AP)—The state plans to cut its trout-stocking program by 40 per cent during the 1964 fishing season.

That action was taken by the state Fish Commission Monday. Executive Director Albert M. Day said the cutback was prompted by a cut in anticipated income.

Day said the commission's program for this season contemplates stocking Pennsylvania fishing waters with 2,730,000 trout. Of those, 450,000 will come from federal hatcheries. Day said funds were not in sight to continue stocking on such a level next year.

Day said even if the commission received legislative approval for a license and boating fee increase, "the first benefits to be derived would not come until April a year from now"—too late for the stocking program next year.

RESTORE IN 1965
Should these increases be granted, the executive director said, the commission hopes to restore the stocking program to its current level in 1965.

The commission has been stocking between two million and 2.5 million trout over the past five years.

It allocated a little over \$700,000 from its \$2.35 million budget this year for its propagation and distribution program.

Day estimated approximately the same amount would be spent in fiscal 1963-64 on the program. But he said more money would have to be spent than in the past on such items as maintenance and repair of equipment and the rehabilitation of hatcheries.

Robert J. Bielo, 39, East Petersburg Twp., Lancaster County, was named assistant executive director of the commission at an annual salary of \$11,000, replacing Dr. Albert S. Hazzard, 62, who retired. Hazzard's salary was \$12,000.

PENNEL FAILS TO TOP PEAK

GAINESVILLE, Fla. (AP)—The way it looks to John Pennel he hasn't hit the pole vault ceiling yet. All he has to do is rock his head back a little more.

"There is a lot more room up there," he said after he just missed a new world record of 16 feet 4 inches in the Florida Relays Saturday—one week after he bettered the mark at 16-3.

Pennel said he gained the added distance that put him up and over the world record by rocking back with his head a little more.

Until a week or so before he made the record vault at Memphis, Pennel had never gone higher than 15-2¼ outdoors. Then he studied films of his leaps, figured he should rock his head back more.

In the Florida Relays he particularly wanted to do better and was disappointed at the 16 feet ¼ inch he made—which raised the Relays record a full foot. But when Pennel tried 16 feet 4 inches, he grazed the bar with his chest just below the neck and the bar teetered and fell.

FINED \$100
HAZZLETON, Pa. (AP)—Tom Hoover of the Camden Bullets of the Eastern Basketball League has been fined \$100 and suspended for the first four days of next season for allegedly striking referee Jim Armstrong in a game at Wilkes-Barre last Saturday.

League President Harry Rudolph imposed the penalty Monday and ordered Hoover to pay the fine within five days or face indefinite suspension.

The first helicopter designed for useful work left Bridgeport, Conn., in 1942 for delivery to the Army Air Corps.

LAFAYETTE, La. (AP)—The Cajun Classic Invitational Golf Tourney will be played here Nov. 21-24 with a total of \$20,000 in prize money.

Out Of The Past
From the Files of the Star and Sentinel and The Gettysburg Times
FIFTY YEARS AGO
Gettysburg flower lovers report many blooming plants in their yards. Bulbs are up unusually early this spring. Garden making has been in progress in some sections of the town for several weeks but little onions have not yet appeared. The Civic Club sprinkler would have been a welcome visitor on the streets of town at any time during the last few days.
The walls of the cyclorama building will near completion by the end of the week. Only about six weeks remain before the structure will be needed for the Odd Fellows' Convention.
Horses Go To Church: A double team belonging to Edward Weikert of near Greenmount ran away from the Gettysburg Department Store warehouse this morning and created a lot of excitement on the principal streets of town but did little damage. The horses came up York street at full tilt and galloped through the Square to Baltimore street. They continued on up Baltimore street to High and then on High street to the Reformed church where they slowed down and walked up to the hitching post where Mr. Weikert is accustomed to tie while attending services. The team was found there soon afterward, intact and with no damage to either horses or wagon. A number of people tried to stop the horses as they traveled through town but none succeeded and several persons had narrow escapes in getting out of their way.
New Blower: A new kinetic organ blower is now being installed in connection with the Presbyterian pipe organ at a cost of \$192 and will be completed in a few days. The apparatus will replace the water motor which has not given satisfaction for some time.
High Water Mark: Exceeding even the highwater mark records made at the time of the Johnstown Flood, Adams County streams were swollen this morning to the greatest height in their history. Steady rains during the night which amounted almost to cloudbursts at four, six and seven o'clock caused the sudden rise which in many sections made travel dangerous and at any possibility of crossing bridges over the main streams. Rock Creek was swollen far beyond its banks and the bridge east of town could not be reached from either side. The Beaneville bridge was threatened and the new Western Maryland bridge allowed traffic which would have been almost criminal over the old wooden trestle. At eight o'clock Marsh Creek was two inches higher than its best mark at the time of the Johnstown disaster. Small foot bridges on Wiloughby Run and other county streams were washed away early in the day though the big structures withstood the strain. In Gettysburg conditions were the worst they have ever been known. Cellars in all parts of town contained from six inches to several feet of water. The college meadow was completely submerged and the land between Washington and Carlisle streets was under several feet of water. Culp Run was at its highest and "Sleepy Hollow" was badly flooded.
Killed Pretty Bird: Luther Poteroff of New Chester recently shot a beautiful white swan on Creager's Dam near that place. It weighed fourteen pounds and measured over six feet from tip to tip of wings. The bird was a beauty, the feathers being snow white and the bill and feet black.

Just Folks
CARELESS
I like to toss my coat upon the chair
Though twice ten thousand times have I been told
There is a place to hang it 'neath the stair,
Likewise a hook designed my hat to hold.
Something within me I can't quite explain
Makes too much order difficult to bear.
Always, it seems, when I get home again
I like to toss my coat upon a chair.
To me the home spells ease and true delight
And closets with their hooks are dark with gloom.
Always I'm over-eager with the night
To settle in my comfortable room.
Scarce past the door I fling my hat aside,
As if it were a needless weight of care,
And swiftly to be rid of foolish pride
I like to toss my coat upon a chair.
Protected, 1965, by The George Matthew Adams Service

to have originated from the heating plant. Damage to the extent of several hundred dollars was done. A bucket brigade held the fire in check until the fire company arrived.
First Services: The recently organized St. John's Baptist congregation, colored, who lately bought Marble Hall and converted it into a church, will hold their first religious service on Sunday, April 6. A platform service will be held at 3 p.m. and the public is cordially invited to attend. N. D. Shadney is the pastor.
Many Flittings In Gettysburg: Moving day in Gettysburg this year almost broke all previous records and every section of town saw the flittings. Among those who changed place of residence were the following: Mrs. Ella Weaver from 10 Chambersburg St. to 114 Chambersburg St.; Samuel Weiser from Caldwell house to the Cleveland house on York St.; Irvin Kelly from residence on Chambersburg St., to his new house on West street; Jacob Swisher from East Middle St. to house vacated by Mr. Kelly; William Adair into Mr. Kelly's other new house on West St.; C. A. Heiges from Cashdown to house he purchased on Buford Ave.; J. H. Kadel from Hanover to Cobean property on Chambersburg St.; Wilson Bream from 48 Stevens to his new home on Broadway; W. E. Olinger from 118 Steinwehr Ave. to 34 West Middle St.; and many others.

Green House Fire: Fire shortly before three o'clock this afternoon destroyed the north end of the Coulson green house on Buford avenue. The fire is supposed

Today's Talk
DON'TERS
The worst possible diet with which to feed a child's mind is one of "don't." In the first place a child's instinct resents it. It's just born that way. Being a child, in fear it obeys these "don'ts" for a time; but if it lives into maturity, something very useful and fine has been taken from that mind, though the scar alone may remain.
The free development of a mind, wisely and kindly directed, means a healthy mind in after years.
Traveling on a steamship once I saw an example of a donter in the form of a mother and young son. All day and evening it was a series of "don't do this," "don't do that." A child is born into the world to develop a personality of its own. This it cannot do if someone else constantly attempts to force another personality upon it.
When a boy I was impressed with a series of small books entitled: "The Why Books." I read them for they fascinated. There were no "don'ts" in them.
One of the famous don'ters is the "back seat driver." The fact remains that only one person can drive a car at one time. If you are an occupant of that car let the driver alone. He will drive less safely with a series of "don't" ringing in his ears.
Unless you are sure you can do the job you criticize better than the one who is doing it, say nothing and trust that one. The don't-does won't help.
It's a wise and controlled human being who has learned when not to say "don't!"
The intelligent human being knows when to ask of seek advice or counsel. It only irritates, and lessens the efficiency and initiative of such a one to offer him what he doesn't ask for.
The man or woman who knows how to do needs no don'ters for aides.
Negative commands and advice are like a cart before the horse anyway.
Tomorrow's subject: "Reason Things Out."

President Kennedy sends a special message to Congress spelling out his foreign aid requests. British Labor party leader Harold Wilson calls on President Kennedy to tell him what the United States can expect from Britain if the Labor party wins the next election.
International
The Kennedy administration is being pressed to deny re-entry to the United States of refugees who participate in hit-and-run raid on Cuba.
A neutralist guard is charged with the assassination of Lefist Laotian Foreign Minister Quinim Pholsena in Vientiane.
National
The nation's railroads are ready to put into effect the work rules changes which eventually will eliminate 65,000 jobs.
Pennsylvania
The General Assembly put aside most of its other business today to receive Gov. Scranton's first general fund budget and tax proposals. Legislative action was subdued somewhat Monday as both chambers awaited the budget message. The Senate, however, did pass two administration measures.
Amendments designed to meet conservationists' demands for revising the Scranton administration's soft coal strip mining bill are expected to be presented to the House Mines Committee today. The proposed amendments already have met strong objections from the strip mining industry.
Defendant Robert L. Dougherty was summoned to the witness stand today as the government continued its prosecution in an income tax evasion trial against two mining companies at Lewisburg, Pa. Among those on trial is August J. Lippi, president of the United Mineworkers, District One.
Gov. Scranton asked the legislature today to expand the state's sales and cigarette taxes to balance a proposed record budget of \$1.1 billion. Scranton's proposal would raise the sales tax from 4 to 4 1/2 per cent and broaden its coverage to include clothing. The cigarette tax would go up two cents a pack over a period of two years.

LIONS' PANEL WILL DISCUSS TOWN NEEDS
A panel discussion will be the program feature at the semi-monthly dinner meeting of the Littlestown Lions Club on Thursday at 7 p.m. in the Starlite Room, Dutterer's Restaurant. The Civic Improvement Committee, composed of Howard O. Myers, W. R. Jones and W. E. Mackley, will be in charge of the program.
The panel will comprise: Medical, represented by Dr. L. L. Potter, local physician; Chamber of Commerce, Marvin F. Breighner, president; Junior Chamber of Commerce, Paul F. Boller Jr., president; Littlestown Ministerium, the Rev. Lawrence H. Roller, president; Joint School System, Paul E. King, supervising principal; and the local Borough Council, Lewis H. Fox, president.
Two questions will be used for this program: "What in your mind would you think a most necessary improvement that would benefit our community and have you a suggestion as to how to make it possible? Employment usually makes up less than one third of the people in a community, yet we have a larger work force than our population. In the face of this should we do anything to attract these workers to live here and if so what would you suggest?" The topic "Civic Improvement" will be explored and a question period will follow.
Immediately following the program there will be an open discussion on two topics by the membership. The board of directors recommend that the dues of the local club be increased and that the delegates to various conventions be paid part expenses. President Harry D. Feeser urges the members to remain for this discussion.
The Lions will sponsor the Adams County Junior Miss Pageant Saturday, April 20, at 8 p.m. in the Littlestown High School auditorium. Tickets can be secured from any member of the club. The state convention will be held May 5, 6 and 7 in Allentown. The International convention will be held in Miami Beach, Fla., June 19-22.

Defendant Robert L. Dougherty was summoned to the witness stand today as the government continued its prosecution in an income tax evasion trial against two mining companies at Lewisburg, Pa. Among those on trial is August J. Lippi, president of the United Mineworkers, District One.
Gov. Scranton asked the legislature today to expand the state's sales and cigarette taxes to balance a proposed record budget of \$1.1 billion. Scranton's proposal would raise the sales tax from 4 to 4 1/2 per cent and broaden its coverage to include clothing. The cigarette tax would go up two cents a pack over a period of two years.

LIONS' PANEL WILL DISCUSS TOWN NEEDS
A panel discussion will be the program feature at the semi-monthly dinner meeting of the Littlestown Lions Club on Thursday at 7 p.m. in the Starlite Room, Dutterer's Restaurant. The Civic Improvement Committee, composed of Howard O. Myers, W. R. Jones and W. E. Mackley, will be in charge of the program.
The panel will comprise: Medical, represented by Dr. L. L. Potter, local physician; Chamber of Commerce, Marvin F. Breighner, president; Junior Chamber of Commerce, Paul F. Boller Jr., president; Littlestown Ministerium, the Rev. Lawrence H. Roller, president; Joint School System, Paul E. King, supervising principal; and the local Borough Council, Lewis H. Fox, president.
Two questions will be used for this program: "What in your mind would you think a most necessary improvement that would benefit our community and have you a suggestion as to how to make it possible? Employment usually makes up less than one third of the people in a community, yet we have a larger work force than our population. In the face of this should we do anything to attract these workers to live here and if so what would you suggest?" The topic "Civic Improvement" will be explored and a question period will follow.
Immediately following the program there will be an open discussion on two topics by the membership. The board of directors recommend that the dues of the local club be increased and that the delegates to various conventions be paid part expenses. President Harry D. Feeser urges the members to remain for this discussion.
The Lions will sponsor the Adams County Junior Miss Pageant Saturday, April 20, at 8 p.m. in the Littlestown High School auditorium. Tickets can be secured from any member of the club. The state convention will be held May 5, 6 and 7 in Allentown. The International convention will be held in Miami Beach, Fla., June 19-22.

New Yorkers Get Newspaper Sunday, First In 114 Days

By ANDREW MEISELS
NEW YORK (AP)—New York City's 114-day newspaper strike has ended with the roar of high-speed presses and the busy sounds of 19,000 newspaper employees back at work.

A series of labor disputes had shut down the papers for nearly four months and cost the city's economy an estimated \$250 million.

News-hungry inhabitants of this news-making city bought up the papers almost as fast as the presses could print them. Normally, 5 1/2 million copies are printed daily, but the sale of Monday's editions was more than brisk.

"I never sold papers so fast in my life," said a Bronx news dealer. "I was passing them out like a robot."

2 INCREASE PRICE

Two morning papers—the Times and Herald Tribune—returned to the stands Sunday night at double their prestrike price. The papers said greatly increased costs forced a rise from 5 to 10 cents, the first increase since 1946.

The other morning papers—the tabloid News and the Mirror—remained at a nickel. The afternoon papers retained their preshutdown prices—10 cents for the Manhattan papers and 5 cents for the Long Island Press and the Long Island Star-Journal. The Press, which published its Long Island edition, throughout the strike, raised its Sunday price from 15 to 20 cents.

COSTLY STRIKE

The newspaper shutdown—longest and costliest in this city's history—began Dec. 8 with a strike of printers. It ended Sunday when 317 photoengravers—members of the last of three unions that joined the strike—voted to accept a new contract with the Publishers Association of New York City.

Only four of the city's nine major papers actually were struck—the Times, News, World-Telegram & Sun and Journal-American. The Post, Herald Tribune,

Mirror, Long Island Press and Long Island Star-Journal suspended publication voluntarily.

On March 4, the Post left the ranks of the publishers and resumed publication. For the past 27 days, it has printed and sold 750,000 copies a day, more than double its normal circulation.

"ALIVE AGAIN"

The first paper on the streets was the Mirror—second largest in the country with a daily circulation of nearly 900,000. The Mirror, after heralding the good news with a fireworks display, announced on its front page:

"New York's alive again."

Shortly thereafter, the Daily News, whose daily circulation of more than 2 million is the largest in the country, put in its first appearance of 1963 with a front-page banner that said:

"We have NEWS for you."

The first editions were snapped up in minutes.

"Oh, What a Beautiful Morning," proclaimed a six-column headline on the front page of the Herald Tribune. An editorial expressed thanks to Mayor Robert F. Wagner, who mediated the strike and came up with the formula which eventually won acceptance of all the unions involved.

The Times, News and Mirror all commented editorially that the strike proved the need for better machinery in the field of labor-management relations.

"No one wins a strike of this dimension," said the Times, "not labor, not management, and certainly not the public. It must not occur again."

MRS. PENNSYLVANIA

MIAMI BEACH, Fla. (AP)—Mrs. Margaret Price, 30, Stroudsburg, Pa., has been named Mrs. Pennsylvania. Her selection, announced Monday by the Mrs. America Homemaking Council, was made on information submitted on contest forms including recipes, quizzes and essays. The finals are here April 22-29.

Colonial Gown

Anyone interested in purchasing bonnets and dresses like this for the bicentennial celebration in McSherrystown this summer should get in touch with Miss Doris Smith, 429 Main St., McSherrystown, or call ME 7-4283. Miss Smith is the model for this outfit.

Scranton

(Continued From Page 1)

ment, as opposed to increases for school subsidies, health programs and other items.

The general government cost, he said, will be \$96,428,848—a drop of slightly more than one million dollars from the 1962-63 budget drawn up by his predecessor, Gov. David L. Lawrence.

Scranton contended that the need for revenue "is not a partisan issue."

"It is not a political problem," he contended, adding:

"If state government is not to collapse of its own financial weight and its inability to balance that weight, we need to find a long-term answer to the problem. We must realize that the overwhelming portion of state expenditures is not devoted to operating expenses, but to grants and subsidies."

He continued:

"The answer, however painful,

Littlestown

MUSICAL BY GRADE PUPILS FRIDAY NIGHT

Pupils of the Fifth and Sixth Grades of the Littlestown public schools will present a vocal and instrumental concert Friday evening at 7:30 o'clock in the Littlestown High School auditorium. The theme for the spring musical will be "April in Paris." Vocal groups will present the first five sections of the programs and then the elementary band will play a group of numbers.

Mrs. Theresa C. Eshbach is the vocal director. The instrumental directors are Paul A. Harner and Larry E. McGriff. Miss Judith S. Bosserman is the French instructor and Donald C. Sheely, art supervisor.

To open the concert, the Fifth and Sixth Grade singers will present "a Parisian Holiday," "Frere Jacques" and "I Love Paris." Then the Sixth Grade chorus will sing "Vive L'Amour" and "Do, Re, Mi." The singers will return for "Alouette," "La Marseillaise" and "Sur La Pont."

The Sixth Grade Chorus will sing "The Happy Wanderer" and "I Wish I Wuz" with solo parts taken by Barbara Arentz, Jenny Hess, Nelson Plitt and Stephen Ambrose.

The final vocal group will be by the Singers and will include: "Everybody Loves Saturday Night," "Chumbaba and Can-Can" and "I Like It Here."

The band will conclude the concert with these selections: "Take Off March," "My Valentine Waltz," "Indian Dance," "Sweethearts," "Liebestraum" and "March Flagship."

is clear. That amount to pay for mandated programs must be raised in new taxes."

If you poke a finger in yeast dough that is "doubling in bulk," and the impression remains, the dough has risen sufficiently.

Needlecraft

Belinsky Plans To Marry Actress

SAN JOSE, Calif. (AP)—Southpaw Bo Belinsky of the Los Angeles Angels says he's planning on marrying actress Marnie Van Doren, but hasn't gotten around to buying her a ring.

"She's my kind of girl," the pitcher said in explaining his intentions. "I like her a lot. In fact, I'm mad about her, but things are too unstable to think of a wedding date now."

"I'm just plain nutty about Bo," Miss Van Doren said in Hollywood when told that Belinsky had announced his engagement. "We became engaged last Sunday night in Palm Springs, but I thought we were going to make a joint announcement when Bo returned home with the Angels for the weekend series with the Dodgers. He was going to buy me a ring

Kennedy

(Continued From Page 1)

ment on Kennedy's request for the next fiscal year.

Kennedy's new money request for the fiscal year starting next July 1 is now \$4,525,000,000, or \$420 million below the \$4,945,000,000 he called for in his fiscal 1964 budget submitted in January before he got the Clay report.

ARMS, ECONOMIC AID

Officials figured actual spending for fiscal 1964 would probably drop less than \$100 million during the year as a result of the proposed savings because spending lags behind appropriations.

In the new money request, \$1,405,000,000 would go for arms aid—a \$75-million reduction from the January figure—and \$3,120,000,000 for economic assistance, a \$345-million cutback.

Most of the economic aid savings, officials said, stem from postponements of the time when developing countries are expected to be ready to qualify for loans and from reducing from \$400 million to \$300 million the amount of the presidential contingency fund used for emergencies. They said \$300 million seemed ample for any foreseeable emergencies.

3 PROPOSALS

Sounding part of the theme in the Clay report, Kennedy said the main new initiative in the 1964 program would be to encourage private investment in underdeveloped countries.

To this end he proposed:

—Amending the U.S. tax law so American firms can deduct part of their investments in these lands from U.S. income taxes. Officials said the proposed tax credit will probably exceed 10 percent of the amount invested.

—Expanding U.S. government guarantees to American investors overseas against losses from expropriation and other political causes. Officials said the guarantee program against such risks would be raised from \$1.3 billion to \$2.5 billion under Kennedy's proposal. This does not require new appropriations.

The President also requested abolition of the ban Congress included in last year's trade law against giving most-favored-nation tariff concessions to Communist Poland and Yugoslavia.

BEATS SISTER, THEN ENDS LIFE

STATE COLLEGE, Pa. (AP)—State police were trying to determine the motive today in the bludgeoning of a teen-age girl and the suicide of her older brother.

Authorities said David James Jinks, 20, struck his 13-year-old sister, Susan, a serious blow on the head Monday shortly before taking his own life with a .22-caliber rifle in a bedroom of the family home.

In an adjoining bedroom, the sister was found unconscious. A blood-stained hammer was in the bathroom, where a hole in the wall appeared to have been caused by a blunt instrument, police said.

Coroner Robert Ness ruled the death of David Jinks a suicide.

The girl was taken to Centre County Hospital in Bellefonte where her condition was described as critical.

Authorities said the dead youth had been a sophomore at Pennsylvania State University, but had dropped out at the end of the fall semester.

KILLED IN CRASH

MEADVILLE, Pa. (AP)—Vincent Zimmerman, about 40, of Meadville R. 1, was killed Monday night when his car crashed into a truck parked along a rural road four miles northeast of Meadville.

HOWARD JOHNSON RESTAURANT

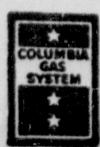

Really—Gas cools homes, too?

Surprised? Why? That clean, dependable, thrifty Gas flame does such an efficient job of heating... of course it's ideal for cooling, too! And the best part of all is that a single Gas Air Conditioning unit will heat your home in winter, cool it in summer. Just a twist of the dial and you have any temperature you want, any month of the year, in every room of your house!

Or, if you already have a forced air Gas heating system in your home, you can convert it to air conditioning just by adding a Gas cooling unit. It's easy to install. And remember, because a thrifty Gas flame does both the heating and cooling jobs, your operating costs stay low. Call your Gas Company soon for full information and a free estimate.

New Yorkers Get Newspaper Sunday, First In 114 Days

By ANDREW MEISELS
NEW YORK (AP)—New York City's 114-day newspaper strike has ended with the roar of high-speed presses and the busy sounds of 19,000 newspaper employees back at work.

A series of labor disputes had shut down the papers for nearly four months and cost the city's economy an estimated \$250 million.

News-hungry inhabitants of this news-making city bought up the papers almost as fast as the presses could print them. Normally, 5½ million copies are printed daily, but the sale of Monday's editions was more than brisk.

"I never sold papers so fast in my life," said a Bronx news dealer. "I was passing them out like a robot."

2 INCREASE PRICE

Two morning papers—the Times and Herald Tribune—returned to the stands Sunday night at double their prestrike price. The papers said greatly increased costs forced a rise from 5 to 10 cents, the first increase since 1946.

The other morning papers—the tabloid News and the Mirror—remained at a nickel. The afternoon papers retained their preshutdown prices—10 cents for the Manhattan papers and 5 cents for the Long Island Press and the Long Island Star-Journal. The Press, which published its Long Island edition throughout the strike, raised its Sunday price from 15 to 20 cents.

COSTLY STRIKE

The newspaper shutdown—longest and costliest in this city's history—began Dec. 8 with a strike of printers. It ended Sunday when 317 photogravers—members of the last of three unions that joined the strike—voted to accept a new contract with the Publishers Association of New York City.

Only four of the city's nine major papers actually were struck—the Times, News, World-Telegram & Sun and Journal-American. The Post, Herald Tribune,

Mirror, Long Island Press and Long Island Star-Journal suspended publication voluntarily.

On March 4, the Post left the ranks of the publishers and resumed publication. For the past 27 days, it has printed and sold 750,000 copies a day, more than double its normal circulation.

"ALIVE AGAIN"

The first paper on the streets was the Mirror—second largest in the country with a daily circulation of nearly 900,000. The Mirror, after heralding the good news with a fireworks display, announced on its front page:

"New York's alive again."

Shortly thereafter, the Daily News, whose daily circulation of more than 2 million is the largest in the country, put in its first appearance of 1963 with a front-page banner that said:

"We have NEWS for you."

The first editions were snapped up in minutes.

"Oh, What a Beautiful Morning," proclaimed a six-column headline on the front page of the Herald Tribune. An editorial expressed thanks to Mayor Robert F. Wagner, who mediated the strike and came up with the formula which eventually won acceptance of all the unions involved.

The Times, News and Mirror all commented editorially that the strike proved the need for better machinery in the field of labor-management relations.

"No one wins a strike of this dimension," said the Times, "not labor, not management, and certainly not the public. It must not occur again."

MRS. PENNSYLVANIA

MIAMI BEACH, Fla. (AP)—Mrs. Margaret Price, 30, Stroudsburg, Pa., has been named Mrs. Pennsylvania. Her selection announced Monday by the Mrs. America Homemaking Council, was made on information submitted on contest forms including recipes, quizzes and essays. The finals are here April 22-29.

Colonial Gown

Anyone interested in purchasing bonnets and dresses like this for the bicentennial celebration in McSherrystown this summer should get in touch with Miss Doris Smith, 429 Main St., McSherrystown, or call ME 7-4283. Miss Smith is the model for this outfit.

Scranton

(Continued From Page 1)

ment, as opposed to increases for school subsidies, health programs and other items.

The general government cost, he said, will be \$96,428,843—a drop of slightly more than one million dollars from the 1962-63 budget drawn up by his predecessor, Gov. David L. Lawrence.

Scranton contended that the need for revenue "is not a partisan issue."

"It is not a political problem," he contended, adding:

"If state government is not to collapse of its own financial weight and its inability to balance that weight, we need to find a long-term answer to the problem."

"We must realize that the overwhelming portion of state expenditures is not devoted to operating expenses, but to grants and subsidies."

He continued:

"The answer, however painful,

Littlestown

MUSICAL BY GRADE PUPILS FRIDAY NIGHT

Pupils of the Fifth and Sixth Grades of the Littlestown public schools will present a vocal and instrumental concert Friday evening at 7:30 o'clock in the Littlestown High School auditorium. The theme for the spring musical will be "April in Paris." Vocal groups will present the first five sections of the programs and then the elementary band will play a group of numbers.

Mrs. Theresa C. Eshbach is the vocal director. The instrumental directors are Paul A. Harner and Larry E. McGriff. Miss Judith S. Bosserman is the French instructor and Donald C. Sheely, art supervisor.

To open the concert, the Fifth and Sixth Grade singers will present "A Parisian Holiday," "Frere Jacques" and "I Love Paris." Then the Sixth Grade chorus will sing "Vive L'Amour" and "Do, Re, Mi." The singers will return for "Alouette," "La Marseillaise" and "Sur La Poutte."

The Sixth Grade Chorus will sing "The Happy Wanderer" and "I Wish I Wuz" with solo parts taken by Barbara Arentz, Jenny Hess, Nelson Plitt and Stephen Ambrose.

The final vocal group will be by the Singers and will include: "Everybody Loves Saturday Night," "Chumbara and Can-Can" and "I Like It Here."

The band will conclude the concert with these selections: "Take Off March," "My Valentine Waltz," "Indian Dance," "Sweethearts," "Liebestraum" and "March Flagship."

It is clear. That amount to pay for mandated programs must be raised in new taxes.

If you poke a finger in yeast dough that is "doubbling in bulk," and the impression remains, the dough has risen sufficiently.

Needlecraft

by Alice Brooks

You'll enjoy crocheting this afghan—you'll be proud to show it as your handiwork.

Jiffy-crochet afghan in an unusual modern design—smart in 3 shades, multi-colors. Reversible, lightweight. Pattern 7006; directions.

1963's Biggest Needlecraft Show stars smart accessories—it's our new Needlecraft Catalog: Plus over 200 fresh-to-you designs to knit, crochet, sew, weave, embroider, quilt. Plus free pattern.

Belinsky Plans To Marry Actress

SAN JOSE, Calif. (AP)—Southpaw Bo Belinsky of the Los Angeles Angels says he's planning on marrying actress Mamie Van Doren, but hasn't gotten around to buying her a ring.

"She's my kind of girl," the pitcher said in explaining his intentions. "I like her a lot. In fact, I'm mad about her, but things are too unstable to think of a wedding date now."

"I'm just plain nutty about Bo," Miss Van Doren said in Hollywood when told that Belinsky had announced his engagement. "We became engaged last Sunday night in Palm Springs, but I thought we were going to make a joint announcement when Bo returned home with the Angels for the weekend series with the Dodgers. He was going to buy me a ring

Kennedy

(Continued From Page 1)

ment on Kennedy's request for the next fiscal year.

Kennedy's new money request for the fiscal year starting next July 1 is now \$4,325,000,000, or \$420 million below the \$4,945,000,000 he called for in his fiscal 1964 budget submitted in January before he got the Clay report.

ARMS, ECONOMIC AID

Officials figured actual spending for fiscal 1964 would probably drop less than \$100 million during the year as a result of the proposed savings because spending lags behind appropriations.

In the new money request, \$1,405,000,000 would go for arms aid—a \$75-million reduction from the January figure—and \$3,120,000,000 for economic assistance, a \$345-million cutback.

Most of the economic aid savings, officials said, stem from postponements of the time when developing countries are expected to be ready to qualify for loans and from reducing from \$400 million to \$300 million the amount of the presidential contingency fund used for emergencies. They said \$300 million seemed ample for any foreseeable emergencies.

3 PROPOSALS

Sound part of the theme in the Clay report, Kennedy said the main new initiative in the 1964 program would be to encourage private investment in underdeveloped countries.

To this end he proposed: —Amending the U.S. tax law so American firms can deduct part of their investments in these lands from U.S. income taxes. Officials said the proposed tax credit will probably exceed 10 percent of the amount invested.

—Expanding U.S. government guarantees to American investors overseas against losses from expropriation and other political causes. Officials said the guarantee program against such risks would be raised from \$1.3 billion to \$2.5 billion under Kennedy's proposal. This does not require new appropriations.

The President also requested abolition of the ban Congress included in last year's trade law against giving most-favored-nation tariff concessions to Communist Poland and Yugoslavia.

In Las Vegas. I like him better than any man I've met before."

BEATS SISTER, THEN ENDS LIFE

STATE COLLEGE, Pa. (AP)—State police were trying to determine the motive today in the bludgeoning of a teen-age girl and the suicide of her older brother.

Authorities said David James Jinks, 20, struck his 13-year-old sister, Susan, a serious blow on the head Monday shortly before taking his own life with a .22-caliber rifle in a bedroom of the family home.

In an adjoining bedroom, the sister was found unconscious. A blood-stained hammer was in the bathroom, where a hole in the wall appeared to have been caused by a blunt instrument, police said.

Coroner Robert Ness ruled the death of David Jinks a suicide.

The girl was taken to Centre County Hospital in Bellefonte where her condition was described as critical.

Authorities said the dead youth had been a sophomore at Pennsylvania State University, but had dropped out at the end of the fall semester.

KILLED IN CRASH

MEADVILLE, Pa. (AP)—Vincent Zimmerman, about 40, of Meadville R. 1, was killed Monday night when his car crashed into a truck parked along a rural road four miles northeast of Meadville.

HOWARD JOHNSON RESTAURANT

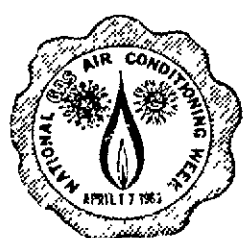

Really—Gas cools homes, too?

Surprised? Why? That clean, dependable, thrifty Gas flame does such an efficient job of heating . . . of course it's ideal for cooling, too! And the best part of all is that a single Gas Air Conditioning unit will heat your home in winter, cool it in summer. Just a twist of the dial and you have any temperature you want, any month of the year, in every room of your house!

Or, if you already have a forced air Gas heating system in your home, you can convert it to air conditioning just by adding a Gas cooling unit. It's easy to install. And remember, because a thrifty Gas flame does both the heating and cooling jobs, your operating costs stay low. Call your Gas Company soon for full information and a free estimate.

Robot Brooks No Quarter With Delinquent Taxpayer

By **RAYMOND J. CROWLEY**
MARTINSBURG, W.Va. (AP)—Taxpayers tempted to fudge on their April 15 federal returns should think again. They may be up against a formidable combination, including:

1. A robot without any feelings;
2. A bureaucrat who admires the logic of Aristotle; 3. A gal whose eyes change from blue to green depending on what color eye shadow she is wearing.

These are among the workers in a small, modernistic building here in the Shenandoah Valley apple country. The building houses the national computer center of the Internal Revenue Service.

ROBOT COMPUTER

The robot, or computer, is checking millions of tax returns from the Eastern seaboard. By 1966, it will be prying into returns from all over the nation—an estimated 78 million, including individuals and businesses.

Raw data—such as the figures on your return—are punched on cards in regional offices in Atlanta and Philadelphia. These cards transfer the information to magnetic tape. The tape—about 55,000 tax accounts on a reel about a foot in diameter—is then flown to Martinsburg.

Then the computer goes to work. Fed the raw tape, it checks against a master file to see whether a taxpayer has filed all returns lawfully due, whether he is up to date on payments and whether there is anything suspicious about him.

Then the machine produces another tape for shipment back to the field. This can automatically write notices that a person owes money, that he must produce his papers for an audit, or that he is even with the government.

When the computer sends out a notice requiring an answer, it begins counting the days, and if a taxpayer does not respond in time it fires off a sterner warning.

It can alert revenue agents to slap a lien on the old homestead or—oh yes—it can automatically write a refund check if necessary.

In charge of this awesome setup is not a high-domed scientist—as you might expect—but an English major from Bowdoin College, class of 1940, John E. Stewart by name. He is an unusual bureaucrat, in that he takes pride in the small size of his bureau, 78 persons in addition to the robot.

The machine is important, he says, but far more important are the people attending it. They don't necessarily have to have advanced university degrees.

"But they must have an aptitude; an ability to do some abstract reasoning—like the logic of Aristotle, a master philosopher of ancient Greece. Above all, they have to be able to get along with other people, because this is a team job."

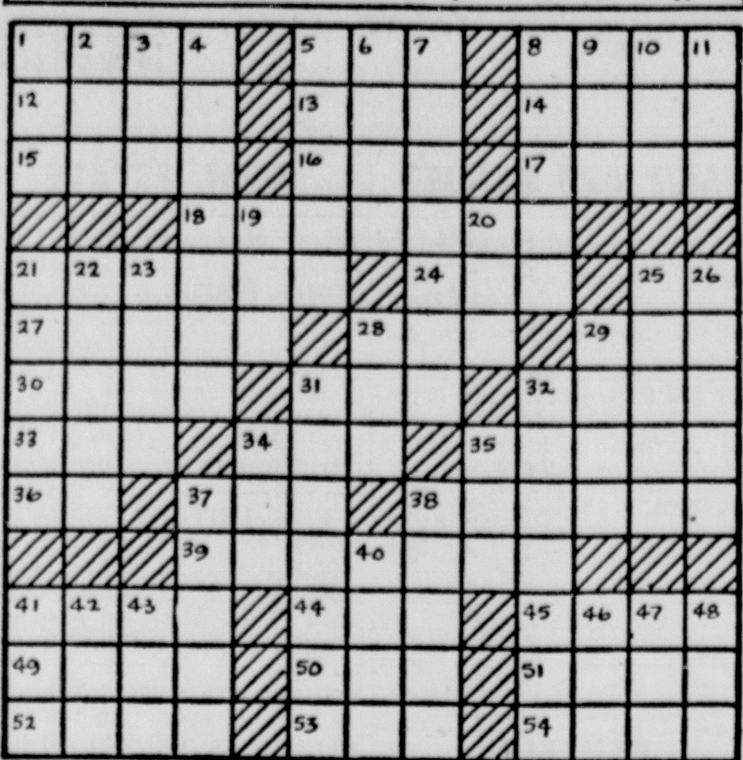

One of the youngest members of the team is a 20-year-old secretary, a looker named Miss Naomi Hoomes. She does not claim to understand the computer thoroughly, but she is in thorough accord with its philosophy.

"I think everybody ought to pay his proper taxes, no more and no less," she said.

A newsman with a passion for detail remarked that he had no trouble figuring out that her hair is brown, but was puzzled by the color of her eyes.

"That depends on the dress I am wearing and the eye shadow," she explained. "Today I am wearing a beige dress and green shadow. Therefore the eyes are green. Is it all right with you if

I go back to work now?"

HEAVY LOAD

It turns out that checking on tax cheaters is not the sole reason for the computer, though an important one. Even if everybody were 100 per cent honest, Internal Revenue would drown in a sea of paper work as the population expands. Hence the resort to automation.

The computer is lightning fast, but in some ways is pretty dumb. To show how dumb it really is, it does not charge premium pay for overtime as any self-respecting union workman would. In fact its wage rate plummets when it labors overtime. Hired out by IBM, it charges a standard wage for the first 176 hours a month, then the rate drops to 40 per cent.

As might be expected, the heartless revenue service takes advantage of this and keeps the robot going 24 hours a day, seven days a week. Its monthly pay is pretty good, though—about \$85,000.

The human staff is divided into shifts, so that people keep the computer company even in the still watches of the night.

However, it would do no good for some tax dodger gone berserk to blow this place up to foil the revenue service. A duplicate master tape is kept in a "remote" location.

It is not secret that the remote location is, at present, Washington. But nuclear energy being what it is, officials plan to move it somewhere else, perhaps a cavern deep in a mountain.

There are 45,200,000 members of the American Red Cross—26,400,000 adults and 18,800,000 young people.

Ragged Recluse Has A Fortune

NEW YORK (AP)—Police found Nellie Corrigan, 75, wandering about her cluttered Bronx apartment in ragged, soiled clothing. She was gaunt and apparently undernourished, and she kept asking for "my little 23-year-old sister, Mary."

The body of her sister, Mary, about 72, had been found by Nellie in a hallway outside the three-room apartment Saturday night.

When police and a priest went to the apartment Sunday to check

A Lovelier You

By **MARY SUE MILLER**
BEAUTY BY A NOSE. Since the introduction of white powder base, many women have discovered its value as a blanket for dark circles. But what even devotees do not seem to realize is that the cosmetic has another, more magical use.

Applied with a bit of skill, a white base performs new wonders in softening irregular features. Let's take a button nose, so short and broad, as an ex-

ample. It appears to lengthen and slim with the merest touch of white base.

The application method for a stubby nose follows. Do note it, whether or not the problem is yours. For the technique is applicable to other features.

Now for the method: Smooth on your tinted foundation as usual and allow it to set well. Then massage a pinpoint of white base into the fourth finger. Starting between the nostrils, run the whitened finger in a wide swathe straight up the center section of the nose. Next pat-blend both edges until they melt into the tinted base. Finish with a fluff of powder, applied first to the nose and then to the rest of the face. Presto, a cameo effect!

What causes this magic to work? Well, it's really an art principle, whereby the illusion of height is conveyed by long lines and space is narrowed by color contrast.

By adapting the principle to the application of white and tinted bases, it is possible to attenuate a short neck, bring forward a receding chin and plump up too-hollow cheeks. All without fear of detection!

POCKET CALORIE COUNTER

Do you really know the calorie counts of the foods you eat? Our new booklet, POCKET CALORIE COUNTER, tells the score at a glance. It also gives a diet plan—a way to eat and slim. For your copy, write Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a long, self-addressed, stamped envelope and 10 cents in coin.

Blue Cross Never Leaves You in a Hole!

How can you be sure that a limited cash allowance from a commercial hospital plan will cover your expenses? The answer is... you can't!

But you CAN be sure of Blue Cross because your hospital care is paid for in services, no matter how much the cost is. Here's how important that is to your health as well as your pocketbook: medical science is perfecting new life-saving equipment and new wonder drugs every year. They are marvelous and expensive. But with Blue Cross benefits you needn't worry about the price... you will receive the care and services your doctor prescribes and Blue Cross will pay the hospital direct for them... cost is no problem.

Blue Cross is the Plan You Can Trust!

BLUE CROSS.

Robot Brooks No Quarter With Delinquent Taxpayer

By RAYMOND J. CROWLEY
MARTINSBURG, W.Va. (AP)—Taxpayers tempted to fudge on their April 15 federal returns should think again. They may be up against a formidable combination, including:

1. A robot without any feelings;
2. A bureaucrat who admires the logic of Aristotle;
3. A gal whose eyes change from blue to green depending on what color eye shadow she is wearing.

These are among the workers in a small, modernistic building here in the Shenandoah Valley apple country. The building houses the national computer center of the Internal Revenue Service.

ROBOT COMPUTER

The robot, or computer, is checking millions of tax returns from the Eastern seaboard. By 1966, it will be prying into returns from all over the nation—an estimated 78 million, including individuals and businesses.

Raw data—such as the figures on your return—are punched on cards in regional offices in Atlanta and Philadelphia. These cards transfer the information to magnetic tape. The tape—about 55,000 tax accounts on a reel about a foot in diameter—is then flown to Martinsburg.

Then the computer goes to work. Fed the raw tape, it checks against a master file to see whether a taxpayer has filed all returns lawfully due, whether he is up to date on payments and whether there is anything suspicious about him.

Then the machine produces another tape for shipment back to the field. This can automatically write notices that a person owes money, that he must produce his papers for an audit, or that he is even with the government.

When the computer sends out a notice requiring an answer, it begins counting the days, and if a taxpayer does not respond in time it fires off a sterner warning.

It can alert revenue agents to slap a lien on the old homestead or—oh yes—it can automatically write a refund check if necessary.

In charge of this awesome setup is not a high-domed scientist—as you might expect—but an English major from Bowdoin College, class of 1940, John E. Stewart by name. He is an unusual bureaucrat, in that he takes pride in the small size of his bureau, 78 persons in addition to the robot.

The machine is important, he says, but far more important are the people attending it. They don't necessarily have to have advanced university degrees.

"But they must have an aptitude; an ability to do some abstract reasoning—like the logic of Aristotle, a master philosopher of ancient Greece. Above all, they have to be able to get along with other people, because this is a team job."

One of the youngest members of the team is a 20-year-old secretary, a looker named Miss Naomi Hoomes. She does not claim to understand the computer thoroughly, but she is in thorough accord with its philosophy.

"I think everybody ought to pay his proper taxes, no more and no less," she said.

A newsman with a passion for detail remarked that he had no trouble figuring out that her hair is brown, but was puzzled by the color of her eyes.

"That depends on the dress I am wearing and the eye shadow," she explained. "Today I am wearing a beige dress and green shadow. Therefore the eyes are green. Is it all right with you if

Blue Cross Never Leaves You in a Hole!

How can you be sure that a limited cash allowance from a commercial hospital plan will cover your expenses? The answer is... you can't!

But you CAN be sure of Blue Cross because your hospital care is paid for in services, no matter how much the cost is. Here's how important that is to your health as well as your pocketbook: medical science is perfecting new life-saving equipment and new wonder drugs every year. They are marvelous and expensive. But with Blue Cross benefits you needn't worry about the price... you will receive the care and services your doctor prescribes and Blue Cross will pay the hospital direct for them... cost is no problem.

Blue Cross is the Plan You Can Trust!

I go back to work now?"
HEAVY LOAD

It turns out that checking on tax cheaters is not the sole reason for the computer, though an important one. Even if everybody were 100 per cent honest, Internal Revenue would drown in a sea of paper work as the population expands. Hence the resort to automation.

The computer is lightning fast, but in some ways is pretty dumb. To show how dumb it really is, it does not charge premium pay for overtime as any self-respecting union workman would. In fact its wage rate plummets when it labors overtime. Hired out by IBM, it charges a standard wage for the first 176 hours a month, then the rate drops to 40 per cent.

As might be expected, the heartless revenue service takes advantage of this and keeps the robot going 24 hours a day, seven days a week. Its monthly pay is pretty good, though—about \$85,000.

The human staff is divided into shifts, so that people keep the computer company even in the still watches of the night.

However, it would do no good for some tax dodger gone berserk to blow this place up to foil the revenue service. A duplicate master tape is kept in a "remote" location.

It is not secret that the remote location is, at present, Washington. But nuclear energy being what it is, officials plan to move it somewhere else, perhaps a cavern deep in a mountain.

There are 45,200,000 members of the American Red Cross—26,400,000 adults and 18,800,000 young people.

Ragged Recluse Has A Fortune

NEW YORK (AP)—Police found Nellie Corrigan, 75, wandering about her cluttered Bronx apartment in ragged, soiled clothing. She was gaunt and apparently undernourished, and she kept asking for "my little 23-year-old sister, Mary."

The body of her sister, Mary, about 72, had been found by Nellie in a hallway outside the three-room apartment Saturday night.

When police and a priest went to the apartment Sunday to check
